Other Compensation
Fiscal Year 2023-2024

In accordance with Florida Statute 1012.22 (1) (c) (4), the Liberty County School Board adopts the following supplements and pay plan for differentiated pay for both instructional personnel and school-based administrators. The differentiated pay is based on district-determined factors, including, but not limited to, additional responsibilities, critical shortage areas, and level of job performance difficulties.

1. *Instructional and School Based Administrative Employees*

A. *Additional Responsibilities* – Each School Principal will determine the staff needed to perform additional responsibilities and will provide the list to the Superintendent’s Office. The instructional staff may be paid an approved supplement for carrying out the additional responsibilities as determined on the Academic and Athletic Supplement Schedules.

B. *Critical Shortage Areas* – A \$1,000 supplement shall be paid to each instructional employee working in a critical shortage area as designated by Liberty County School Board upon recommendation of the Superintendent. Local critical shortage areas are defined as
(3) consecutive job postings with no applicants. The job postings will be monitored by the Human Resource Department and findings reported to the Superintendent.

C. *Level of Job Performance Difficulties* –Principals and assistant principals’ salary is differentiated based on student enrollment, grade level of students, and number of extracurricular activities.
