Arron Gibbs

Arron Gibbs is our first Senior at Calhoun R-VIII this year. In his spare time, he enjoys working on small engine repair, hunting, and fishing. His most influential role model is his family. Over the past four years, his biggest challenge has been working on making it through to graduation. He will most remember all the friends he has made at Calhoun R-VIII.

After graduation, Arron plans on going to school for small engine repair. In 10 years, he sees himself living on the farm with a family of his own and owning his own business. His advice to the underclassmen: “[J]ust be yourself[. Don’t] change because other people [don’t] like you[;] pay attention[,] and you will make it [through.]”
