

Dear Treetops Families,

As we move forward with the transition to a K-6 model for Treetops School International, I want to express my deepest gratitude for your continued trust and support. This decision was years in the making and was not made lightly. I understand that it has significant implications for many of our students and families, particularly those with children entering grades 7 through 12.

One of our top priorities is to ensure that every family has the resources and guidance needed to make informed decisions about the next step in your child's educational journey. Below is a curated list of educational options in the Hurst, Euless, Bedford, and surrounding areas to help you explore the best fit for your family.

## **Educational Options for Grades 7-12**

### **Public School District**

- **Birdville Independent School District (Birdville ISD)**  
Birdville ISD offers a comprehensive educational experience for grades 7-12, with a variety of academic and extracurricular programs. The district also provides an open enrollment option, allowing students outside of its boundaries to apply.
