Salary Schedule 2022-2023 School Year

Board Approved: June 27, 2022
July 7, 2022
August 22, 2022

The Pike Road Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, religion, or age in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding non-discrimination policies:

Ryan Kendall, Director of Human Resources
PO Box 640064
Pike Road, Alabama 36064
334-420-5300

General Information

Explicit understandings and assumptions have been made in the preparation of this schedule as follows:

- New employees will begin employment under the parameters contained in this salary schedule.
- Certain current employees may be “grandfathered” at existing rates of pay or salary schedules until separation, retirement, or job change if their current compensation is higher than the salary schedule.
- Adjustments to the salary schedule will be made in compliance with mandates by the State Legislature and/or recommendations made by the Superintendent and approved by the Board.
- All certified employees must hold or be able to obtain upon employment proper Alabama Professional Educator or Leadership certification for their respective positions.
- All employees will be paid in twelve (12) equal monthly installments, regardless of the terms of their employment. New employees who did not work in public education the previous school year (those who otherwise will not receive a payroll check until September 30) may be paid in thirteen (13) equal monthly installments. New employees who start work after the beginning of the employment year will be paid for the actual days worked. New employees with terms of appointment in excess of 187 days (i.e. 210, 220, and 240 days) will also be paid for the actual number of days worked.
- In the event an error is made in the calculation and/or payment of an employee’s salary, the Board has the legal authority and right to make proper adjustments and corrections during the current employment year.
- Persons employed for less than 20 hours per week will be paid at the rate approved by the Board at the time of employment and will submit a time sheet for each payroll period.

Salary Schedule Placement

The superintendent will determine placement on the salary schedule. Steps shown are compensation steps, not experience steps.

Certified employees will be placed on the salary schedule as follows:

- Highest level of certification issued by the Alabama State Department of Education. Persons who do not hold a valid Alabama Professional Educator or Leader Certificate will be placed on the salary schedule at the Bachelor level, even if a higher degree has been earned. Once the Alabama Certificate has been issued, the employee is entitled to pay for the advanced degree beginning with the beginning of the next pay period after the Alabama State Department of Education has recognized the advanced degree. If the recognition of the advanced degree occurs May 16 or after, pay will not begin until the following school year.
- Highest degree earned as recognized by the Alabama State department of Education.

Each teacher who becomes certified by the National Board for Professional Teaching Standards will be given an annual lump sum of \$5,000.00 during the month of November each year after the teacher successfully meets the requirements and the State Department funds are available. The employee is responsible for notifying the payroll department by September 30 of the year of initial National Board Certification.

Principals will be placed on a 240-day contract as negotiated with the Superintendent and approved by the Board as recommended by the superintendent.

The Chief School Financial Officers will be placed on a 240-day contract as negotiated with the Superintendent and approved by the Board as recommended by the Superintendent.

The Superintendent will be placed on a 240-day contract as negotiated with and approved by the Board.
