“Excellence- From All- For All” DISTRICT

Superintendent's Newsletter

March 2025

Dear Parents,

Let us give the Coffeeville Basketball Boys Pirates (21-6) the support they need to bring a long-awaited State Championship to the Coffeeville School District. **If the Coffeeville High School Boys Basketball Team advances to the State Championship Game, the Coffeeville School District will dismiss students and staff from school at 1:00 PM (65% day) on Monday, February 24, 2025** for students, parents, and staff to travel to the Mississippi Coliseum in Jackson, MS for the game scheduled at 6:00 PM. Furthermore, **if the Coffeeville Pirates Boys Basketball Team advances to the State Championship Game at the Mississippi Coliseum on Friday, February 28, 2025 at 12 NOON, the Coffeeville School District will be CLOSED for parents, students, and staff to travel to Jackson, MS.**

As we prepare for testing season, we are asking parents to create a Positive Learning Environment at home. Set up a quiet, well-lit space for studying. Limit distractions like TV, mobile phones, and unnecessary noise. Encourage a routine that includes time for completing homework assignments and for reading recreationally. Read with your child daily, even if it's just 10-15 minutes. Make learning fun at home through the use of educational apps and websites, such as Study Island and Accelerated Reader. Your scholar has **FREE** digital access to thousands of books using **Accelerated Reader** on their computer and cellphones.

The Coffeeville School District will continue to improve academically when parents stay involved in their scholar's education. Take the time to call or email your scholar's teacher to check on his/her academic progress. Feel free to ask your scholar's teacher for tips on how to support learning at home. Let us work together to make academic and athletic history in the Coffeeville School District!

Educationally yours,

Dexter Green

Superintendent of Education
