Subject: Cross Country and Title 1 Technology Night
To: <cynthia.beers@carrollcountyschools.com>

Good evening Temple Middle School Families,

I have two important events to share with you this evening. Tomorrow, Tuesday August 30th we are hosting our first ever cross country meet at TMS. There are many teams signed up to complete, so Holder Street will be blocked off to non-residents from 5:00 - 6:30 PM. In addition, our campus will be very crowded with runners and spectators so it would be appreciated if all students were picked up by 4:30. We would love to have you come out and watch the action, and it is only $5.00 per carload!

Secondly, we are excited to announce that the Temple Cluster is hosting a Title 1 Parent Engagement night focusing on technology on Thursday, September 1st from 6:00 - 7:00 pm. All cluster schools will have stations set up to assist you. If you have questions about Infinite Campus, need to set up your parent portal, have questions about how to check Google Classroom or how to add money to your school bucks account, we are here to help you get answers.

As always, it's a great day to be a Tiger!
