FINANCIAL REPORT FOR THE YEAR ENDING JULY 10, 1905.

READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount in the "Amount due the district" column, unless it is actually due by any one in paying taxes or for other expenses, it should be included in the item "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 15 above). Do not foot up the columns alike unless they actually add up alike.

Table with two main columns: RECEIPTS and EXPENDITURES. RECEIPTS includes items like Money on hand September 5, 1904, Received from one-mill tax, Received from primary school interest fund, Received from library fund, Received from tuition of non-resident pupils, Received from district taxes, Received from loans, and Total receipts. EXPENDITURES includes items like Paid men teachers, Paid women teachers, Paid for building, site, repairs, Paid for library books and care of library, Paid on indebtedness, Paid interest on loans, Paid for all other purposes (apparatus, free text-books, fuel, other incidentals, insurance, janitor's salary), Amount on hand July 10, 1905, and Total expenditures.

READ THESE NOTES.

1. If the district is fractional, write the names of the children in each fractional township under the name of the township beginning with that township in which the schoolhouse or site is situated.
 A separate statement must be made to the clerk of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships.
 2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same to this sheet. Do not use additional blanks.
