Laptop equipment assigned to your child enrolled from pre to post COVID-19 pandemic are not required to be returned. The equipment assigned during the virtual/hybrid mode of instruction reached depreciation at zero value. This action is a safe resolution, in allowing your child to keep the laptop or tablet.

However, the hotspot and connecting power cable will need to be returned to the school. Please coordinate the return of the hotspot with your child's teacher or Information Technology Technician at KDLO.

Further note that equipment that was returned to KDLO during pre and post pandemic as damaged will not be reissued or replaced.
