Dear Students and Parents,

Welcome to the CPS family! We look forward to providing a safe environment in which students have the opportunity to learn and have fun.

CPS, a place where students are prepared to succeed, is dedicated to laying a foundation for students to become life-long learners. Our goal is to make their learning experiences here both positive and productive.

We encourage our students to work hard and do their absolute best each day. We challenge each of them to conduct themselves in a manner that would make their parents proud.

Parents, we ask that you take the time to read and discuss the student handbook with your child. Not only will this help your child know what is expected of them, but it will assist your child in having a productive and successful school year. We also want each of you to take on a primary role in your child's education. You are your child's greatest influencer and encourager, and we strongly recommend that you make his/her education a top priority. If your child's education is important to you, it will be important to him/her also.

Once again, we welcome each of you to a new and exciting school year at CPS!

Sincerely,

Jeanne Dixon
Principal

Matt Holley
Assistant Principal
