SASHS PBIS TEAM Update

PBIS has been very busy at SASHS!

Ms. Perrin has been successful in creating a PBIS student club. This board approved club has been discussing and planning 'positive behavior' activities, rewards, and fundraising for their peers. In November, six of the club members joined the PBIS teacher group at the Chamber of Commerce, for a bimonthly meeting. In December, the group is travelling to Nancy Grayson to help with a school-wide event. The student group has been a great asset to our SASHS PBIS community, and we are very grateful for Ms. Perrin in helping lead this wonderful group of students.

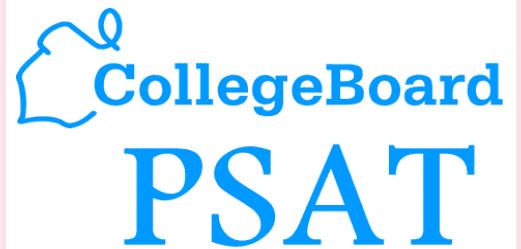

In addition, all students will have a PBIS lesson on Honor in December. In January, students will celebrate our successful PBIS program by holding a mid-year celebration to include such activities as volleyball, quiz shows, and team building activities. And as always we continue to recognize our students of the month, look for the yard signs out in the community.

Key Club will be participating in this year's Wreaths Across America ceremony on December 14th. The ceremony takes place at Spring Hill Cemetery, followed by the laying of the wreaths on veterans' headstones. If you are interested in sponsoring a

wreath through Key Club, you can scan the QR code below. Sponsorship of a wreath is \$17 each. Thank you to our veterans. We are honored to be apart of Wreaths Across America.

PSAT score reports were released to students who took the PSAT in October. Students may check their College Board account for the report or stop by the Counseling Office to pick up a paper copy. Please contact Mrs. DeBias with any questions.
