PRINCIPAL'S COMMENTS:

Mr. Taylor let the board members know that this week was the first of A & B hybrid and that so far, we have had average of 250 students in the building. Also, we have had 24 weeks in school which 5 weeks were virtual, and the rest were in person learning. He let them know that the kids who are virtual are doing google meets with the teacher and the kids who are in seat learning at the same time. Mr. Taylor told them that once we come back full time that there are around 130 high school students that will stay virtual and that Jason Smith and Cody Jeffries have made a big different with kids doing their school work since doing home visits.
