NOTICE TO ENUMERATORS.

1. By a law of 1907 each person taking the school census is required to secure the names, ages, residences of all children between the ages of 7 and 18 who reside in the district, ward or city, and who are blind or whose vision is so defective as to make it impossible to attend such children in the public schools. Names and addresses of parents or guardians must be given also. This is to be reported to the State Department of Public Instruction.
2. The names of all such children should be given on this blank in addition to regular census. This is to be reported to the State Department of Public Instruction with the other reports.
3. Use of names should be that with the township or city clerk, the other two sent to the Superintendent of Public Instruction with the other reports.
4. Make no mistake, for names of blind children in regular census, then make this special report on these blanks as is required.
5. If there are no blind children or those having defective vision in the district, ward or city, fill in head of this report and state on the face of the three reports that there are no such children in the district, ward or city.
