Summer Programming Guide

Students grades 3-5

Desert View Intermediate- Summer Programming

Dear Parent/Guardian:

This summer we are offering a wide variety of programming to our students. With the programming, a student also has access to FREE breakfast and lunch as well as transportation. In order to plan for staffing and learning experiences, we ask that you register for your program(s) of choice. The attached packet of information provides you information about daily routines, transportation, food service, and programming. Be aware that programs have limited seats available and some students may be placed on a waiting list. Everyday attendance is expected with each program. Take a look at the calendar to ensure the program dates work with your family's summer schedule. Unless a program states otherwise, the program will run the full 5 weeks of summer school.

Open enrollment has closed. Call Kevin Anderson at 928-608-4191 for information about open seats in each program.

Program Offerings

VACATION ACADEMY- 5 week programs

S.T.E.M. Academy (Science, Technology, Engineering, and Mathematics)

- Students engage in hands-on learning opportunities that focus on design thinking and build STEM-based literacy through multidisciplinary, interactive experiences that foster creativity and build problem-solving skills.

Reading Academy (Students will be invited to participate.)

- This course is designed for students who would benefit from direct phonics instruction. Students that need intense intervention in the area of phonics would participate in small group, teacher-led, structured, systematic, and multisensory activities.

ENRICHMENT CAMPS- 5 week programs

● **Dine Language and Culture**

- Students will engage in both language and culture experiences. These experiences will provide the students with an opportunity to participate in crafts such as basket weaving using yarn, beading, and making cup moccasins. An introduction to the Dine language will include introductions, everyday vocabulary for simple conversations.

● **eSports**

● **Theater**

- Students will expand their communication skills, memory, and self expression as well as see a new incentive to read. We will be exploring the different elements of theater; improvisation, monologue, pantomime, scene work, etc. Students will learn about these aspects of drama through games, pair work, and reader's theater. They will be working with and building off of each other's ideas as they utilize their creativity throughout this program.

● **Fun and Fitness**

COMMUNITY EDUCATION

● Climbing, Virtual Reality (VR), and Basketball with Canyon Walls

- Students engage in learning climbing basics, route setting, boxing basics, and virtual reality games in an environment focused on increasing physical and mental fitness. Students learn proper stretching techniques- static and dynamic. Throughout the camp students increase their abilities in problem-solving, self-control and balance, as well as teamwork.
- 4 day program- see calendar for age groups

● Running and Fitness camp with Wings of America

- 2 day program- June 22-23

Attendance Expectations and Procedures

Attendance is expected everyday of a program. Take a look at the program calendar included in this packet to ensure a good fit with your family's summer schedule. If a student enrolls in a program and doesn't show up for summer programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

Behavior Expectations and Procedures

We aim for engaging learning environments during summer programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

Transportation Information

The district has three (3) summer routes. Make sure to select your primary method of transportation on the application form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.

Desert View Intermediate- Summer Reading Academy

Dear Parent/Guardian:

This summer Desert View is taking steps to close the learning gap in regards to reading. Part of the plan is to provide a Reading Academy that uses established district curriculum and resources (Benchmark Advance and SIPPS) as well as teaching and learning tools to accelerate the learning of how to read. With the programming, a student also has access to FREE breakfast and lunch as well as transportation. This letter is to inform you of your child's current level of need. Regardless of the cause of reading difficulties, we believe that providing ongoing support, through the summer, can help accelerate reading and close learning gaps. Everyday attendance is expected with this program. Take a look at the calendar to ensure the program dates work with your family's summer schedule.

Your child will need the following support through Summer Reading Academy:

- Reinforcement of grade level reading curriculum through Benchmark Advance
- High-dosage reading interventions through SIPPS

Open enrollment has closed. Call Kevin Anderson at 928-608-4191 for information about open seats in the reading academy.
