

SANTA MARIA JOINT UNION HIGH SCHOOL DISTRICT

BOARD OF EDUCATION

CSBA Professional Governance Standards

Adopted by the Santa Maria Joint Union High School District April 11, 2001

THE BOARD

School districts and county offices of education are governed by boards, not by individual trustees. While understanding their separate roles, the board and superintendent work together as a “governance team.” This team assumes collective responsibility for building unity and creating a positive organizational culture in order to govern effectively.

To operate effectively, the board must have a unity of purpose and:

- Keep the district focused on learning and achievement for all students.
- Communicate a common vision.
- Operate openly, with trust and integrity.
- Govern in a dignified and professional manner, treating everyone with civility and respect.
- Govern within board-adopted policies and procedures.
- Take collective responsibility for the board’s performance.
- Periodically evaluate its own effectiveness.
- Ensure opportunities for the diverse range of views in the community to inform board deliberations.

THE INDIVIDUAL TRUSTEE

In California’s public education system, a trustee is a person elected or appointed to serve on a school district or county board of education. Individual trustees bring unique skills, values and beliefs to their board. In order to govern effectively, individual trustees must work with each other and the superintendent to ensure that a high quality education is provided to each student.

To be effective, an individual trustee:

- Keeps learning and achievement for *all* students as the primary focus.
- Values, supports and advocates for public education.
- Recognizes and respects differences of perspective and style on the board and among staff, students, parents and the community.
- Acts with dignity, and understands the implications of demeanor and behavior.
- Keeps confidential matters confidential.
- Participates in professional development and commits the time and energy necessary to be an informed and effective leader.
- Understands the distinctions between board and staff roles, and refrains from performing management functions that are the responsibility of the superintendent and staff.
- Understands that authority rests with the board as a whole and not with individuals.

RESPONSIBILITIES OF THE BOARD

The primary responsibilities of the board are to set a direction for the district, provide a structure by establishing policies, ensure accountability and provide community leadership on behalf of the district and public education. To fulfill these responsibilities, there are a number of specific jobs that effective boards must carry out.

Effective boards:

- Adopt, evaluate and update policies consistent with the law and the district's vision and goals.
- Maintain accountability for student learning by adopting the district curriculum and monitoring student progress.
- Hire and support the superintendent so that the vision, goals and policies of the district can be implemented.
