WHEREAS, the District School Board has the power and the duty among other responsibilities to cooperate with other agencies in joint projects, programs, and services when it is to the best interest of the taxpayers of their county and for the best interest of the educational system and the school children of the school district, and

NOW, THEREFORE, BE IT RESOLVED BY THE DISTRICT SCHOOL BOARD, IN A REGULAR SESSION ON ______, 2010, AS FOLLOWS:

V. PENALITIES AND SEVERABILITY.

A. Should the District of Record, currently WCSB, in its capacity as fiscal agent for PAEC, be assessed a penalty or fine (including reimbursement of grant funds) by any governmental agency or authority arising out of and based on improper administration of a grant by PAEC, then the member districts would share responsibility for satisfaction of the penalty or fine based on the following:

- 1. 50% of the fine or penalty shall be allocated equally among all the member districts.
- The remaining 50% of the fine or penalty shall be allocated among the member districts according to each district's percentage of the total FTE.
- The total of the amount to be allocated among the member districts under subparagraphs 1) and 2) shall first be reduced by any and all amounts recoverable by insurance or other bonds.
- B. Each member district acknowledges and agrees that, as a condition of continued participation in the PAEC, each member district is required to comply with and perform the above provision regarding satisfaction of any such fines or penalties. In the event that a member district fails to satisfy its allocation as set forth above, the PAEC Board of Directors shall determine the repayment schedule for the member district and any interest due PAEC. Member district agrees that if repayment has not been made by the date of expiration of this repayment period, said district:
 - Shall no longer be eligible for participation as a member district in PAEC.
 - 2. Shall no longer be a member of PAEC.
 - 3. Shall not be entitled to continue to receive any of the benefits of membership in PAEC. Any member district whose participation in PAEC is terminated under this resolution shall pay all allocated costs that have accrued to that district by virtue of participation in PAEC through the end of the month during which termination of participation occurs.
- C. In the event a member district's participation is terminated pursuant to the foregoing paragraph B, and that former member has not satisfied its allocated share of any fine or penalty in accordance with paragraph A, then the allocated share of each of the remaining member districts shall then be re-determined in accordance with paragraph A based on the number of the remaining member districts and their respective percentage of the total FTE.
- D. The District of Record, currently WCSB, shall be responsible, only as allocated above as a member district, for any such penalty or fine (including reimbursement of grant funds) assessed by any governmental agency or authority arising out of and based on improper administration of a grant by PAEC. In the event that the other member districts fail to comply with the above provisions relating to satisfaction of fines or penalties, WCSB shall have the right to terminate its fiscal agent agreement during the term of said agreement on the following terms:
 - WCSB must give written notice and a thirty-day opportunity to cure any such failure to comply to the member district or districts involved and to PAEC;
 - 2. Termination shall not be permitted during the term of the agreement if the noncompliance is cured within the thirty-day period;
 - Fiscal agent fees from PAEC to WCSB shall continue only through the end of the month during which the contract is terminated.

- E. Should the District of Record, currently Washington County School Board (WCSB), based on its own mismanagement or negligence, be assessed a fine or penalty (including reimbursement of grant funds) or be prohibited by any governmental agency or court from receiving any grant, PAEC (through its Board of Directors) shall have the right to terminate the fiscal agent agreement with WCSB by giving written notice and may appoint a new fiscal agent. Fiscal agent fees from PAEC to WCSB shall continue only through the end of the month during which the contract is terminated. There shall be no other monetary liability from PAEC or any other member district to WCSB in the event of any such termination.
- F. Should PAEC be dissolved or moved to a different physical location by action of the PAEC Board of Directors, the District of Record, currently WCSB, shall dispose of the current PAEC facility in accordance with the terms of the Annual Fiscal Agent Agreement Between the Washington County District School Board and the Panhandle Area Educational Consortium ("Annual Agreement"), reflecting PAEC's equitable ownership in its current physical facility. The PAEC Board of Directors would determine the use of the funds from the sale of the property.
- G. It is understood and agreed by all members of PAEC that the foregoing provisions of Section V shall not alter the waiver of sovereign immunity or extend the respective member's liability as set forth in Section 768.28, Florida Statutes.

VI. GOVERNANCE OF PAEC. That the organization and governance of the PAEC shall be as follows:

- A. The Board of Directors has designated the WCSB to serve as the District of Record for contractual and reporting purposes for the Consortium. Said Board will:
 - 1. Serve as employer for all Consortium staff, establishing policies in collaboration with the Board of Directors by which all personnel so employed will be governed. The District of Record assumes no liability for continued employment of Consortium staff in the event of loss of funds, discontinuation of project services or a reduction in force by Consortium Board of Directors. Additionally, the provisions of Section V (Penalties and Severability) shall apply to the extent that the District of Record (currently WCSB) were to be found liable and required by an administrative agency or court of competent jurisdiction to make a payment for unpaid wages or other losses to an employee of PAEC as a result of an employment action taken by PAEC so that any such liability shall be shared by the members of PAEC. The provisions of Section V shall only apply, however, in the event the order is not reversed or vacated on appeal. Additionally, nothing herein shall be construed or intended by any member or PAEC to serve as a waiver of any immunity of any kind. This provision shall not apply in the event it were deemed to be any such waiver of any type of immunity from

liability. Moreover, it is understood and agreed by all members of PAEC that the foregoing provisions of Section V shall not alter the waiver of sovereign immunity or extend the respective member's liability as set forth in Section 768.28, Florida Statutes.

- Serve as title holder for building complex on 753 West Boulevard, Chipley for PAEC and its member districts according to "Annual Fiscal Agent Agreement Section B. Equitable Ownership of Building Complex at 753 West Boulevard".
- 3. Serve as District of Record for the Consortium, with mutually agreed upon compensation for services. These services will include, but not be limited to:
 - a. Monthly financial report to Member districts.
 - Separate report on the financial status of the Consortium in the annual financial report of the district to the Commissioner.

- B. The Board of Directors for the Consortium shall be composed of the Superintendents of all Member Districts. The Directors will:
 - 1. Determine all policies for operation of the Consortium.
 - Determine programs, products, contracted services, and charges for services rendered by the Consortium.
 - 3. Determine Consortium salary schedule and compensation plan.
 - Recommend establishment of positions and individuals for appointment to the District of Record.

The Board of Directors has full authority to control the Consortium within the parameters of Florida Statutes, State Board of Education administrative rules, and the Board-approved policies of the school board of the District of Record.

- C. An Executive Director, recommended by the Board of Directors and approved by the school board of the District of Record, will manage the operation of the Consortium. Said Executive Director will:
 - Be responsible for compliance of Consortium operation with all Consortium policies, applicable State Laws, and State Board of Education Regulations.
 - Keep the Board of Directors and District of Record apprised of all Consortium activities.
- VII. <u>TERMS OF AGREEMENT</u>. The term of this Agreement shall commence and be deemed in full force and effective as of July 1, 2010. The terms of this Agreement shall be one (1) fiscal year with an annual renewal option.

This Agreement among the Member Districts of the Consortium, as set forth in this resolution, will be in operation and effect from July 1, 2010, by action of the various school boards named herein, and upon adoption by the Cooperating Boards joined together in this Consortium, shall be binding for one (1) fiscal year from said date of July 1, 2010.

- 7. Inconsistent Identification of Beneficiary. Client is notified that: (a) if Client's payment order in a funds transfer completed by acceptance by the beneficiary's bank, identifies the beneficiary by both a name and an identifying number or bank account number, and the name and number identify different persons, then execution of the transfer, payment to the beneficiary, or cancellation of the transfer may be made solely on the basis of the number; and (b) If a payment order or transfer of Client identifies any bank by both a name and an identifying, number, and the number identifies a person different from the bank identified by name, any bank may rely solely on the identifying number.
- 8. <u>Security Procedures.</u> Client will comply with wire transfer security procedures provided by Bank from time to time. Bank may change these procedures upon notice to Client. Any security procedures for the detection of errors by Client relating to identification of beneficiary, amount of payment order, or duplicate payment order are for the convenience of Client. Bank has no duty to discover or report Client's errors, and has no responsibility for any failure of the security procedures to detect these errors. Client agrees that it will prevent the disclosure, both within and outside of its organization except on a "need to know" basis, of any of Bank's procedures relating to wire transfers.
- 9. <u>Confidential Code Numbers</u>. Bank will assign to Client a confidential code number for its identification, in making transfers. Requests for funds transfer will not be honored without reference, to the proper code number and Client is responsible for maintaining the confidentiality of its assigned code number. Client will promptly report to Bank's Money Transfer Department any lost or misplaced codes or changes in personnel with access to the code. Bank shall not be liable for any transfers made pursuant to a compromised code which has not been reported to Bank.
- 10. Cancellations by Client. Client shall have no right to cancel or revoke any transfer request after its receipt by Bank. Client agrees that if it attempts to revoke or cancel any instructions for a transfer or other related act, Client will indemnify and hold Bank- harmless for all expenses, costs or other liability incurred by Bank including its reasonable attorneys' fees, as a consequence of any attempted or accomplished cancellation or revocation. Any instructions which are revoked or canceled must be timely given and must comply with Bank's security procedures. Bank makes no representation or warranty as to its ability to revoke or cancel a transfer once made. Bank shall have no liability if it fails to affect same, even if such failure is due to willful failure or gross negligence of Bank.
- 11. Sufficient Funds and Settlement; Bank Right of Hold and Setoff. Client will maintain an account with Bank at all times during the term of this Agreement. Client will maintain in the account, as of the applicable settlement date or transmission date, collected funds sufficient to cover all credit transfers initiated by it. Client authorizes Bank to debit its account at the time of the transfer in the amount of each transfer. In the event there are no sufficient available collected funds in the account to cover Client's obligations under this Agreement, Client agrees that Bank may, in its discretion, refuse to process any requested transfer, require Client to deposit additional funds before the transfers are processed, and/or debit or place a hold on funds in any other account maintained by Client with Bank or any Affiliate of Bank and that Bank may setoff against any amount it owes to Client, in order to obtain payment of Client's obligations under this Agreement. "Affiliate of Bank" means Capital City Rev 10.20.08

Bank Group, Inc. and any member of its "Affiliated Group" as that term is defined in section 1504(a) of the Internal Revenue Code of 1986, as amended.

- 12. <u>Debits and Overdrafts</u>. Bank may debit any account of Client for any transfer executed by Bank pursuant to this Agreement, even if the debit creates or increases an overdraft in that account. In the event that an overdraft is created or increased, Client shall cause sufficient available funds to pay the amount of the overdraft to be deposited into or credited to that account by the close of that banking day. Any overdraft existing at the close of a banking day is immediately due and payable without notice or demand.
- 13. Chargeback. Client agrees that if, for any reason, Bank does not receive payment for funds transferred to any account or any funds are inadvertently credited to the undersigned's account pursuant to a wire transfer order, Bank may, at its option, chargeback the account of the undersigned and/or demand return of funds withdrawn from Client's account, up to the amount of the transfer order. Bank may, at its option, pursue any other available remedies without waiver of its right to charge back and/or demand return of withdrawn funds at any notice to Client of any charge backs. Bank shall not be liable for any damages resulting from charge back of any accounts so long as Bank took reasonable steps in good faith to promptly notify Client of the charge backs. Bank shall not be liable for any damages resulting from Client's return of withdrawn funds pursuant to a demand made reasonably in good faith by Bank. Bank and Client agree that the sending bank and any intermediaries are not intended to be third party beneficiaries of this Agreement.
- 14. Account Reconciliation; Duty to Report Discrepancies. Transfers debited or credited to Client's account maintained with Bank will be reflected on Client's periodic statement or individual confirmations issued by Bank with respect to the account. Not more than 14 days after receipt of notification of such periodic statement or confirmation, Client will cause it to be examined and will immediately notify Bank in writing of any discrepancy or error therein. Failure of Client to notify Bank in writing of any discrepancy within that time will relieve Bank of any interest liability with respect to the transfer. Failure of Client to notify Bank in writing of any discrepancies within 30 days of receipt of mailing or delivery of such periodic statements or confirmations shall preclude Client from asserting any discrepancy, error, or lack of authority against Bank, and shall relieve Bank of any liability for any transfers reflected in the statement or confirmation and for any future erroneous transfers that could have reasonably been avoided had Client notified Bank within said 30-day period.
- 15. <u>Recording of Communications</u>. Bank is authorized to electronically record telephone conversations, data transmissions, or any other communications between Bank and Client and their agents. The decision to record communications is totally in Bank's discretion. The undersigned consents to same and agrees to indemnify and hold harmless Bank against any liability Bank may incur as a result of such recording.
- 16. Fees, Compensation, Interest and Costs. Client agrees to pay all fees and charges which Bank may, from time to time, impose for transfers and related acts and further agrees to reimburse Bank for any expenses incurred by Bank to make or revoke any transfer or related act requested by Client. Bank may change its fees and charges from time to time upon notice to Client. Except as stated, each party shall bear its own costs and expenses in connection with the use or provision of the funds transfer services contemplated by this Agreement. In the event Client fails to pay any amount due under this Agreement including any overdraft or amounts required by paragraphs 11, 12 and 13, Client shall pay Bank interest at the Chase Manhattan Prime Rate per annum.

- 17. Rejected Orders. In the event Bank rejects or fails to execute a transfer without giving notice thereof as provided in paragraph 4, Bank shall compensate Client for the use of funds at the rate specified in subparagraph 19(e) if, on the execution date of the transfer, there was a sufficient, withdrawable credit balance in Client's account to pay for the transfer. Compensation shall be computed based on the number of days elapsing after the execution date to the earlier of 5 days or the day the customer receives notice or learns that the payment order was not executed, counting the final day of the period as an elapsed day. If the withdrawal credit balance during that period falls below the amount of the transfer order, the amount of interest will be reduced accordingly. Notwithstanding the foregoing, no compensation will be due under this section if the account is an interest-bearing account. No compensation will be due hereunder for any funds withdrawn from the account.
- 18. Warranties and Indemnification by Client. Client warrants to Bank all warranties Client is deemed by law to make with respect to transfers originated by Client. Without limiting the foregoing, Client further warrants and agrees that: (a) each transfer is authorized, accurate, timely; and all required payments are included; (b) the Client will comply with terms of the Florida Uniform Commercial Code ("UCC") Article 4A as amended, as applicable, as well as federal law and regulations (including applicable C.F.R. provisions), and shall otherwise perform its obligations under the law and this Agreement in accordance with all applicable laws and regulations. Client shall indemnify and hold Bank harmless from and against any loss, liability, damages, costs, and expenses (including attorneys' fees and expenses before and after trial, and any claims of third parties) arising from, out of, or in any manner related to any breach of any of the foregoing warranties or this Agreement, or any of the following: (i) transfers processed or related actions taken by Bank in accordance with the instructions provided by Client; (ii) any decision by Bank not to affect a transfer for any specified reason herein; (iii) a circumstance that would relieve Bank of liability to Client pursuant to any paragraphs of this Agreement; (iv) acts or omissions of Client's agents; (v) any claim by a third party alleging that a Client transfer order contravenes or compromises the rights, title, or interest of any third party, or contravenes any law, rule, regulation, ordinance, court order, (and including any Client payment order or transfer to a prohibited country under any Foreign Assets Control Regulations or related laws, e.g., 31 C.F.R Parts 500 et seq.), or any other mandate or prohibition with the force or effect of law (a "Claim"), unless the Claim arises out of Bank's failure to act in good faith, or failure to act in accordance with Client's instructions given pursuant to this Agreement; or (vi) otherwise, so long as Bank acts in compliance with this Agreement.

19. Liability of Bank & Standard of Care.

- (a) Generally. Bank shall be responsible only for performing the services expressly provided for in this Agreement, and shall not be liable, except as provided by applicable law for any error or delay so long as Bank has acted in accordance with the terms and conditions hereof. Bank shall not be liable for any decision to reject transfers or not to process transfers for any reasons provided herein, or if Client is in breach of any obligations hereunder, or if Bank reasonably believes there are or has actual notice of commencement of any proceeding by or against Client involving bankruptcy, reorganization, receivership, insolvency, or any other insolvency law or laws providing for the relief of debtors. To the extent provided for herein, Bank shall not be liable if Client fails to report any error or discrepancy reflected in a statement or confirmation (as provided in paragraph 14 above) or if Client fails to report a breach of confidentiality of security procedures. Bank shall not be liable to the extent Client receives the benefit of any entry, even if such entry is otherwise erroneous.
- (b) No Agency. Bank shall not be responsible for acts or omissions of Client or its agents or of any third party, including, without limitation, any Federal Reserve Bank, courier service, Rev 10.20.08

NACHA, any transmission or communications facility, or any other party involved with processing of any entry, and no such third party shall be deemed Bank's agent.

- (c) Client's Agents. In the event Client authorizes any third party, such as an accounting service or payroll processing service, to perform obligations of or services to Client hereunder, Bank shall have no additional liability to Client occasioned by said agency so long as Bank acted in accordance with instructions hereunder. Client agrees to assume responsibility for any such errors or wrongdoing by such third party or any of its employees.
- (d) Unauthorized Payment Orders. If a transfer in the name of Client accepted by Bank was not authorized by Client, the liability of the parties will be governed by the applicable provisions of UCC Article 4A as amended.
- (e) Compensation and Limitation of Liability. Subject to the limitations herein, any damages or other compensation due Client resulting from Bank's performance hereunder, shall be limited to interest on the funds at issue at the "Federal Funds Rate" paid by Bank at the close of business on each day the error or delay remains uncorrected; provided, however, that if Bank is unable to recover funds as a result of Bank's negligence, Bank shall be liable for Client's actual loss, not to exceed the amount of funds that Bank is unable to recover, plus interest. In no event-shall Bank be liable to Client for indirect, consequential, special, punitive or exemplary damages, indirect loss or damages, lost profits, or the like, even if Bank has been advised of the possibility of such damages.
- (f) Required Notice. Bank will not be liable for any interest on the amount of any transfer or payment order that was not authorized or was erroneously executed unless Client notifies Bank in writing that the transfer or payment order was not authorized or properly executed within 14 calendar days following customer's receipt of notification either of the acceptance of the payment order or of the debiting of the payment order to a Client account.
- (g) Standard of Care. With respect to the performance of services under this Agreement that are not covered by UCC Article 4A, the parties will be governed by a standard of ordinary care. Bank will be deemed to have exercised ordinary care if its action or failure to act has been in conformity with Bank's prescribed procedures and such procedures do not vary unreasonably from general banking uses and practices not disapproved by any provision of the UCC.
- (h) Responsibility for the Detection of Errors. Bank is not responsible for detecting any error contained in any transfer or payment order sent by Client to Bank.
- (i) Force Majeure. Bank shall not be responsible for any loss, damage, liability or damage arising, directly or indirectly, from any error, delay or failure in performance of any of its obligations hereunder which is caused by fire or other natural disaster, strike, civil unrest, accident, labor dispute, any inoperability or failure of communications or computer facilities, failure of any third party to provide any electronic or telecommunications service used in connection with the execution or cancellation of payment orders, or any other circumstances beyond the reasonable control of Bank. Client agrees to indemnify Bank and hold Bank harmless against all claims of Client or third parties arising out of or in any way relating to such failure to perform.
- 20. <u>Verification</u>. Bank, while not required to, shall be entitled, at its sole discretion, to seek verification or authentication of any transfers by contacting Client by telephone or by any other means deemed commercially reasonable by Bank, provided, however, that so long as Bank complies with its security procedures, Bank shall have no obligation to seek Rev 10.20.08

verification or authentication. If Bank is unable to obtain verification or authentication sought by it, Bank may, in its sole discretion, either effect or refuse to effect the transfers.

- 21. Termination. This Agreement shall continue and remain in full force and effect until termination by either party. Client may terminate this Agreement by giving 10 days written notification to Bank of its intention to terminate and Bank has been afforded a reasonable opportunity to act on such notice. Bank may terminate this Agreement by giving 10 days prior written notice; provided, however, that Bank may terminate this Agreement immediately upon written notice to Client if Client fails to comply with its obligations hereunder, or if Bank reasonably believes there are or has actual notice of commencement of proceedings by or against Client involving bankruptcy, reorganization, receivership, insolvency, or any other insolvency law or laws providing for the relief of debtors. Termination of this Agreement shall in no way affect the obligations of a party hereto which were incurred prior to the termination.
- 22. Notices. Except as otherwise provided herein, all notices required or permitted to be given under this Agreement may be given by any commercially reasonable means including telephonic, facsimile, wire, electronic transmission, mail, or hand delivery). All notices shall be effective when received, except as may be otherwise provided in this Agreement or by applicable law. If a notice is not received because of the failure or disconnection of the addressed communication system, notice is effective at the tune of transmission or dispatch. Each written notice given pursuant to this Agreement shall be hand delivered, or sent by First Class United States Mail, postage prepaid, or by express carrier, addressed to the address specified for that purpose at the signature lines below. Client and Bank may each change the address for service of written notice upon it by a notice in writing to the other.
- 23. Amendments. From time to time, Bank may, by written amendment, amend any of the terms and conditions contained in this Agreement. Such amendments shall become effective upon receipt of the notice by Client or such later date as may be stated in Bank's notice to Client. Any use of services provided hereunder after the date Client receives notice of amendment shall constitute acceptance of the terms of said amendment. This Agreement may not be amended or modified orally, and no amendments or modifications will be binding upon Bank unless such amendment or modification is in writing and signed by Bank.
- 24. Entire Agreement This Agreement, together with the general account agreement such as Bank's Terms and Conditions Account Agreement (personal or non-personal, as applicable to Client), is the complete and exclusive statement of the agreement between Bank and Client with respect to the subject matter hereof and supersedes any prior agreements between Bank and Client with respect to such subject matter. In the event of any inconsistency between the terms of this agreement and the general account Agreement, the terms of this Agreement shall govern.
- 25. <u>Assignment</u>. Neither party may assign or transfer any of its rights or obligations under this Agreement, except that, after 10 days prior notice to Client, Bank may transfer its rights and obligations under this Agreement to a wholly owned subsidiary of Bank or to an Affiliate of Bank directly or indirectly wholly owned by the corporate entity that directly or indirectly wholly owns Bank.
- 26. <u>Binding Agreement: Benefit</u>. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and permitted assigns. This Agreement is not for the benefit of any third party, and no third party shall have any right against Bank or Client hereunder.

- 27. <u>Headings</u>. Headings to sections of this Agreement or any Exhibits are included for ease of reference and shall not be deemed to create rights, remedies, claims, or defenses arising under the Agreement.
- 28. Severability No Waiver. In the event performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future rules, statute, regulation or government policy to which Bank is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and Bank shall incur no liability to Client as a result of such violation or amendment. In the event that any court or tribunal of competent jurisdiction determines that any provision of this Agreement is illegal, invalid or unenforceable, the remainder of this Agreement shall not be affected thereby. If on any occasion Bank fails to enforce any of its rights hereunder, such failure shall not be deemed a waiver of said rights on any other occasion.
- 29. <u>Survival</u>. The terms, provisions, representations and warranties contained in this Agreement which by their sense and context are intended to survive the performance hereunder, including paragraph 18 (Warranties and Indemnifications) shall so survive the completion of performance and termination of this Agreement.

30. Governing Law; Jurisdiction; Venue.

- (a) Governing Law; Jurisdiction; Venue. This Agreement is subject to the provisions of all applicable federal law. Except as so provided, this Agreement shall be governed by and interpreted in accordance with the laws of Florida, without regard to Florida's conflict or choice of law rules. Client consents to the personal jurisdiction of any federal or state court in Florida that has jurisdiction over any legal proceeding or matter arising out of or in any way relating to this Agreement. Client agrees that the exclusive, proper and convenient venue to any such proceeding shall be Leon County, Florida and Client waives any defense or motion that Leon County is an improper or inconvenient forum.
- (b) Fedwire and Other Applicable Rules. Each transfer may be furthered by any Bank by use of the funds transfer system of the Federal Reserve Banks ("Fedwire"). The rights and obligations of Bank and Client with respect to any transfer or payment order, any part of which is carried out through the use of Fedwire, will be governed by any applicable laws, the regulations of the Board of Governors of the Federal Reserve system and the operating circulars of the Federal Reserve banks as in effect from time to time. Each transfer carried out through a funds transfer system will be governed by all applicable funds transfer system rules, whether or not Bank is a member of the system including operating circulars, Regulation J and the National Automated Clearinghouse Association ("NACHA") Operating Rules. Client acknowledges that Bank's right to reverse, adjust, stop payment, or delay posting of an executed entry or payment order is subject to the laws, regulations, circulars and rules described in this Agreement.
- (c) Consumer Transactions. Client and Bank agree that if a transfer is a portion of a funds transfer in which other portions are subject to the Electronic Fund Transfer Act of 1978 (as in effect from time to time), all actions and disputes between Client and Bank that payment order shall be determined pursuant to Florida DCC Article 4A as amended, as varied by this Agreement.
- 31. No Extension of Credit. Nothing in this Agreement nor any course of dealing between Client and Bank constitutes a commitment or obligation of Bank to lend money to Client or obligates Bank to extend any credit to Client, to make a loan to Client or otherwise to Rev 10.20.08

advance funds to Client to pay for any payment order contrary to Bank's published availability schedules.

- 32. <u>Taxes</u>. Client is responsible for all tariffs, duties or taxes (excluding U.S. federal, state, and local taxation on the income of Bank) that may be imposed by any government or governmental agency in connection with any entry executed pursuant to this Agreement.
