NEEDS ASSESSMENT: SCHOOL PROFILE

Student Demographics

The following data regarding student demographics has been collected, retained, and analyzed:

- Enrollment (Required)
- Grade level (Required)
- Ethnicity (Required)

- Attendance (Required)
- Mobility (Required)
- Socioeconomic status (Required)
- Discipline (Required)
- Limited English Proficiency (Required)

Summarize the analysis of data regarding **student demographics**:

Strengths:

```
Overall small class sizes.
The district does not have any students/families with limited English
proficiency.
```

Weaknesses:

Attendance is overall in the good category, yet there is room for improvement.

Indicate needs related to strengths and weaknesses:

```
Improving the attitude of the students and families of the importance of arriving at school on time and/or being in attendance full day.
```

Student Achievement

The following data regarding student achievement has been collected, retained, and analyzed:

- MAP results by content area and grade level, including multi-year trends (required)
- MAP results by ESEA Annual Measurable Objective: comparative data showing performance of disadvantaged students against all other meaningful categories of students in the school; comparison of performances of students in various subgroups (required)
- Completion rates: promotion/graduation rate, retention rates (if applicable)
- Post-Secondary trends: students attending and/or completing post-secondary schools, students accepted in the armed forces (if applicable)
- Other performance indicators used in analysis:

Summarize the analysis of data regarding **student achievement**:

Strengths:

The district has some students that score well on the MAP test.

Weaknesses:

The district still has numerous students that do not perform well on the MAP test.

Indicate needs related to strengths and weaknesses:

```
Improve reading levels/abilities.
Increase students' attitude that the MAP assessment is important...some students
don't put the effort in taking the test.
```

Curriculum and Instruction

Data has been collected, retained, and analyzed regarding each of the following factors of curriculum and instruction at the school:

Learning expectations

Instructional program

- Instructional technology
- Support personnel

Summarize the analysis of data regarding curriculum and instruction:

Strengths:

```
The district implemented the same series in reading and math materials at the
elementary which has a strong connection to the state standards.
These materials have resources for students who are below, on, and beyond the
grade level to help with targeted instruction.
```

Weaknesses:

```
Availability of additional staffing to aid in curriculum development and working with staff to utilize data to drive instruction.
```

Indicate needs related to strengths and weaknesses:

Additional staffing at the elementary level.

High Quality Professional Staff

Data has been collected, retained, and analyzed regarding each of the following factors of a high quality professional staff:

- Staff preparation
- Core courses taught by appropriately certified teachers
- Staff specialists and other support staff
- ✓ Staff demographics
- School administrators

Summarize the analysis of data regarding high quality professional staff:

Strengths:

```
The district has staff and certified teachers that are prepared and are strong in their instructional area.
```

Weaknesses:

Attracting fully and correctly certified teachers and staff.

Indicate needs related to strengths and weaknesses:

```
The district would benefit from being able to retain strong teachers/administrators.
```

Family and Community Engagement

Data has been collected, retained, and analyzed regarding each of the following factors of family and community engagement at the school:

- Parental involvement
- Communication with parents
- Policy Involvement
- Parent education
- Support for special needs and underserved
- ✓ Health services

Summarize the analysis of data regarding family and community engagement:

Strengths:

The parents that are involved are very supportive.

Weaknesses:

The number of parents who are involved is low overall.

Indicate needs related to strengths and weaknesses:

The district is in need of increasing parental involvement.

School Context and Organization

Data has been collected, retained, and analyzed regarding each of the following factors of school context and organization at the school:

- School mission/vision
- ✓ Average class size
- School climate

Management and governance

Student discipline policy

Summarize the analysis of data regarding school context and organization:

Strengths:

The district's school climate and management has improved.

Weaknesses:

```
The districts' student discipline policy, though good, seems to be a constant battle with some students/parents
```

Indicate needs related to strengths and weaknesses:

To get more parents to support the student discipline policy.

NEEDS ASSESSMENT: IDENTIFYING PRIORITIES

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..." (Designing Schoolwide Programs Non-Regulatory Guidance, March 2006)
