## 1 *General*<sup>1</sup>

2 Each year, the Director of Schools/designee shall review the number of spaces available in each school  
3 by grade, class, and program levels. This information shall be posted on the district's website along with  
4 the dates of the district's open enrollment period. The open enrollment period shall last for thirty (30)  
5 days and information about the number of seats available shall be posted for at least fourteen (14) days  
6 prior. The Director of Schools/designee shall reserve a reasonable number of enrollment spaces at each  
7 school to account for the enrollment of zoned students, siblings of students, and students who have a  
8 parent/guardian employed at the school.<sup>2</sup>

9 During the district's open enrollment period each year, a parent/guardian may request that his/her child  
10 attend a school within the district other than the one to which the child is zoned. The Director of  
11 Schools/designee shall review such requests, and if adequate space is available, grant such transfers. If  
12 the number of requests exceeds the number of available spaces, the Director of Schools/designee shall  
13 implement a lottery to fill the available spaces.

14 The open enrollment process shall be completed before other nonresident transfers are approved.

## 15 **POST ENROLLMENT**<sup>1</sup>

16 Once accepted, the student shall provide his/her own transportation to and from the school. The student  
17 must maintain satisfactory attendance, behavior, and effort to remain in the new school.

## 18 **CHANGE IN RESIDENCE**<sup>1</sup>

19 Students whose families transfer their residence to another school area after the first month of school  
20 may complete the school year at their former school. Students who present evidence that they will move  
21 during the school year and who desire to enroll in a new school in the new area may do so with prior  
22 written request for a change of school area.
