NOTE FROM MRS. DICK

Field Day was a huge success, and it was fun to watch our students compete and celebrate their years. A huge shout out to Mrs. Beard and Mrs. Redden and all the staff that made this day possible for our students. I am also thankful for the high school students who came to help and parents who showed up to cheer.

As we move into the final full week of school, gratitude fills my heart. I am thankful for you, your students, and this community. We will continue to celebrate our amazing students on awards day. As always, please reach out with any questions or concerns.
