

REID STATE TECHNICAL COLLEGE

"The College That Works"

Greetings Reid State Lions,

Students were distributed checks December 14, 2021 with remaining checks being mailed December 15, 2021 from the Student Portion of the HEERF III funding established by the American Rescue Plan (ARP) Act of 2021.

- Name: Some reference this funding as "CARES Act" but this is different and is officially the Student Portion of the HEERF III funding established by the ARP Act of 2021.
- Eligibility: Each institution establishes eligibility individually. Reid State chose to distribute to all credit students, which includes Dual Enrollment.
- Amount: It is required by law that the amount be different for those who have a greater need. Reid State determined need based on EFC. Students with an EFC ≤ 5711 received \$50.00 more than those with an EFC > 5711 .
- FAQ's: How many did not receive a distribution...359 of our 374 Fall 2021 credit students received a distribution. None of our Fall 2021 non-credit student received a distribution.
- **All students registered for Spring 2022 semester, that meet the eligibility requirements, will receive a portion for the HEERF III-ARP Student Portion distribution.**
