## A Note To You

Hello Families,  
I hope you had a great fair weekend. Please take a look at the exciting things we have coming up next week. Math and Literacy night will be a blast. We have lots of fun activities planned for you and your kiddo.  
As for next Friday, we will observe the Homecoming parade in Deary, before heading to the Deary school to attend an assembly.  
Have a great week!  
Mrs. Summerfield

## Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class.
- ❖ Read 20 minutes each night and record it on your September reading. It is due at the end of the month.  
If you need another reading log, please send me an email and I will make another for you.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

## This Week's Agenda

**Spelling:** two syllable words with open, closed, and CVCe syllables  
**Reading:** We will read a story called "The Invisible Boy". We will practice asking and answering questions about the story aloud and we'll practice writing responses to questions with complete answers.  
**Math:** We are working really hard to learn how to determine the value of a digit in varying place values. We will compare numbers with different digits in different places and discuss how they have different values.  
**Science:** We will learn about a few habitats and discuss how they are similar and different to each other. These differences will help us understand why plants and animals live in different habitats.  
**Social Studies:** September 17<sup>th</sup> is Constitution Day. We will learn about the purpose of our Constitution and how it provides structure to our government.
