If any child fails to attend school without legal excuse, that the child and the person having custody of that child may be referred to the attendance officer or juvenile courts. Any child who is prosecuted for truancy may be placed in a juvenile facility or long-term residential care. Any custodial adult who is prosecuted for non-compliance with Alabama Compulsory Attendance Law may be charged with violation contributing or causing the delinquency or dependency of a minor. This offense is punishable by a fine of up to \$100 or a sentence to hard labor for the county for a period not to exceed 90 days or both. The superintendent of education or his or her designee shall report such suspected violation to the district attorney within ten (10) days. . ." (Section 16-28-12, Code of Alabama, 1975).

3. Non-Enrollment / Non-Attendance:

“It shall be the duty of the county superintendent of education or the city superintendent of schools, as the case may be, to require the attendance officer to investigate all cases of non-enrollment and non-attendance. In all cases investigated where no valid reason for non-enrollment or non-attendance is found, the attendance officer shall give written notice to the parent, guardian or other person having control of the child.”

In the event of the absence of the parent, guardian or other person having control of the child from his or her usual place of residence, the attendance officer shall leave a copy of the notice with some person over twelve years of age residing at the usual place of residence, with instructions to hand such notice to such parent, guardian or other person having control of the child, which notice shall require the attendance of the child at the public school within three days from the date of the notice. In the event the investigation discloses that the non-enrollment or non-attendance was without valid excuse, or good reason and intentional, the attendance office shall be required to bring criminal prosecution against the parent, guardian, or other person having custody or control of the child. *Authority: Ala. Code §16-28-16(1927).*

ABSENCES

An absence is defined as non-attendance in a regularly scheduled class or activity. **To be counted present, a student must be present more than 50% of the scheduled class time.** The daily average value of attendance is counted as 51% of a full academic day.

EXPLANATION FOR ABSENCES

Written Explanation - In accordance with State Law, a parent/guardian must explain the cause of every absence of students under his/her control or charge. Every student, upon return to school, must bring a verifiable written excuse from home signed by the student’s parent/guardian or doctor office for each absence and present it to the principal or designee. **THE WRITTEN EXCUSE SHOULD BE PRESENTED TO THE PRINCIPAL OR DESIGNEE ON THE DAY THE STUDENT RETURNS TO SCHOOL, BUT NO LATER THAN *TWO (2) DAYS*** after his/her return or absence(s) will be recorded as unexcused.

Documented Explanation - The parent/guardian will be required to provide written medical or legal documentation for absences to continue to be excused when:

Grades K-8: After six (6) occurrences where a parent/guardian uses written explanations to explain his/her child’s absences in a school year. **One parent note can excuse no more than THREE (3) consecutive days.**

Grades 9-12: After three (3) occurrences where a parent/guardian uses written explanations to explain his/her child’s absences in a school term/semester. **One parent note can excuse no more than THREE (3) consecutive days.**

EXCUSED ABSENCES

All absences shall be designated as either excused or unexcused. In accordance with Alabama law, a student shall be excused for an absence from school for any one of the following reasons:

1. Personal illness of the student, or
2. Death in the immediate family, or
3. Inclement weather which would be dangerous to the life or health of the student as determined by the principal, or
4. Legal quarantine, subpoena to court, or
5. Emergency conditions as determined by the principal, (limited to 3 per school year) or
6. Prior permission of the principal and consent of the parent or guardian.

UNEXCUSED ABSENCES

ABSENCES, FOR REASONS OTHER THAN THOSE DEFINED ABOVE, SHALL BE CONSIDERED AS UNEXCUSED.

MAKE-UP WORK (EXCUSED ABSENCES)

If a student is absent for any excused reason as defined above, the student shall be allowed to make up all major assignments and other work missed during said absence(s) at a time agreeable to the teacher(s). Teachers shall not be required to reteach lessons, but students shall be given a reasonable opportunity to learn the lessons missed due to excused absences. **AT THE SECONDARY LEVEL, THE STUDENT SHALL BE RESPONSIBLE FOR CONTACTING THE TEACHER(S) TO ARRANGE TO MAKE UP THE WORK. AT THE ELEMENTARY LEVEL, THE PARENT OR GUARDIAN SHALL BE RESPONSIBLE FOR ARRANGING NECESSARY MAKEUP WORK.** Arrangements for make-up work, in all grades, must be made within two (2) calendar days after returning from an excused absence.

MAKE-UP WORK (UNEXCUSED ABSENCES)

Teachers shall not provide make-up work or examinations for students absent for unexcused reasons. Teachers, at their discretion, may require students absent for unexcused reasons to make up homework, classwork, etc., on a non-credit basis in order to help such students maintain academic pace. Teachers shall not assign zeros to students absent for unexcused reasons on an automatic basis; zeros may be assigned to such students only when other students in general receive grades for homework, examinations, recitation, etc.

CHECK-OUT PROCEDURES

Students are allowed to check-out of school through the principal's office by either of these procedures:

- 1) Being signed out by their parent /guardian or designated responsible adult (verified by school documentation).
- 2) Having a note signed by a parent/guardian that can be verified by phone by a school official **BEFORE** a designated time set by each school principal.

All check-ins/check-outs shall be considered unexcused absences from those class periods missed unless written evidence is presented to the principal or his/her designee by the parent or guardian that the check-in/ check-out was for an excused reason.

****PLEASE NOTE: Parent excuses that are used for check-outs will be part of the six (6) parent notes allowed per year for excused absences.**

STUDENT TARDIES

School Tardy - A school tardy, for attendance marking purpose, is defined as a student's arrival in the classroom after the official time set for the beginning of the respective school's regular day. A check in or check out is also labeled as a tardy. **Three (3) or more unexcused tardies will result in the student being entered into the Early Warning Truancy Prevention Program. (See minor offenses.)**

****PLEASE NOTE: Once a student has attained 10 or more unexcused tardies, a warrant may be issued for the parent/guardian according to Alabama Law. Six (6) written parent notes will be allowed per year for tardies.**

Class Tardy - A class tardy, for attendance and marking purposes, is defined as a student's arrival to class after the time set for the beginning of class or after the tardy bell. Class tardies will be handled through school discipline procedures.

TRUANCY

Truancy is the habitual and unlawful absence from school. In accordance with the Code of Alabama, the parent or guardian is responsible for requiring any student under his/her control or charge and is registered for school to attend school. *Alabama Code Section 16-28-1, as amended by Alabama Act No. 2014-245 changed the definition of private and church school to include reference to home programs offering instruction in grades K-12.*

A parent, guardian, or other person having charge of any mandatory school-aged child shall explain in writing the cause of any and every absence of the child on the day following the absence. A failure to furnish such explanation shall be evidence of the child being truant each day he is absent. The child shall also be deemed truant for any absence determined by the principal to be unexcused based upon the State Department of Education's current Alabama Attendance Manual. The latter truancy status shall also include skipping or cutting class. The Interagency Committee on Youth Truancy Task Force recommendations known as the Early Warning Truancy Prevention Program timeline for reporting truancy shall define the truancy status of any student as follows:

1. **FIRST TRUANCY/THIRD UNEXCUSED ABSENCE (WARNING)**
 - a. Parent/guardian shall receive written notice by the school attendance clerk that the student was truant and the date of the truancy.
 - b. Parent/guardian also shall be provided a copy of Alabama's compulsory school attendance laws and advised of the penalties, which can be applied, and the procedures, which shall be followed in the event that other unexcused absences occur.
2. **SECOND TRUANCY/FIFTH UNEXCUSED ABSENCE (CONFERENCE)**
 - a. The parent, guardian or person having control of the child shall (1) attend a conference with the attendance officer and principal and/or (2) participate in the early warning program provided by the juvenile court.
 - b. Attendance at one of these conferences shall be mandatory except where prior arrangements have been made or an emergency exists.
 - c. Failure to appear at the school conference and/or to appear at the early warning program shall result in the filing of a complaint/petition for truancy against the child and/or parent/guardian, if appropriate.
3. **THIRD TRUANCY/ SEVENTH UNEXCUSED ABSENCE (COURT)**

May issue a warrant against the parent/guardian pursuant to Alabama Law (Section 16-28-12 Section A & C)

"The Early Warning Program Meeting will be provided only once per family. If a parent and/or child has attended the meeting and the student or other students in the same family have an occurrence of seven (7) unexcused absences the following school years, their attendance record will be sent before a committee of the Juvenile Court office and the District Attorney's office for review following written notification by the Attendance Supervisor, and on approval, a warrant on parent/guardian may be filed, if appropriate."

EARLY WARNING TRUANCY PREVENTION PROGRAM

The early warning program requires principals to submit a weekly report to the attendance supervisor listing the names and addresses of students who are enrolled in school who have five (5) or more unexcused absences. These students and their parents or guardian will be referred to the early warning truancy prevention program at the school after the third unexcused absence. At the early warning conference, the parents and students will be informed of the laws regarding the compulsory attendance and court procedures for enforcing the laws and consequences for continuous violation of the compulsory attendance law. The Alabama compulsory attendance law requires children ages 6-17, and all those enrolled in public school, regardless of age, to attend school. The law also states parents and guardians having control over school-age children are responsible for the children's regular attendance and proper conduct. These students will also be referred to the early warning program for attendance. Failure to appear at the school conference and/or to appear at the early warning program shall result in the filing of a complaint/petition against the parent under *Code of Alabama (1975), 16-28-12 (c)* (failure to cooperate), or a truancy against the child, whichever is appropriate.

EARLY INTERVENTION ATTENDANCE PROCEDURES

The following procedures will be implemented when your child is not in compliance with the Attendance Policy mandated by the Chilton County Board of Education and the Alabama State Department of Education:

- Step I: School notification

- Step II: Letter from Attendance Officer requesting meeting with parent/guardian and school official and/or Court Personnel

- Step III: Letter of Final Warning from Attendance Officer before filing complaint/petition against parent/guardian for truancy charges.

LOSS OF CREDIT FOR EXCESSIVE ABSENCES

1. When a student in grades 1-8 has accumulated more than 20 absences per year, the principal will evaluate the attendance record and may recommend retention. A student who has 12 unexcused absences may be retained due to excessive absences. If such is the case, the parent/guardian and the attendance officer shall be notified in writing in the event of retention.

2. When a student in grades 9-12 has accumulated more than 10 absences per class per semester, the teacher(s) and principal will evaluate the attendance record and academic achievement and may recommend loss of credit. A student who has 6 unexcused absences out of a total of 11 absences during a semester may be denied academic credit for excessive absences. The decision for loss of credit will be made by the school attendance committee. If such is the case, the parent/guardian and the attendance officer shall be notified in writing in the event of loss of credit.

3. A student who has been retained or lost credit because of noncompliance with attendance policies and had a passing grade shall receive a one (1) on the report card and all other records for that semester or that year. This loss of grades will be made up in the same manner other failures and retentions are made up.

SATURDAY SCHOOL & CREDIT RECOVERY

Saturday School and/or Credit Recovery may be offered with board approval for loss of credit.

Saturday School - 4 hours per Saturday, 1 Saturday = 2 absences.

Students must arrive on time and not dismiss early to receive credit

Credit Recovery – A program in which a student may recover credits in one or more failed courses, in compliance with regulations promulgated by the State Department of Education. The curriculum will align with the student content standards in which the student seeking credit recovery is deficient. The student must have already taken the course and made between a 40-59 average to be eligible.

Grade Recovery – Students must not have received a failing credit and it must NOT have been recorded on the transcript. There is no minimum/maximum grade for a student to earn through participation. May be available for students with grades earned in grading periods from which credit is not yet awarded. This is an approach to allow students to recover unfinished learning in coursework that is still in progress.

DUE PROCESS PROCEDURES

1. The parent, guardian, or student may request a hearing with the principal in writing, signed and dated, within five days from the date of the notification of the loss of credit or retention.
2. The failure of the parent, guardian, or student to request a hearing shall be sufficient evidence to sustain the loss of credit or retention.
3. The decision of the principal at the local school to deny credit or to retain a student may be appealed to the superintendent in writing within five days after the hearing at the local school has taken place.

AUTOMOBILE / MOTORIZED VEHICLE USE

All students operating motorized vehicles on school premises shall do so in accordance with Alabama traffic laws and such rules and regulations that may be formulated by local school officials. The privilege to operate a private vehicle on school property will be revoked if rules are violated. **SPEED LIMIT ON SCHOOL CAMPUS IS 5 MPH.** No vehicle shall have offensive, obscene or suggestive language with a hidden message or picture, tobacco, alcoholic or drug advertisement.

Students should exit vehicle upon arrival. No student may return to a vehicle during the school day without prior permission from the office. Students are required to present evidence of an Alabama driver's license and general liability insurance before they are authorized to bring a vehicle on school premises. **Students must have a parking permit on file in the school office.** Doors on vehicles must be locked at all times when not occupied. The School Board, local school, and school officials will not be responsible for damages to privately owned vehicles.

CONDUCT / DISCIPLINE

The Chilton County Board of Education believes that instruction can only occur in an environment that is conducive to learning. Quality instruction requires orderly procedures and discipline. This can only be accomplished in schools where the environment is free from distraction caused by disruptive behavior. Teachers shall manage student behavior in the class prior to the referral to the administration. Creating such an environment requires the cooperation of the parent/guardian, students, Board of Education, and all employees of the school system. It is important that each person connected with the school understands the importance of

a consistent set of behavior standards in order that a positive environment can be established and maintained. Surveillance cameras may be used in school or on buses at any time to ensure safety.

As students' progress in the system, it is reasonable to assume that an increase in age and maturity will result in the students assuming greater responsibility for their actions. It is recognized that differences in age and maturity require different types of disciplinary action.

***HOWEVER, ALL STUDENTS IN GRADES K-12 ARE SUBJECT TO THE FOLLOWING CODE OF CONDUCT AT SCHOOL, ON SCHOOL GROUNDS, ON SCHOOL BUSES AND/OR AT ANY SCHOOL SPONSORED EVENT, BEFORE, DURING AND AFTER REGULAR SCHOOL HOURS.**

TERMS RELATING TO FORMAL DISCIPLINARY ACTION:

CORPORAL OR PHYSICAL PUNISHMENT:

The Board of Education permits reasonable corporal punishment. Corporal punishment may be administered only as a disciplinary measure, with due regard for the age and physical condition of the student, and without excessive force. Except for those acts of conduct, which are extremely antisocial or disruptive, corporal punishment should never be used as a first line of punishment. Also, subject to this exception, it should never be used unless the student is informed beforehand that specific misbehavior could occasion its use. Such punishment shall be administered only by the principal, or certified teacher of the school. Corporal punishment is to be administered in the presence of another teacher or administrator. If a parent does not want their student to receive corporal punishment, the parent must provide a written statement to the school administrator at the beginning of each school year. *Authority: Alabama Code 16-28-A-2, 1975.*

P.A.S.S. ACADEMY (Pathways to Achievement for Student Success) *formerly known as the Alternative School*

When a student violates a policy that results in a long-term placement at the PASS Academy, the student may receive 3 days out of school suspension prior to the placement at the PASS Academy. Once placement at the PASS Academy has been agreed upon by the parent/guardian of the student, an appeal is no longer an option. PASS Academy is an environment which will provide self-discipline, as well as promote self-esteem and academic awareness to a select group of students. It will assist in modifying social skills and behavior that will allow students to attain success when returning to a traditional academic setting.

SUSPENSION

Suspension is the temporary removal of an individual from school for violation of school policies, rules, or regulations or for interfering with the orderly operation of the schools. The following apply to suspension: (1) Days absent from school because of suspension are not excused **AND CREDIT FOR WORK MISSED IS NOT PERMITTED**. However, students are encouraged to keep up with their assignments during suspensions. 2) Only the principal or assistant principal has the authority to suspend a student. 3) Any single suspension shall not exceed ten school days. 4) A student being suspended will be issued a Chilton County Notice of Suspension Form. A copy of the disciplinary action form will be sent to the custodial parent. 5) The custodial parent/guardian will be given the opportunity and/or be required to confer with the principal or assistant principal before the student is readmitted to school. 6) **A STUDENT MAY NOT PARTICIPATE IN ANY SCHOOL ACTIVITY NOR BE ON ANY SCHOOL PROPERTY (IN COUNTY AND OUT OF COUNTY) UNTIL THE STUDENT RESUMES REGULARLY SCHEDULED CLASSES.**

7) Suspension of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (IDEA) and its implementing regulations. 8) **MULTIPLE OUT OF SCHOOL SUSPENSIONS MAY BE REPORTED BY THE PRINCIPAL TO THE SUPERINTENDENT AND TO THE DISTRICT ATTORNEY'S OFFICE FOR REVIEW AND MAY RESULT IN THE ISSUING OF A WARRANT AGAINST THE PARENT /GUARDIAN IN ACCORDANCE WITH SECTION 16-28-12 OF THE CODE OF**

EXPULSION

Expulsion is the denial of school attendance in the Chilton County School System by the Board of Education and is for a period stated at the time a student is expelled. If a student is suspended and recommended for expulsion by the student's local school principal, the principal shall give written notice to both the student and the student's parent or legal guardian of the action taken, the recommendation for expulsion, and the cause or causes for both the action and the recommendation. The principal shall simultaneously furnish a copy of the notice to the Superintendent. On receipt of that written notice, the Superintendent shall schedule a hearing on the principal's recommendation for expulsion, to be held within five (5) school days. This hearing shall be an administrative hearing.

The administrative hearing will be held before the Superintendent, and both the school administration and the student will have an opportunity to be heard. If the administrative hearing results in an endorsement of the principal's recommendation to expel, the Superintendent shall make the recommendation in writing to the Board. The Superintendent shall also give the student and the student's parent or guardian written notice of the time and date of a Board hearing to afford the student a due process hearing on that recommendation. That notice shall include a written statement of the charges and shall advise the student of his or her opportunity to present a defense and to be represented by counsel at the hearing. Upon completion of the hearing, the Superintendent shall notify the student and the student's parent or guardian of the action taken by the Board. The Board has the authority to expel a student from school if an offense is serious enough to warrant such action. Such offenses may include: 1) at least four suspensions during any one school year, 2) offenses listed under "Intermediate" or "Major" offenses that in the judgment of the principal or assistant principal are serious enough to warrant such action, 3) a history of chronic misbehavior, 4) other acts of misbehavior, consequences of which could be a serious threat to student, staff, or property. (A copy of all charges will be given to the parent/parents when they are notified of the expulsion hearing.)

The Chilton County School System will not accept students who have been expelled or suspended from another school system. This provision shall not, however, apply to students whose custodial parent or guardian moves their residence from another school system into the Chilton County School System. Such cases shall be considered by the proper Chilton County School System authorities on an individual basis, considering the facts and legal applications of each.

Cellular Phone Procedures
ELECTRONICS POLICY/CELL PHONE USE

Cell phones/electronic devices may serve as an outstanding instructional tool and learning resource if used appropriately. We encourage our staff members and our students to use electronics and other 21st century devices to supplement instruction and learning. In order to preserve the teaching and learning environment, this document is to clarify the cell phone/electronic devices policy for all of our Chilton County Schools:

1. Cell phones/electronic devices may only be used for educational purposes in the classroom setting. If students wish to use their device for non-educational purposes, they may do so before the morning bell rings and after school...Monday through Friday.

DRESS CODE

The Chilton County Board of Education recognizes the importance of the personal rights and privileges of each individual student in the school system. However, the Board equally recognizes that individual rights stop where the rights of the group/school begin and no student has the right to dress or appear in such a manner that becomes disruptive of the teaching/learning process. The Board strongly believes it is the responsibility of students and parents/guardians to use reason, good judgment, and common decency in the choice of dress and physical grooming in the school situation.

The Board believes the following are essential for a **minimum guide** to the orderly operation of the school on the basis of health, sanitation, safety, and to prevent disruptive appearances at school.

5. Shirts and blouses must be buttoned, zipped, or closed in such a manner as to cover cleavage and undergarments.
6. Skirts, shorts, and dresses must be mid-thigh or longer in the front and back. No slits or leg openings may be above mid-thigh. Leggings should be worn with the appropriate outer garment (i.e. shorts, dresses, or skirt of proper length)
7. No spandex-type outer garments, pajama-type garments, see-through articles of clothing, yoga pants, or jeans with holes above mid-thigh.
8. Pants and skirts must be worn at the natural waistline.

EMERGENCIES

SCHOOL NOTIFICATIONS

Parents/Guardians: Each school year, you receive a series of phone notifications from your child's school or from the school system. These messages are used to inform you of upcoming events, meetings, attendance, lunch balances or weather emergencies. In 2015, the Federal Communications Commission (FCC) updated its rules to prohibit calls made using automatic telephone dialing equipment or a prerecorded message to any telephone number assigned to a cell phone or any service for which the

called party is charged for the call without prior consent, unless the call is for emergency purposes as defined by the Telephone Consumer Protection Act. *

Therefore, parents/guardians who wish to "opt-out" of receiving calls from Chilton County Schools must notify the school in writing. If you "opt-out" you will not receive important information. If you wish to receive notifications, no action is required. However, if your contact information changes during the school year, contact the school office to update your information.

If a tornado watch is in effect at the end of the regular school day, buses will transport as usual. In the event a tornado **warning** is issued, the principal/designee will take action immediately following the county's plan. Under a tornado warning, students will not be released via regular transportation plans (car, buses, etc.) provided the warning is in effect at the time set for conducting normal school day activities, EXCEPT that students may be released during a tornado warning to student's parent/ guardian, provided said parent/guardian or person authorized on school documentation comes to the school to assume custody for his/her child.

Academic Rule Requirements

- a) Students entering the 10th, 11th, and 12th grades must have passed during the last two semesters in attendance and summer school or credit recovery, if applicable, at least six new Carnegie units with a minimum composite numerical average of 70 in those six units.
 - 1) Four core curriculum courses must be included in those units passed and averaged. (English, mathematics, science and social studies are core curriculum courses.)
 - 2) Any student that accumulates more than four units of core courses per year may earn less than the required four core courses during the next school year and be eligible as long as the student remains on track for graduation with his/her class.
- b) Students entering the 8th and 9th grades must have passed during the last two semesters in attendance and summer school, if applicable, at least five new subjects with a minimum composite numerical average of 70 in those five subjects.
- c) Students entering the 7th grade for the first time are eligible.

Note: A new unit is one that has not been previously passed. A semester is half of a school year as defined by the local school system.

Guidelines:

1. Eligibility will be determined before the start of each new school year. A student that is academically eligible at the beginning of the school year remains eligible for the remainder of that school year so far as grades are concerned.
2. Students declared ineligible at the beginning of a school year may regain their eligibility at the end of the first term by meeting the academic requirements listed above during their last two terms in attendance and summer school, if applicable. The restored eligibility of any student must be determined no later than the fifth day of the second term.
3. Only one unit (or subject) of physical education per year may be counted.
4. A maximum of two units (or subjects) earned in an approved summer school may be counted. If a unit (or subject) is repeated in summer school, the higher numerical grade for that unit (or subject) may be used to compute the composite grade average.

5. An accredited correspondence course may be accepted by a school system but must be completed before the school year starts.
6. For eligibility purposes, no special recitation, extra work, make-up work, test, review, etc., may be given for the purpose of making a student eligible.
7. To be eligible, all students (including repeaters and hold-backs) must be enrolled in a specific number of new units at the school they represent.
 - a. Ninth, 10th and 11th graders must be carrying at least six new units.
 - b. Seniors, who are on track for graduation with more than the required number of units earned, must be carrying at least four new units for the school year.
 - c. Seventh and 8th graders must be carrying at least five new subjects.
8. The eligibility of a student, who has attended another school during the preceding year, must be established by a transcript from that school before the student is permitted to participate at the new school.

Insurance: All participants must have school insurance or give the school a signed release by parents.

Hair Code: Students should conform to the length and style of hair desired by coaches and administration.

Jewelry: Jewelry is not allowed to be worn by athletes or cheerleaders while representing a school in competition

Twirling: Fire Batons, Swords or other sharp/dangerous objects are not permitted.

Travel: ** Principal/designee will be responsible for providing safe travel to and from athletic events. Transportation to and from athletic events must be on a school bus unless by child's parent.

FIELD TRIPS/SCHOOL EVENTS

Students making a trip under the sponsorship of the local school are required to have a form signed by their parents giving them permission to take the trip and releasing the school from any liability for any accident or injury. Students not presenting a signed form will not be allowed to make the trip. The form of transportation must be approved by the principal and/or assistant principal. Field trips will be limited to two (2). Any out-of-state field trip must be approved by the Chilton County Board of Education. Students may be denied field trip privileges because of repetitive misbehavior or bus incidents. "Individual rights stop where the rights of the group/school begins."

Dual Enrollment/Dual Credit

These courses are offered as dual enrollment/dual credit for core high school courses. Students successfully completing the following courses will be awarded high school credit and may satisfy graduation requirements. Contact your school counselor for the Dual Enrollment-High School Graduation Requirement Equivalency List.

ACCESS Virtual Learning

A number of courses offered in an online format from the Alabama State Department of Education via ACCESS Virtual Learning. Please contact your counselor to discuss course listing and availability.

Successful online students possess identifiable qualities. The most important qualities would include self-discipline and self-motivation. Initially, the online learning process may appear to operate at an accelerated pace. This will require commitment on part of the student to stay up with the class and complete all work on time. Once a student gets behind, it is very difficult to catch up.

Advanced Placement Program Guidelines

The Advanced Placement Program is an academic program of college-level courses and examinations for high school students. Students enrolled in AP courses take the College Board AP Exam and have an opportunity to earn college credit and/or advanced standing in college based on their scores on the AP exam. All students enrolled in Advanced Placement courses are required to take the AP Exam or complete an art portfolio for AP art only.

The curriculum of an AP course is challenging and goes into greater depth with the academic material than regular courses. AP courses require students to use analytical thinking, reading, writing, and problem solving skills. AP courses are taught using college level materials and teaching strategies.

Students must meet the following criteria to enroll in AP courses:

- The student must complete all prerequisite courses.
- The student must meet all application requirements.
- The student must have the recommendation of the subject area teacher of the course.
- The student should have an above-average GPA with “B’s” or better in core academic subjects and “A/B” in the area of the AP subject.
- The student should be highly motivated with good study habits and above-average writing skills.
- The student must have the consent of the parent/guardian.
- The student must take the AP exam at the end of the year.
- The student is required to sign a contract.

Advanced Placement Program --- Program Agreement

The AP courses scheduled depend upon the demand at participating high schools. If a student is interested in an AP course not offered, the student needs to contact his/her local high school counselor. Honors courses are offered at each high school to provide students with the academic skills and habits of mind needed to be successful in challenging Advanced Placement courses.

The Advanced Placement Program is an academic program of college-level courses and examinations for high school students. Students enrolled in AP courses take the College Board AP Exam and have an opportunity to earn college credit and/or advanced standing in college based on their scores on the AP Exam.

The curriculum of an AP course is challenging and goes into greater depth with the academic material than regular courses. AP courses require students to use analytical thinking, reading, writing, and problem solving skills. AP courses are taught using college level materials and teaching strategies.

These demanding classes require more effort, time and skills than Honors or Regular level classes and are recommended for highly motivated students.

We are delighted that you are considering enrolling in an AP class. However, we want all parents and students to completely understand the rigor of the class and the commitment required by the student. For this reason, we require that the student and his/her parent(s)/ guardian(s) read and sign this agreement. Unlike most high school curriculums that are separated by semesters, learning AP course material is an ongoing process culminating in the AP Exam.

***Students who sign this agreement are committing to remain in an AP class for the entire year (or semester for AP Economics or Government) and commit to take the AP Exam.**

Requirements

For many AP classes, AP students will be expected to complete required summer reading or review before the course begins.

Students must meet prerequisite requirements to register for an AP class, including but not limited to: a) student application, b) recommended score on PSAT/PLAN, c) above average GPA, with B's or better in core academic subjects and A/B in the area of the AP subject, d) teacher and guidance counselor recommendation, e) AP teacher's approval.

Grading

For students enrolled in an AP course, the GPA is weighted:

- A = 5 points
- B = 4 points
- C = 3 points
- D = 2 points
- F = 0 points

The grading policies for each AP course are given to the students the first week of school.

Homework

The daily homework will be required. Students are often assigned reading or long-term projects that require them to plan their time so that they are not overwhelmed by deadlines. Developing self-discipline in the area of time management is a goal of all AP classes.

Late Work

Students who elect to take AP courses are expected to do the work required on time; there should be no late work for AP courses.

Honor Code

The nature of AP work often requires that students complete graded assignments outside of class. Students are expected to complete their own work (assignments and homework included) without the assistance of others unless the instructor specifically allows collaboration. Sharing work with another student or using another student's work as his/her own may result in removal from that AP course. Violation of the school Honor Code may also be grounds for removal from any AP course as well as disciplinary action.

Parent/Teacher/Student Expectations

AP classes are college-level courses and the students are expected to be responsible for their behavior, assignments and any conflict resolution. Parents are welcome to conference with AP teachers, but students are expected to use this opportunity to develop the independence needed in the college setting they will shortly experience. The goal of all AP classes is to give students the opportunity to develop the academic and personal skills needed for success in high school and college.

Parents need to encourage their children to plan their schedules wisely so that they do not take an overload of AP courses during any one year.

Absences

AP students will often be involved in academic and extra-curricular field trips and school business activities. However, too many absences of any type are detrimental to successful performance in AP classes where the pace of the class is faster in order to prepare students for the AP Exams in early May. Parents and students are asked to be selective in their requests for absences and should consider the following:

- Any classwork missed must be made up to the teacher's specifications and timeline;
- Field trips and school business activities can be separated into those required by the curriculum and non-essential activities;
- Students must take responsibility for their choices;
- Parents should encourage their children to be balanced in their activities and academics and not become overly committed.

Exam Policy for Advanced Placement Courses

- Students are required to take the AP Exam/ or complete the AP Portfolio in May for each AP course for which they are enrolled or completed in the first semester
- The College Board's AP Exam schedule will be made available at the beginning of the school year by the teacher. It is the student's responsibility to plan his/her schedule to avoid conflicts.
- Consequences for failure to take an AP Exam:
 - If the student does not take the College Board AP Exam in May, the student will not receive weighted credit for the AP course and the student still needs to take a final exam for the

course. If the student does not take a final exam, the student will receive a test grade of "F" to be averaged into the last nine weeks course grade.

- In the rare instance that the student's reason for not taking the AP Exam is allowed by the College Board, the student may take an alternate AP exam for AP credit. The exam must be ordered the same week as the original exam and administered on the specific dates and times set by the College Board for late testing.

STUDENT ACCESS TO NETWORKED INFORMATION RESOURCES

Students are responsible for good behavior when using school computer networks since communications on the network are often public in nature. General school rules for behavior and communications apply to using devices issued by the school or student-owned devices. Each school has an Internet Safety Policy and all teachers educate students on online safety.

The network is provided for the students to conduct research and communicate with others; however, access to network services, i.e. Internet, will be provided to only those students who agree to act in a considerate and responsible manner. Independent students use of telecommunications and electronic information resources will

be permitted upon submission of parental permission/agreement forms (See IFBGC-F1) signed by students and their parents/guardian, **PARENTAL PERMISSION IS REQUIRED**. Access to the Internet via School System computers is a privilege, not a right, and entails responsibility. Students issued devices will follow the Chilton County Schools Digital Device Acceptable Use Agreement. Parent/Guardian is responsible for lost or damaged technology devices issued to his/her child. Failure to pay the School System for a lost or damaged device will result in non-issuance of other technology devices to the individual student. In order to protect the educational interest of students, lost or damaged devices must be paid for within five (5) school days or a later date based on the discretion of the principal.

Their decision will be final. Users must also be aware that any illegal action carried out over the Internet will be reported to law enforcement officials for possible prosecution. Please be advised, it is a federal offense (felony) to break into any security system. Financial and legal consequences of such actions are the responsibility of the user (staff, volunteer, and student) and student's parent or guardian.

PRIVACY:

1. To maintain network integrity and to insure that the network is being used responsibly, local school and School System Technology Coordinators reserve the right to review files and network communications.
2. Users should not expect files stored on the School System network would always be private.

DATA BACKUP

User files and folders are not backed up individually, and the IT staff cannot accommodate requests to restore these files or folders. While in some cases it may be possible to recover from the accidental deletion of files by a user, this is generally not feasible, and therefore each user is responsible for backing up individual files as appropriate.

APPROPRIATE USE

When using e-mail as an official means of communication, students, faculty and staff should apply the same professionalism, discretion, and standards that they would use in written business communication. Furthermore, students, faculty and staff should not communicate anything via e-mail that would not be prepared to say publicly. Students, faculty and staff may not disclose school system information in e-mail that they are privileged to access because of their position.

USER RESPONSIBILITY

Faculty, staff, and students are expected to read e-mail on a regular basis and manage their accounts appropriately. An e-mail message regarding school matters sent from an administrative office, faculty, or staff member is considered to be an official notice. Faculty, staff, or students should not use another e-mail system on the system's Network.

Sharing of passwords is strictly prohibited. Each individual is responsible for his/her account, including the safeguarding of access to the account. All email originating from an account is deemed to be authored by the account owner, and it is the responsibility of that owner to ensure compliance with these guidelines

SPAM & VIRUS

Due to the complex nature of e-mail, it is impossible to guarantee protection against all spam and virus infected messages. It is therefore incumbent on each individual to use proper care and consideration to prevent the spread of viruses. In many cases viruses appear to be sent from a friend or coworker, therefore attachments should only be opened when the user is sure of the nature of the message. Do not forward the message.

PROCEDURES FOR ADMINISTERING MEDICATIONS TO STUDENTS

Many students require medication during school hours. The school’s goal in administering medication is to assist students in maintaining an optimal state of wellness, thus enhancing the education experience. The procedures below shall govern the administration of medications to students while at school.

- A. With the exception of emergency medications such as asthma inhalers, emergency epinephrine, and diabetes medications students are prohibited from carrying prescription and non-prescription drugs on their person while at school. Medications will be stored in the school office under lock and key.
- B. A School Medication Prescriber/Parent Authorization form must be completed by a parent/legal guardian before any medication will be given. Any special instructions should be included. A prescription medicine requires the signature of a physician in addition to a parent/legal guardian signature before it will be given at school. For prescription medications, a pharmacy-labeled container is required which includes the student’s name, prescriber’s name, name of medication, strength, dosage, time interval, route and date of drug’s discontinuation when applicable. The instructions on the bottle must match that on the permission form unless written changes from the physician are received. Non-prescription medications must be age-appropriate and in the original, unopened, sealed container with the entire manufacturer’s label intact. The parent/legal guardian must indicate under which specific conditions/complaints a non-prescription medication should be given. Please do not send medication in plastic bags or unlabeled containers, as we are not allowed to accept it.

- C. Medications (prescription and non-prescription) will not be allowed on the bus. Parents/legal guardians must deliver medications directly to the school office. Failure to do so will result in disciplinary action.
- D. For a student to possess and self-administer a medication (as indicated in letter A above), the School Medication Prescriber/Parent Authorization must include the physician's instruction to allow the medication to be kept "on person" and must be authorized by the Parent/Guardian.
- E. Parents/Guardians are responsible for picking up any remaining medications at the end of the school term or when a medicine has been discontinued. The school nurse will dispose of any medications left at the end of the school term.
- F. **Only trained personnel may administer medication at school.**

The Policy for Competitive Food Sales in School in the State of Alabama:

No food other than that provided by the Child Nutrition Program shall be available to students **during meal service times**. The rationale for this directive is to encourage healthy eating habits for our youth and ensure that the foods provided to our students are handled in accordance with the Alabama State Department of Health food safety regulations.

11. *May I apply if someone in my household is not a U.S. citizen?* Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.

12. *What if my income is not always the same?* List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. **Please be careful when leaving income fields blank**, as we will assume you meant to do so.

14. *We are in the military. Do we REPORT OUR INCOME DIFFERENTLY?* Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

15. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application. Contact **Chilton County Board of Education 1705 Lay Dam Road Clanton, AL. 35045 (205)-280-3000** to receive a second application.

16. *My family needs more help. Are there other programs we might apply for?* To find out how to apply for **Alabama SNAP** or other assistance benefits, contact your local assistance office or call **(334) 242-1310**. If you have other questions or need help, call **205-280-3000**.
