

# NAUTILUS WAVES

## From Our Principal:

February seems to have come and gone in a blink of an eye. March is a time for transformation as we continue to help our students strive to do their best in academics and behavior. I appreciate all your efforts at home to ensure this carries over into their school day, as it impacts their academic standing. We have seen much growth in our students and look forward to showing off our best work for the state testing, which begins the week of March 27<sup>th</sup>. Testing will continue through April, and your student must be at school on their testing days. Teachers will be communicating the testing days.

Reminder please take a few minutes to provide us with feedback about our school and our family involvement? We appreciate you taking the time to give us feedback and help us improve. Thank you! <https://www.surveymonkey.com/r/LHUSDFM23>

STEM.....Wed., 2<sup>nd</sup> & 4<sup>th</sup> Wed  
Stu Council...Wed.  
Tutoring.....Mon. & Tues  
Yearbook.....Thurs., 2<sup>nd</sup>&4<sup>th</sup> mth

Attendance Matters: We are excited to announce that 112 students were at school every day and on time for the month of February. All those students will receive a free ticket to a Diamonds Back baseball game. Attendance is essential for educational and future success. When students are absent, late, or leave early, their academic success is at risk, so thank you, parents, for working hard to get your students to school.
