

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

Protection of Pupil Rights Amendment (PPRA) The Protection of Pupil Rights Amendment (PPRA) 20 U.S.C. § 1232h, requires the Fannin County School District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

1. Political affiliations or beliefs of the student or the student's parents
2. Mental or psychological problems potentially embarrassing to the student and his/her family
3. Sex behavior and attitudes
4. Illegal, anti-social, self-incriminating and demeaning behavior
5. Critical appraisals of other individuals with whom respondents have close family relationships
6. Legally recognized privileged relationships, such as those of lawyers, physicians, or ministers
7. Religious practices, affiliations, or beliefs of the student or student's parents
8. Income, other than as required by law to determine eligibility for participation in a program or for receiving financial assistance under such program

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. Following is a schedule of activities requiring parental notice and consent or opt-out for the upcoming school year. This list is not exhaustive, and for surveys and activities scheduled after the school year starts, the Fannin County School District will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities and be provided an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under State law.)

If you wish to review any survey instrument or instructional material used in connection with any protected information or marketing survey, please submit a request to your child's principal. He or she will notify you of the time and place where you may review these materials. You have the right to review a survey and /or instructional materials before the survey or instruction is administered to a student.

Planned Annual Surveys:

Georgia Student Health 2.0 Survey Consent: The Georgia Student Health Survey is administered between October and March each school year. If you do not wish for your child to participate in this survey, please send a letter stating that you do not want your student to participate with your signature and phone number by September 30th of each school year.
