ALMA MATER

Come all you loyal schoolmates now.
In hall and campus through, Let voices ring with faith anew.
For Alma Mater with her colors gold and blue
We ask no other emblem or no other sign to view.

Alma Mater, thy loved blue is our dear Mother's own.
Oh, may she keep thy children true to her and her dear Son,
The halls wherein we learn of Him who rested on thy knee,
Will ever be to each of us a cherished memory.

When sunshine fortifies our way
When sorrow hovers near,
We'll keep in mind thy counsels clear;
To guide in danger and in trial and loss to cheer,
Beneath the banner of our Queen we'll ever persevere.

Alma Mater, thy loved blue is our dear Mother's own,
Oh, may she keep thy children true to her and her dear Son,
The sparkling fountains, towering walls, the shady pathways near
Will ever be to each of us our Alma Mater dear.

HISTORY OF ST. MARY'S ACADEMY

On January 6, 1889, five Sisters from St. Louis and one from Tucson arrived in Los Angeles to open a school in St. Vincent's parish, Los Angeles, which would be a parish school and an Academy. St. Mary's Academy opened the next day at 21st and Grand. It had an enrollment of approximately fifty students. A few high school girls were admitted early in St. Mary's Academy's history, and on June 28, 1892, two young women were the first to graduate from the high school. As the city grew, facilities were added to accommodate an increased student body. By 1903, the original St. Mary's Academy was comprised of four buildings, which were used for a girl's high school and grammar school, music and art conservatory, the administrative center for the western province of the Sisters of St. Joseph of Carondelet, and a boy's school which later became St. Vincent's Grammar School.

In 1904, St. Mary's Academy moved to a new site at Slauson and what is now Crenshaw Boulevard. When the original building was completed in 1911, it was situated on twenty acres of land. The property was surrounded by truck farms. It included facilities for the school (room for 200 boarders and day students), the administrative offices, and novitiate of the Sisters of St. Joseph. Excellent educational programs were provided at the high school and grammar school with special provisions for the fine arts. When more room was needed, two other halls were added in 1921 and 1922. College classes were inaugurated in 1925 for the future Mount St. Mary's College. Another building was constructed to house the college. At this time, the high school offered three diplomas: Latin-Scientific, Academic, and Elective. Special Music diplomas were awarded to four-year pianists, organists or harpists. St. Mary's Academy was accredited by the University of California and Mount St. Mary's College. When the college moved to its present site in the Santa Monica Mountains, in 1931, the building vacated by the college was then used by the Academy.

The elementary school was discontinued in 1946, making classroom space available for increasing high school enrollment. In 1957, student boarding was discontinued.

With the future in mind and the desire to provide Catholic education with the best and most modern facilities, St. Mary's Academy again moved in 1966 to its present site in Inglewood. Throughout the years, the aim of the Sisters of St. Joseph of Carondelet and the other dedicated women and men of the faculty and staff has been to provide an excellent education for its students which sets a firm foundation for higher education and encourages responsible Christian living. St. Mary's Academy continues to guide its students toward maturity and service in an ever-changing world. In an effort to uplift their self-concepts, students are encouraged to remember: "SMA Belles are Women of Distinction."

GENERAL SCHOOL POLICIES

NON-DISCRIMINATION POLICY

St. Mary's Academy is mindful of its mission and commitment to single-sex education as an all-girls school to serve young women without distinction and to admit qualified young women regardless of race, color, national, and/or ethnic origin while honoring the rights, privileges, programs, and activities generally accorded or made available to students of the school. St. Mary's Academy does not discriminate on the basis of race, color, national, and/or ethnic origin in the administration of admissions policies, educational policies, tuition assistance programs, and other school-administered programs. Non-Catholic students are welcomed and those who are admitted participate in the religious celebrations and rites of the school community within the guidelines established by the Catholic Church.

FINANCIAL POLICIES/OBLIGATIONS

Tuition and fees paid by families constitute a portion of the actual per pupil expenses, which is \$15,513. The difference between the per pupil cost and the tuition charged is obtained in many ways, primarily through generous donations from foundations, corporations, alumnae, and individuals, from multi-faceted advancement programs, and fund-raising activities.

WHAT IS INCLUDED IN TUITION?

1. Dedicated, qualified, caring faculty and staff who will work in partnership with students and families to provide the best Catholic education in alignment with the mission of St. Mary's Academy.
2. A college-preparatory curriculum featuring Career Path Programs that engage students in specifically designed courses and real-world applications, particularly in Healthcare, Engineering, and the Arts.
3. A variety of co-curricular programs through which life skills, leadership, and a commitment to "serve the dear neighbor" are developed.
4. Textbooks and other learning materials/resources that will support a challenging, engaging, and authentic learning program for all students.
5. Additional support for academic success including access to qualified counselors, faculty and peer tutoring, and a support block focused on math and reading enrichment/remediation, SAT test prep, and college readiness.
6. Socio-emotional support available for all students through the counseling department, including dedicated instructional time structured into the weekly bell schedule.
7. A safe, clean, healthy, and technology-friendly environment that reflects our Catholic traditions, values, culture, and needs.

Payment of Tuition:

Tuition for the current school year shall be paid in full through FACTS Tuition Management (FACTS) by

the due date in accordance with the SMA Tuition agreement contract. Payments at the school can be made by cash, check, cashier's check, money order, Visa, or Mastercard only. Cryptocurrency will not be accepted as a form of payment.

Delinquent Tuition:

1. A late fee will be assessed by the school for all outstanding balances.
2. If three collective attempts to collect payment fail, the student will be placed on tuition suspension and may not attend school or school activities until past due balances have been received and paid only by cash, cashier's check, or money order.
3. Students with a thirty (30)-day past due tuition and/or fee balance will be automatically placed on tuition suspension each quarter until their account is current or a payment arrangement is made.
4. Students with a thirty (30)-day past due tuition and/or fee balance at the end of each semester will have all grades marked with an "I" (incomplete) on the student's report card and official transcript. Students will be allowed to take final exams only if accounts are current. Grades of incomplete will automatically revert to grades of "F" if the student does not take their final exam prior to the start of the new school year.
5. Students with outstanding balances may not be able to:
 - a. Receive diplomas.
 - b. Re-register the following school year.
6. Students with outstanding balances may not be able to participate in activities including but not limited to:
 - a. Athletic team participation, dances, Grad Night, Prom, Graduation, etc.
 - b. Any monies paid for these activities will be applied toward the student's outstanding balance.
7. Students may lose financial awards if accounts become delinquent.
8. At the school's discretion, further sanctions may be taken as follows:
 - a. Use of a collection agency.
 - b. File a claim in court.

Refunds:

1. Prepaid tuition will only be refunded in full if written notice of withdrawal is received by the school at least ten (10) days before the first day of classes for the current school year are scheduled to start. The registration fee is non-refundable.
2. Once the current school year begins, tuition refunds are made on a quarterly basis. Should a student attend school during any portion of a quarter (one day or more), the full tuition amount for that quarter is owed and no portion of that quarter's tuition will be refunded. Parents/guardians will also be assessed a prorated parent/guardian involvement hour fee for any uncompleted hours through the end of the month in which the student is withdrawn.
3. If a student is dismissed from school at any time during the school year, the undersigned remains responsible for the student's tuition, which will be prorated through the end of the month in which the student is asked to leave or dismissed.

4. If a student pays a fee to participate in or attend a co-curricular activity or event and then is unable to attend, no refund of the fee will be made. Athletic Spirit-Pack fees are non-refundable as they purchase durable goods that belong to each student. All Senior fees are non-refundable.

General Terms and Conditions:

1. The term and conditions of the school's enrollment attendance policies, and all other policies which may be provided to the student are hereby incorporated into this agreement.
2. It is further understood, that the student and student's parents/guardians, will abide by the policies and guidelines as documented in the Student/Family Handbook.

Returned checks/ ACH Fee:

1. A \$35.00 fee will be assessed by the school for each payment returned due to non-sufficient funds. A \$30.00 fee is assessed by FACTS for each payment returned due to non-sufficient funds.
2. If two checks are returned for non-sufficient funds, the school will no longer accept personal checks and you will be required to pay with cash, money order, Visa, Mastercard, cashier's check, or through FACTS.

Late Fees:

1. A \$30.00 late fee will be assessed by FACTS for any payment that is past due.
2. The school will not reserve a place for your student(s) for the current school year until the Tuition Agreement and all enrollment forms are completed online through SchoolAdmin, registration fee is paid, and a tuition agreement has been created in FACTS for quarterly or monthly tuition payments. You are responsible for all tuition and fees owed for the current and/or prior school years per your Tuition Agreement.

SCHOLARSHIP AND FINANCIAL AID PROGRAM

The purpose of the St. Mary's Academy (SMA) Scholarship & Financial Aid Program is to provide families with financial support in order to support the academic and moral success of their daughters. The program is a collaborative endeavor where motivated students work diligently to be successful and donors invest in the student's future. SMA is most grateful to our donors who are committed to SMA and view their contributions as investments in the academic achievements and future success of our students.

In the Scholarship & Financial Aid Program, "Scholarship" refers to funds granted based on merit, for example: recognition in a specific area (math, science, arts, journalism, etc.), overall academic achievement, attainment of a certain GPA, pursuit of certain career paths, qualifications based on donor designations, and other kinds of merit programs. "Financial Aid" refers to funds granted based on financial need and other donor restricted/unrestricted designations. In many cases, students receive both Scholarship and Financial Aid.

All SMA Scholarship & Financial Aid funds come from outside donor sources. The allocated amount in the award letter from SMA includes all funding that the student will receive for the entire 2021-2022 school year, including awards from the Catholic Education Foundation (CEF) or any other donor. Before

the school year, SMA works with its donor-partners to coordinate Scholarship & Financial Aid awards. The total amount granted from all donors for the year is reported to each student in their award letter.

Please note that specific donors may give notification of their award later in the school year, but this does not change the total award amount for the student because it will have already been included in the original award letter. Specific donors send award notifications at different times during the school year (i.e., before the first semester, at the beginning of the first or second semester, or late in the school year). The Scholarship & Financial Aid amount in a student's award letter is the total amount granted for the entire year regardless of the timing of specific donor notifications.

STUDENT ELIGIBILITY REQUIREMENTS - All students are encouraged to apply for the Scholarship & Financial Aid Program by submitting completed Scholarship and Financial Aid Forms through FACTS Grant & Aid and with CEF in November of each school year for funding for the next academic school year. **Scholarship & Financial Aid awards are not automatically renewed from year to year.** New application forms must be filled out annually. Even in the event of a renewable Scholarship award, families are asked to accept their Scholarship every year by submitting a completed Scholarship Form. Students who receive Scholarship & Financial Aid awards must adhere to written donor acknowledgment requirements and maintain the following:

1. Satisfactory Academic Standing with a GPA of 2.0 or above; and
2. Satisfactory Disciplinary Standing reflected by good citizenship (i.e., no unsatisfactory citizenship marks or behavioral probation)

PARENT/GUARDIAN INVOLVEMENT HOURS

Purpose: Service hours require parent/guardian involvement and help to build the school community through our families and to decrease the actual cost of educating a student at St. Mary's Academy.

Requirements: Families are required to participate in twenty-five (25) hours of service to the school during each school year. Families who receive financial assistance from the Scholarship & Financial Aid Program are required to participate in an additional ten (10) hours for a total of thirty-five (35) hours. Hours may be served by participating in the authorized activities described below or by donating purchased goods. One (1) hour of service will be given for every \$10.00 worth of purchased goods with proper receipts. Receipts are required for all donations. Hours not participated in by May 1 of each year will be billed to the student's account equivalent to \$10.00 dollars per hour. Any approved parent/guardian involvement hours completed after May 1 may be applied to the following school year. Hours are not transferable, nor may they be carried over to the following school year. If your daughter withdraws from St. Mary's Academy, a prorated parent/guardian involvement hour fee will be charged. Parents/guardians who play a direct supervisory role for students either on or off campus are required to be VIRTUS trained and fingerprinted by the school.

Parental Proxy: Parents/guardians are encouraged to participate in the hours, however, due to work and/or childcare obligations parents/guardians may designate one family member over the age of twenty-one (21) to participate as their proxy. The alternate family member must be registered with the Main Office and be approved for duties by administrative staff prior to participating.

Contact: You may contact the Main Office or Service Hour Coordinator for service opportunities.

Authorized Activities / Events: Participation is only valid through activities and/or events that are authorized by the school and supervised by an Administrator or by a Faculty/ Staff member. Parents/Guardians must notify the supervisory administrator of their request to serve for each event to confirm participation and service availability/details. Participation includes but is not limited to: administrative support, event set-up and clean-up, hospitality, chaperoning, maintenance support (light cleaning), attendance at school-approved events (i.e. liturgies, academic awards, special performances, etc.), or attendance at Parent Association and Grade Level Meetings. Involvement hours will not be given for attending the two (2) mandatory Parent meetings.

Authorized Signatures: Only the following may sign participation hour sheets to verify completed service: Principal, Assistant Principals, Dean of Students, Athletic Director, Main Office, Program Directors, Moderators, or Coaches. Participation hour sheets must include sign in and sign out times.

Parent Association members' authorization signatures will not be considered valid and those hours will not be counted.

RELIGIOUS REQUIREMENTS

All students are required to participate in the theology curriculum and religious activities of the school. Students are graded on academic achievement and not on their religious affiliation, personal belief, or the practice of their faith.

REQUIRED CODE OF CHRISTIAN CONDUCT COVERING STUDENTS AND PARENTS/GUARDIANS

The students' interest in receiving a quality, values-based education can be served if students, parents/guardians, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their children.

It shall be an express condition of enrollment that students and parents/guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies or procedures set forth in the Student/Family Handbook of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about school operation

and its personnel using the appropriate channels at St. Mary's Academy. However, they may not do so in a manner that is discourteous, rumor driven, disruptive, threatening, hostile, or divisive.

3. Any student, parent/guardian, or other person who insults, harasses, or abuses any school personnel at any time and at any place, including via electronic communication or on social media, risks the continuation of their child in the school.
4. These expectations for students and parents/guardians apply to, but are not limited to, all school-sponsored programs and events (i.e., athletics, field trips, after-school activities, etc.).

Under normal circumstances a student is not to be deprived of a Catholic education on grounds relating to the actions/attitudes of parents/guardians. It is recognized, however, that a situation could arise in which the uncooperative or disruptive attitude of parents/guardians as described above might so diminish the effectiveness of the education process that continuation of the student in the school may be impossible.

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

STUDENT SUPERVISION

St. Mary's Academy does not sponsor or approve of unsupervised after-school activities. Although the school tries to provide supervision for all sponsored events, parents/guardians and students should understand that this supervision is limited in scope, and that ultimately the parents/guardians, and not the school, are responsible for ensuring the safety of the student. St. Mary's Academy does not guarantee supervision before and after school hours. The school is released from all liabilities outside of the regular school hours.

At the close of the day, students are dismissed and the school assumes no responsibility for supervision of the student after school, unless she is participating in a school-sponsored event (as that term is defined below). Parents/guardians should understand that upon dismissal the school does not monitor the students' plans or destinations.

With regard to school-sponsored events, each event has a specified start and end time. Although supervision is provided during a school sponsored event, the school assumes no responsibility for the participants either before the designated starting time or after the designated end of the event once the student leaves the supervised event. Parents/guardians and students are responsible for getting the student to the event and for the student's destination after the event is over. The school assumes no responsibility for ensuring that the student leaves the event for any specific destination or at any specific time.

A "School Sponsored Event" or "Event" is one which has been approved by the school and for which the school provides supervision. If a student or parent/guardian has any questions regarding an activity, the Administration should be contacted.

ELECTRONIC DEVICE POLICY

Students are required to have a Chromebook for instructional use in their classes at all times. Unauthorized use of cell phones or other electronic devices during instructional time interrupt the learning process. In order to avoid possible disciplinary actions, the following guidelines are in effect:

1. Use of cell phones is **NOT** permitted during school instructional hours, including liturgies, and assemblies, and must be off and out of sight.
2. Headphones/earbuds (wired or wireless) are **NOT** permitted during school instructional hours, unless permitted by school personnel.
3. However, cell phones and/or electronic devices can be used appropriately during breaks, lunch, or other approved times. The following rules must be observed:
4. Devices should not be left unattended.
5. No music/videos that others can hear.
6. No photos, videos, recordings, pictures that degrade or demean the student's reputation, the reputation of other students/school personnel, or the school's reputation as a whole.

Students who do not follow the above rules may have their cell phones or electronics confiscated. See **Section - Discipline - Confiscated Items Policy** for more details.

Messages in Case of Emergency

Students may not take phone calls or receive and/or respond to text messages during school instructional time. If students need to be contacted should an emergency arise, messages should be sent to the Main Office and only from those individuals listed on the emergency card. Failure to comply will result in disciplinary action.

The school is not responsible for damaged/lost electronic devices.

ELECTRONIC COMMUNICATION POLICY

Internet and Electronic Communications Policy

St. Mary's Academy acknowledges that students often communicate by way of electronic/digital modes of communication or devices, such as through computers, mobile phones, tablets, emails, instant messaging, voicemails, text messages, video messages, social media, blogs, chat rooms, internet postings, Twitter feeds, Instagram, YouTube, TikTok, Snapchat, Discord, websites, and other such platforms. Students must be aware that all types of electronic communications are easily stored, copied, and/or re-transmitted. Students should have no expectation of privacy in any of these types of communications and should recognize that, even if they intend such communications to be private, they can easily and quickly become public at any time.

Students are responsible for all of their electronic communications. Students may be disciplined for engaging in internet or electronic communications that reflect thoughts, actions or attitudes that are in violation of any law or regulation, inconsistent with the values of St. Mary's Academy, or which violate

school policies or rules. Students may also be disciplined for using any St. Mary's Academy electronic communication system in an inappropriate manner, or to transmit or receive any inappropriate electronic communication. Such systems include but are not limited to the St. Mary's Academy network, any computer issued, sold or leased to students for school use, any electronic communications device, or any email, website, blog or other Internet or electronic file system.

Students who receive or view any internet or electronic communication that is inconsistent with the values of St. Mary's Academy, or which violate school policies or rules, are expected to report the communication to the Administration or the Dean of Students.

Examples of improper electronic communications and prohibited use of St. Mary's Academy electronic communication system include but are not limited to:

1. Sending, receiving, or accessing any type of communication that constitutes harassment, bullying or hazing, including any conduct that, in the view of a reasonable person, has the purpose or effect of creating an intimidating or hostile educational, work, or living environment;
2. Sending, receiving, or accessing any type of communication that is inconsistent with the values of St. Mary's Academy, or which violates school policies or rules.
3. Sending, receiving, or accessing any type of communication that would result in violation of any federal, state, or local law or regulation;
4. Using any St. Mary's Academy system to coordinate, plan, or facilitate acts inconsistent with the values of St. Mary's Academy;
5. Use of any marks, logos or symbols associated with St. Mary's Academy without permission of the school or in a manner that brings discredit to or damages the reputation of St. Mary's Academy or persons associated with St. Mary's Academy;
6. Use of copyrighted material without permission.

Electronic Communications for Academic and Co-Curricular Purposes Educational technology services that are available to students after creating an account includes the following:

1. Gmail (applying to colleges, scholarships, and enrichment programs, storing academic files, peer-editing and instructor review assignments, creation of academic website portfolios, etc.)
2. Google Classroom (communication with teachers and other classmates, access to teacher notes, course materials, and academic websites, online quizzes, tests, and polls)
3. PowerSchool (portal via the St. Mary's website that allows students and parents/guardians to view student grades in classes)
4. MobileServe (digital platform used to track student service hours)
5. Remind app (text notification service used to send and receive urgent/immediate school information)

The use of these services is designed for academic instruction and improved communication among students, teachers, parents/guardians, and administrators. While the school will work to monitor the communication, it is the responsibility of the parent/guardian to notify the school of any inappropriate use of these electronic communication services.

SCHOOL SEARCHES

Students' legitimate expectations of privacy in person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student's person and personal effects based on a **reasonable suspicion** that the search will disclose evidence that the student is violating or has violated the law or a school rule.

School officials do not need a warrant or a parent's/guardian's permission to conduct a search of the student and/or the school's or a student's personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a school Administrator conducts a search of a student's person or personal effects, an adult witness will be present.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in her locker from other students.

However, a student may not preclude school officials from conducting a search if the school official has a reasonable suspicion that a law or a school rule has been violated.

A student has a greater expectation of privacy concerning her backpack, purse, clothing and other personal effects. A school official who finds it necessary to conduct a search of a student's backpack, purse, clothing or personal effects including, but not limited to electronic devices (i.e. phone, computer etc.), must have a reasonable suspicion that a law or school rule is being or has been violated. The student's parents/guardians may be notified of any such search if applicable.

An alert from trained and certified detector dogs is sufficient to allow the school official to have reasonable suspicion and to conduct a warrantless search of the student's locker, car or her personal property and effects. In addition to this policy on searches by the school, every student is subject to the school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student. If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student's parents/guardians and/or local law enforcement agent may be called for assistance or referral.

VISITOR POLICY

St. Mary's Academy is a closed campus. All visitors to the campus must first report to the Main Office for a visitor's pass. Students from other schools are allowed on campus only to attend certain activities such as some evening performances, meetings, and games. Any unauthorized person trespassing on the campus is reported to appropriate school personnel. Students' guests at school activities must follow school rules, including the conduct code and dress code. Students who host a visitor not complying with school policy and/or rules will face disciplinary action equivalent to the visitor's noncompliance.

Parents and guardians are welcome to visit the campus during school hours and may enter the school facilities with permission of an Administrator. When visiting campus to speak to school personnel, a

scheduled appointment is necessary.

Students are not permitted to bring siblings or friends to campus during school hours except to athletic events or student activities open to non-SMA students. Students are not permitted to "babysit" children or infants on campus at any time.

Students who are suspended, expelled, or asked to withdraw for disciplinary reasons are not permitted on campus at any time.

Visitor's Passes

All visitors to the SMA campus must have a visitor's pass and must wear the pass at all times while on campus. Students wishing to invite a guest to be on campus must obtain a visitor's pass from the Main Office.

MAIN OFFICE / STUDENT DELIVERY POLICY

The Main Office will not accept deliveries for students or page students for deliveries during instructional time. Such deliveries are disruptive to the educational program and the efficient operation of the Main Office.

Food/Flowers/Balloons

Deliveries from third party services for food items to be shared at non-approved school events or activities, floral bouquets, and balloons may not be delivered to students while on campus (ex. DoorDash, Uber Eats, GrubHub).

PERSONAL PROPERTY/TEXTBOOKS

The school assumes no responsibility for any student's personal belongings including, but not limited to, electronic devices, textbooks, materials, vehicles, clothing, shoes and instruments. The school is not responsible for damaged, stolen, or lost property.

PARENT/STUDENT COMPLAINT REVIEW PROCESS

Circumstances may give rise to conflicts among students, parents/guardians, and school staff. All parties are encouraged to use every available means to resolve these conflicts when they occur.

However, if the involved parties are unable to resolve their conflicts, families may use the Parent/Student Complaint Review Process for additional assistance. Legal representation is not permitted during the Complaint Review Process.

Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form.

At the school level:

1. For academic concerns, contact the teacher directly. For non-academic concerns, contact the immediate personnel in charge (i.e., Dean, Director, Moderator, or Coach).
2. If not resolved, contact Administration.

Following the school level:

3. If the complaint is not resolved at the school, the complaint may be submitted to the Board Members of St. Mary's Academy. Please contact the Main Office for further information.

WITHDRAWAL PROCEDURES

A parent/guardian wishing to withdraw a student from school should notify the school in writing at least twenty-four (24) hours in advance. By providing this information in advance, parents/guardians help facilitate the withdrawal process. A withdrawal packet must be obtained from the Main Office and be completed by the parent and/or guardian. After the completion of the withdrawal forms, there will be an exit interview with the Principal.

Withdrawing students and parents/guardians are required to:

1. Pay any unpaid balance for student tuition and fees
2. Return all textbooks and checked-out materials and equipment
3. Sign a release of student records

PRINCIPAL'S RIGHT TO AMEND

The Principal reserves the right and has the discretion to amend school rules and regulations as appropriate and without advance notice during the school year. Parents/guardians will be notified via the school's website of any such amendments.

The Principal is the final recourse within the school and may waive any regulations in this Handbook if deemed in the best interest of fairness and justice. The Principal is the final interpreter of all regulations and policies in this Handbook.

STUDENT HEALTH AND SAFETY

IMMUNIZATION REQUIREMENTS

California State Law requires immunization against polio, measles, diphtheria-tetanus and a TB test for all students. Beginning in 2011, all students must have the TDAP pertussis vaccination to attend school.

EMERGENCY INFORMATION & PROCEDURES

It is imperative that the school has current emergency contact information for each student. Parents and guardians are responsible for keeping the school aware of any changes. Parents/guardians cooperate by notifying the office of any change of address, phone number, or emergency contact information during the course of the year. Forms for this purpose may be obtained from the Main Office. Students are responsible for communicating any health issues during the school day to an adult immediately.

Faculty, staff, and students are orientated annually regarding disaster procedures and evacuation. Emergency/evacuation drills are practiced at random. In the event of a disaster, St. Mary's Academy will hold all students on or near the campus (depending on the nature of the disaster). Parent(s)/guardian(s) or an adult designated on the emergency card must report to the school in person to take custody of their student. Upon the declaration of an emergency, no student is to leave campus until given specific permission to do so by school officials. Any truancy or misconduct during a school emergency will be considered gross insubordination by the Administration and followed up with severe disciplinary consequences.

FIRST AID

Only minor and very basic first aid may be administered to students. No secondary treatment, such as changing or removing bandages may be administered. Parents/guardians will be contacted immediately if there is any question regarding the seriousness of or complications arising from any injury. A complete and current emergency card is to be available for each student so that if she becomes ill or has an accident, the parent or guardian can be contacted immediately. Parents/guardians must inform the school office regarding any special medical need or needs for medication regarding their student.

MEDICATION POLICY

Prescription Medications - Students are not allowed to take any medication on campus during school hours unless supervised by Main Office staff. Any student taking prescription medication must list it on the emergency card. This includes the use of an inhaler or EpiPen. However, the EpiPen and/or inhaler must remain with the student at all times for her safety. All other prescription medicine must be in its original prescription-labeled bottle and given to the Main Office staff with a parent/guardian note indicating instructions for the administration of the prescribed medication.

COMMUNICABLE DISEASE

A student who has been absent from school because of reported communicable diseases must have a permit (release) issued by the Los Angeles County Department of Public Health, a physician, or nurse before she is admitted to school.

CAMPUS BOUNDARIES

Students are not permitted to leave the campus boundaries while school is in session. The school does not and cannot supervise students after school, off campus at local parks, etc. While we cannot supervise non-official activities that take place off-campus and after school, students are required to uphold and reflect moral Christian values as exemplified at SMA. Students are still held accountable for any misbehavior that may occur (i.e., drinking, fighting, smoking, sex, etc.). If the Administration becomes aware of such behavior, the school reserves the right to take disciplinary action.

TRANSPORTATION

Students driving to school must park on campus in the student parking lot and obtain a parking permit from the Main Office. Proof of current license, registration, and insurance is required. Students are to observe all driving laws and any reckless or careless driving of vehicles observed in the immediate vicinity of the school will be subject to disciplinary action. Out of respect for those living near the campus, students are asked not to play their car radios/stereos loudly in the parking lot or while parked anywhere near the boundaries of the campus. Students are not permitted to park their cars in the first row by the planters near the senior grass. Students are not permitted to go to their cars during the day unless they have permission from an Administrator.

Transportation to and from events off campus, including but not limited to athletics, activities, and campus ministry, where the school has not provided a bus or vehicle is the sole responsibility of the parents/guardians. The school assumes no responsibility for students when parents/guardians allow their daughters to be driven to activities and events by another parent/guardian or student of the school. Allowance for this type of transportation must be evidenced through a signed release from the students' parent/guardian. This transportation is in no way connected with the programs of the school. The school is not responsible for the behavior of students providing rides to and from school.

ARRIVAL AND DEPARTURE FROM CAMPUS

The school cannot be responsible for students arriving before and departing after regularly scheduled classes and school activities. All students should be dropped off in the student parking lot for safety purposes.

SPECIAL LIFE CIRCUMSTANCES

PREGNANCY

A primary purpose of Catholic education is to guide our students' growth in Christian values and moral conduct. It stresses that the body is the temple of the Holy Spirit and that the sanctity of family life is enhanced through a fulfillment of God's plan as expressed by a loving and permanent commitment. Premarital sexual activity is contrary to these values. However, when a pregnancy occurs outside of marriage, the total school community seeks to offer support to the pregnant student so that the pregnancy can be brought to term. The reality of the situation, in all its dimensions, is to be treated in a Christian and humane manner.

The Principal must meet with the pregnant student and parents and/or guardians so that the best course of action may be determined for both the pregnant student and the school community. The student may choose to remain at St. Mary's Academy, if it is in their best interest and that of the entire school community. If the student desires to return to school after the birth of the child, the school will facilitate her enrollment.

ABORTION

The teaching of the Catholic Church is clear regarding the inviolable right to life of all human beings. The school recognizes the reverence and respect owed to each person including those conceived and not yet born, and the morally indefensible procurement of abortion.

Abortion disregards innocent human life and is incompatible with and contradictory to the fundamental teachings of the Church, the mission of the Catholic school and the values that ought to permeate Catholic education. (Gaudium et Spes, 51; Code of Canon Law, 1398)

In accord with the policy above, each situation regarding abortion will be handled on an individual basis.

CHILD ABUSE

Any adult who works with children or adolescents in a professional capacity is a "Mandated Reporter" of child abuse in the State of California. As a Mandated Reporter, St. Mary's Academy employees are required by law to immediately report any incident or suspected incident of child abuse or neglect (collectively referred to as "abuse"), whether the abuse is directly observed or reported by others. This includes reports of past child abuse involving an individual that is eighteen (18) years of age or older, if the abuse occurred when the individual was a child.

“Child Abuse” includes, but is not limited to, the willful harming or injuring of a child (including causing or permitting unjustifiable physical pain or mental suffering), the endangering of the person or health of a child, unlawful corporal punishment or injury, neglect, sexual assault, and sexual exploitation.

MARRIED STUDENT POLICY

Central to the philosophy of St. Mary’s Academy is the belief that parents/guardians are the primary educators of their children. In support of this, the school and the parent/guardian work in close collaboration in all aspects of the student’s educational process. Since a married student is in effect no longer accountable to a parent or guardian, the relationship between the school and the parent/guardian is compromised. Therefore, any student who marries will not be allowed to continue at St. Mary’s Academy. Likewise, a student not living in the home of a parent or legal guardian may not be allowed to attend St. Mary’s Academy.

EMANCIPATED OR EIGHTEEN-YEAR-OLD STUDENTS

All school regulations apply to students who are emancipated or eighteen years of age as long as they are enrolled in the school.

VERBAL/WRITTEN CONFIDENCES

School personnel may respect the verbal or written confidences of students so long as such request is reasonable within the professional responsibilities of the school personnel, except in cases where the physical, emotional, and/or mental health and safety of the student or others is of concern.

ATTENDANCE POLICIES

Students are expected to be punctual and in class daily as required by law. Students may not leave the campus during the school day or during school functions without prior permission from Administration. Students must sign out in the Main Office prior to leaving. Students will not be released from school without proper written parental or legal guardian consent.

REPORTING AN ABSENCE

Parents/guardians must email the Attendance Office at attendance@smabelles.org prior to the start of each school day the student will be absent. In this communication, please include the student’s full name and grade level. Absences will be excused when proper documentation is submitted upon the day of a student's return to school for the **following reasons only**:

1. Illness/medical (doctor's note needed after three (3) or more consecutive school days of absence)
2. Medical/dental appointments
3. Death of family member/bereavement

4. Court ordered appearance
5. Quarantine
6. Approved school-related activities
7. Any other reasons not listed above would need to be approved by the Dean of Students

Written Notice

Upon returning to school after an absence, the student will bring to the Main Office a note containing:

1. Students full name
2. Date(s) of absence
3. Reason for absence
4. Signature of the parent/guardian and a phone number.

Students without notes will receive an unexcused admit slip and will not be able to make up work or exams. Missing of class will count as an unexcused absence.

Admit Slip

By 7:45 am on the day of the return to school after an absence of any duration (even one (1) period), a student must obtain a readmit slip from the Main Office. Students must have all teachers sign the readmit slip and return to the Main Office at the end of the day.

Students who are absent for three (3) or more consecutive school days without any communication from parent/guardian(s) to the school will require a parent/guardian conference with Administration before re-entering the school.

EXCUSED ABSENCES

A strict policy is enforced regarding absences. As noted above, **absences will be excused** when proper documentation is submitted upon the day of a student's return to school for the **following reasons only:**

1. Illness (doctor's note needed after three (3) or more consecutive school days of absence)*
2. Medical/dental appointments*
3. Death of family member/bereavement
4. Court ordered appearance*
5. Quarantine
6. Approved school-related activities
7. Any other reasons not listed above would need to be approved by the Dean of Students

*To be excused, these absences require written documentation from the medical or court facility indicating date and length of time the student was at the facility.

UNEXCUSED ABSENCES

Absences for other than the above reasons, even with the permission of parents/guardians, are considered unexcused. Parents/guardians should realize unexcused absences might negatively impact a student's learning and grades. Students may not request make-up work for an unexcused absence (i.e., assignments, quizzes, tests, projects, etc). All unexcused absences without parent/guardian knowledge are considered trancies. Students who are truant for any portion of the school day will be assigned Saturday Detention. Make-up work is not granted for classes missed as a result of truancy.

As co-educators, we encourage all parents/guardians to be positive examples of honesty and integrity when providing proof of excused absences for students.

PARTICIPATION IN CO-CURRICULAR ACTIVITIES/EVENTS ON DAYS OF ABSENCES

A student may not attend any co-curricular activity or event after being absent from school on any day or from ANY CLASS period during the day. Exceptions to this rule are VERIFIED medical/dental/funeral/court appointments. Any other reasons not previously mentioned would need to be approved by the Dean of Students. A student is to have a statement from the doctor noting the time and length of the appointment. Violation of this rule may result in disciplinary action.

EXCESSIVE ABSENCES AND LOSS OF COURSE CREDIT

Students who have eight (8) or more absences in a class (regardless of whether excused or unexcused) per semester are at risk of losing course credit for the semester. A mandatory parent/guardian conference will be held upon the fourth absence, if deemed necessary by the school.

Extended Absences due to Medical Reasons

Students who have excessive or extended absences due to medical reasons should communicate promptly and work directly with the Dean of Students to determine accommodations and anticipated duration of the absence. If a student has been absent due to a serious illness or hospitalization during a semester, a teacher may assign a grade of Incomplete so the student has the opportunity to make up the assignments that were missed. It is the responsibility of the student to find out what work must be completed. The grade of Incomplete will automatically become an "F" if the student does not comply with the determined accommodations and deadlines set by the Dean of Students.

EXTENDED ABSENCES

Parent/guardian requests for an extended absence (three (3) or more days) should be directed to the Dean of Students who will evaluate the request.

VACATIONS

The school strictly enforces the policy of not excusing absences which occur during school days for vacation purposes. All vacations must take place during designated calendared holidays and breaks.

Vacations during final exams will not be excused and students will receive a 0 for missed final exams and will not be allowed to make up final exams. The school does not make exceptions to this policy. Please contact the Dean of Students if you have any questions.

TARDINESS TO SCHOOL

A student arriving tardy to school is to report directly to the Main Office for a tardy admittance slip. The slip must be given to the teacher for admittance to class. Such tardies are noted on the permanent record.

EXCUSED TARDIES

Students are allowed **five (5)** excused tardies per semester. In order for a tardy to be excused, a parent/guardian should communicate the reason for the excused tardy to the Main Office by writing a note, a phone call, email written to attendance@smabelles.org, or in-person conversation by the end of the first class on the day of the tardy.

UNEXCUSED TARDIES

Excessive tardiness will not be tolerated. A student who consistently receives detentions for tardy infractions without showing signs of improvement contributes to the overall erosion of discipline and the lack of an educational environment truly conducive to building community and learning. When students are tardy in the morning to school, they will receive consequences according to the following list:

- 1st - 4th tardy: Detention
- 5th - 6th tardy: Saturday Detention
- 7th tardy: A mandatory parent/guardian conference will be held with the Dean of Students.
Conferences may also be held prior to the seventh tardy, if deemed necessary by the school.

Because habitual tardiness is a disruption to the learning environment, parents/guardians will be billed a \$20 tardy fee for each tardy after the seventh occurrence. The student's tardy record resets at the beginning of each semester.

COLLEGE VISITATIONS

Every attempt should be made by parents/guardians to schedule college visitations so as to not interfere with the school day. The counselor must clear absence due to a college visit one (1) week before the actual visit in order to obtain an "excused" status.

OFF-CAMPUS

Parents/guardians are asked to refrain from requesting off-campus permits except in case of emergency. Leaving school five (5) to thirty (30) minutes early is usually unnecessary. Medical, dental, or other appointments should be made for before or after school whenever possible. However, if medical appointments are made during the school day, a parent/guardian must sign the student out in the Main Office. Upon returning, the student must bring a doctor's note verifying the appointment.

If a student is to leave school early, she must bring a note to the Main Office before school so as to avoid the need for telephone calls to the office. The student will then wait for parent/guardian arrival in the Main Office at the designated time. If the student returns later the same day, a class admit slip should be obtained in the Main Office.

Following this procedure will assist in a more efficient running of the Main Office and also help to avoid unnecessary interruptions of the other students in the classroom.

ACADEMIC POLICIES

CURRICULUM

St. Mary's Academy provides a comprehensive college preparatory curriculum that meets the minimal standards for admission to the University of California and/or the Cal State College systems. St. Mary's Academy offers a varied curriculum in English, Languages other than English, Mathematics, Physical Education, Theology, Science, Social Studies, and the Visual and Performing Arts.

Theology courses are graded and receive full academic credit. Students are graded on the comprehension of subject matter and not on their religious beliefs. As part of the theology course offerings, students are required to complete their Christian Service hours.

ACADEMIC GRADING POLICY

The primary purpose of grading is to record the academic progress of a student in relation to the subject matter content. Achievement is determined by an objective systematic process conveyed to the student and parent/guardian in the form of a letter grade.

Grade Point Average (GPA)

The four-point system per unit is used in computing the grade point average for the semester.

A = 4 Grade Points per Unit B = 3 Grade Points per Unit C = 2 Grade Points per Unit D = 1 Grade Point per Unit F = 0 Grade Points per Unit

Students who earn a semester grade of "F" must repeat the course. A grade of F means the student does

not earn credit for the class and must make up the credit for graduation. All courses required for graduation are included in the GPA. Honors/AP level courses carry one additional grade point (A = 5, B = 4, C = 3) for a C or above.

Grading Policy and Scale

As a college preparatory school, St. Mary's Academy holds high academic standards for all of its students. It is the purpose of the school to develop in its students the curricular knowledge, academic and study skills, and the sense of personal responsibility that will support successful completion of high school studies and prepare each student for the transition to college. It is, therefore, an academic policy that all students who attend St. Mary's Academy will earn grades congruent with college readiness and admission standards. Students whose academic averages drop below this level (i.e., who earn a cumulative grade point average below 2.0) may be subject to academic review. It is important that both students and parents/guardians understand the different ways in which individual academic disciplines reflect learning progress. In all cases, instructional and assessment practices are developed to reflect learning characteristics and skill development of that particular discipline.

St. Mary's Academy annually publishes a School Profile, which is sent to all colleges and universities receiving St. Mary's Academy student transcripts. This School Profile includes a school wide grading percent scale to be used for the purposes of clarifying St. Mary's Academy academic standards.

This scale is as follows:

A	93-100%
A-	90-92%
B+	88-89%
B	83-87%
B-	80-82%
C+	78-79%
C	70-77%
D	63-69%
D-	60-62%
F	60%-↓

At the beginning of every academic year, each teacher provides a syllabus with regard to: grading frequency and distribution, make-up procedures, and coursework policies. Each student is responsible to know the academic expectations of each of her teachers, and for the following procedures outlined in this Student/Family Handbook and the class syllabus.

Conduct/Citizenship Grades

Conduct grades include the following: O (Outstanding), S (Satisfactory), N (Needs Improvement), and U (Unsatisfactory). These conduct grades reflect students' behavior with and contributions to the overall learning environment within the classroom. Repeated infractions or disruptions to the learning environment may result in conduct grades of N or U.

Final Examinations

Final examinations are given during the last week of each semester when a special examination schedule is in effect. Students who fail to take final examinations without an excused absence will receive a grade of “0” on the final examinations missed and will not be able to make up the exams. In the case of an excused absence, the student is responsible for making arrangements with Administration to take the final exam(s).

Final Grades

After the completion of a final examination, no additional work will be issued or accepted to improve a student’s final grade.

Semester Course Grade Inquiry Protocol

If a student has a question regarding a semester’s final course grade, the student **MUST** first email the appropriate Academy Director(s) listed below to request a grade inquiry by stating their full name, grade level, and the course to which they are referring. The Academy Director will provide guidance on how to proceed with the request for a grade inquiry. Students may submit grade inquiries to:

- Ruby Hernandez (rhernandez@smabelles.org) - Director of Humanities Academy: Theology, Spanish, English, and Social Studies courses.
- Stephanie Gordon (sgordon@smabelles.org) - Director of STEAM Academy: Science, Engineering, Math, Physical Education/Health, and Visual/Performing Arts courses.

The deadline to submit a request to the Academy Director is by 10:00 a.m. on the Friday during the week in which final grades are posted. Any request submitted after this deadline will not be considered. The Academy Director and the Dean of Faculty will review the grade inquiry and then communicate with the student regarding next steps should they be necessary.

MAKE-UP WORK

Students are responsible for all material covered and assigned during an absence. If the absence is excused the student has an equivalent amount of time to make-up assignments (i.e., being absent one (1) day allows you one (1) day to complete missed work; being absent two (2) days allows you two (2) days to complete missed work). Missed quizzes/exams need to be arranged with the teacher according to their individual classroom policies. Please consult the teachers’ course policies or syllabi for each individual policy.

If absences are due to school-related or sponsored events, including but not limited to athletic contests, field trips, performances or retreats and students know they will be missing a course period, students are responsible for handing in all assignments on or before the originally scheduled date of the event.

ACADEMIC REPORTING/REPORT CARDS

Teachers are required to post updated grades every two (2) weeks. Student's grades are accessible to the parents/guardians via PowerSchool. Parents/Guardians are encouraged to check PowerSchool regularly for grade updates throughout each quarter. Quarter Grades are not recorded on permanent transcripts.

Report Cards

Grades are always available for students and parents/guardians via PowerSchool. Printed report cards are available at the end of each semester upon request.

COURSE SELECTION/SCHEDULE CHANGE

Students should select their courses after consultation with their teachers, Academic Advisors, and families in order to make the wisest choices to meet their desires and needs. Program adjustments for the entire year will be made within the first two (2) weeks of school to allow for deletion of courses taken in summer school, the correction of scheduling errors, the addition of courses that could not be taken in summer school as planned, or the addition of a course to fill in unscheduled time. All other requests for changes will be given consideration only if there is room in the class. Courses with insufficient enrollment will be dropped. A student may not transfer or drop a class without the approval of the Director of Counseling.

A \$50.00 service charge will be in effect for any student/parent/guardian requested change later than the end of the second week of each Semester. There will be no schedule change requests honored after the third week of each semester.

STUDENTS WITH DISABILITIES/INDIVIDUAL EDUCATION PLANS

In the case of a student with a significant learning, psychological or physical disability, it may be necessary to recognize that the school is not fully equipped to meet the needs of every student. If a minor adjustment is needed to enable a student to participate fully in a college preparatory curriculum, please contact the Director of Counseling. Submission of medical documentation is required and adjustments cannot disrupt the learning environment, place an undue burden on the teacher or compromise the integrity of the course or grade issued. If conditions are adjusted for a student, it is the responsibility of the parent/guardian/student to communicate those needs with the Director of Counseling in a proactive manner giving proper notice and time for the adjustment.

FACULTY CONTACT PROCEDURE

When a concern arises about a student's academic progress the following procedure must be followed:

1. The student must speak with the teacher first regarding the issue.
2. The parent/guardian must e-mail or phone conference with the teacher.
3. The parent/guardian contacts School Administration to make an appointment.

ACADEMIC INTEGRITY/CHEATING POLICY

All students are required to complete and submit their own work. Teachers cannot properly consider a student's progress when cheating occurs on tests, quizzes, exams or any form of student's assessments. Cheating is contrary to the philosophy and mission of St. Mary's Academy. Cheating is considered to include, but is not limited to:

1. Plagiarism — representing someone else's work or ideas as one's own without crediting the source
2. Copying assignments and homework, including allowing other students to copy assignments
3. Giving or receiving answers prior to/during/or after quizzes, exams, and/or assessments
4. Completing someone else's work or allowing someone else to complete your work
5. Possession of unauthorized materials during quizzes, exams, and/or assessments
6. Communicating with anyone other than the teacher during quizzes, exams, and/or assessments

Any instance of cheating during a student's tenure at St. Mary's Academy, regardless of the course, will result in a "0" on that assignment. The disciplinary consequences for academic integrity include:

1. First minor offense (i.e. involving homework/classwork): Students will receive a "0" for the assignment, will conference with the teacher, and the Dean of Students will be notified.
2. Second minor offense (i.e. involving homework/classwork) or first major offense (i.e. involving quizzes, exams, essays, projects, and/or summative assessments): Students will receive a "0" for the assignment, will enter into Academic Integrity contract, and a parent/guardian conference will be scheduled with the Dean of Students and/or the Director of Counseling to discuss the incident(s).
3. A subsequent offense after an Academic Integrity contract: Students will receive a "0" on the assignment, be placed on disciplinary probation and receive a one (1)-day suspension. Students will automatically receive an "Unsatisfactory" (U) citizenship grade as reported on their quarter and semester report cards.
4. Further consequences may lead to multiple-day suspensions and students may be subject to other appropriate disciplinary action(s) up to and including dismissal, for violation of the Academic Honesty policy.

ACADEMIC PROBATION/TUTORIAL REQUIREMENTS

Students who earn below a 2.0 grade point average at the end of every quarter will be placed on academic probation and must attend and participate in scheduled appointment times for tutoring and attend bi-weekly check-ins with counselors. Students on academic probation are prohibited from participation in all athletic contests. Students who earn three (3) or more grades of "F" in a semester may be asked to withdraw from St. Mary's Academy.

Tutoring Assistance

Teachers are available for tutoring during their posted office hour times. The members of California Scholarship Federation (CSF) and National Honor Society (NHS) also provide peer tutoring. Arrangement for peer tutoring should be made with the CSF/NHS coordinator. School counselors are also

available for consultation regarding the availability of tutors. Other long-term tutoring must be arranged through professional agencies/persons outside St. Mary's Academy at the parent/guardian/student's discretion, with any costs to be borne by the parent/guardian/student.

ACADEMIC DISMISSAL

The Administration and Director of Counseling meet at the end of each school year to review the academic progress and enrollment status of students. Students who are deficient by more than ten (10) credits by the beginning of both their 11th and 12th grade years are subject to dismissal. It is the general policy that a student who is credit deficient must make up deficient credits before the beginning of each school year.

REMEDICATION OF GRADES/REPEATING COURSES

Grades of "D" do not meet St. Mary's graduation requirements but do not meet the admissions requirements for entrance into a four (4)-year college/university. Please be advised of the following St. Mary's Academy policies regarding repeated coursework:

1. Courses in which a grade of "C" or better was earned cannot be repeated and recorded again on a student's transcript.
2. Courses in which a grade of "F" was earned must be repeated to meet graduation requirements and receive course credit.
3. Original grades are not "replaced" on transcripts by repeating the course. Repeated courses are listed as a new entry on student transcripts in addition to the previous class and grade.
4. In calculating GPAs, St. Mary's Academy uses the repeated course grade.
5. Students are responsible for making up all remediation courses in order to meet graduation requirements.

St. Mary's Academy will accept online courses to fulfill the graduation requirements according to the policies approved by the UC and the Cal State Universities systems.

SUMMER SCHOOL

Students who earn a grade of "D" or "F" in a semester course are required to enroll in an accredited high school during the summer in order to recover these credits. To transfer credit to a St. Mary's Academy transcript, a grade of "C" or higher must be earned. The Counselors must approve classes prior to enrollment.

Summer Reading Assignment - Designated books will be assigned to be read over the Summer, including assignments designed to integrate the book(s) into course work in the Fall.

CALIFORNIA SCHOLARSHIP FEDERATION (CSF)

The purpose of the California Scholarship Federation (CSF) is to encourage scholarship and service among high school students. Admission into CSF is open to all students who earn the required scholarship points.

Students must qualify for membership on the basis of semester grades and therefore must complete an application at the end of each semester. Applications for CSF are available from the CSF moderators in August and January. Life membership is awarded to students who have been members for four (4) out of six (6) semesters, one (1) semester of which must be in the senior year. To be eligible for membership a student must accumulate ten (10) points on the CSF point system in the approved courses. An "A" equals three (3) points; "B" equals one (1) point. An "F" in any course eliminates the student from the process and club membership in general.

NATIONAL HONOR SOCIETY (NHS)

Sophomores, juniors, and seniors who have a minimum cumulative GPA of 3.0 on a 4.0 scale are encouraged to apply for membership to the National Honor Society (NHS). Applications for NHS are available from the NHS moderators at the beginning of each school year. A faculty committee makes the selection of members. The purpose of this organization is to (1) create enthusiasm for scholarship, (2) to render service, (3) to develop leadership skills, and (4) to encourage strong character. Final selection is based upon a student's demonstration of these four (4) qualities. Members must maintain a 3.0 cumulative GPA and continue to demonstrate excellent citizenship to remain active in NHS, but do not need to reapply once selected.

VALEDICTORIAN AND SALUTATORIAN

The senior student who earns the highest cumulative grade point average by the end of the first semester of senior year is designated as Class Valedictorian. The student who earns the second highest cumulative grade point average is designated as Class Salutatorian. To earn either of these academic distinctions, a student must have completed at least six (6) semesters of study at St. Mary's Academy and must not have been placed on disciplinary probation at any time during her junior or senior year.

ST. JOSEPH'S AWARD

This award is given by the faculty and staff to the senior who most exemplifies the qualities of St. Joseph: diligent work for the school and/or class over her four (4) years at St. Mary's Academy, generous service to faculty and students, and a quiet and unassuming manner in helping others. The characteristics of gentleness, peace, and joy are emphasized.

HONOR ROLL

Honor Roll status is granted at the end of each semester to students as follows:

1. Principal's Honor Roll GPAs of 4.0 and higher.
2. First Honors GPAs of 3.6 to 3.9.
3. Second Honors GPAs of 3.3 to 3.59
4. Counselors' Award of 3.0 to 3.2

STANDARDIZED TESTING

In preparation for college entrance exams, freshman, sophomore, and junior students will take the PSAT standardized test. The school code for the SAT is: 051780.

COLLEGE COUNSELING SERVICES

The Counseling Department provides services in the following areas:

1. Career exploration and college selection, application for college admission and scholarships, college recommendations, application for SAT, ACT, and achievement tests, and assistance in completion of FAFSA and FAF (Financial Aid Forms)
2. Coordination of visits to prospective colleges, allocation of time for college representatives to meet with students
3. Information regarding schools, colleges, scholarship programs, and competitions
4. A library of curated college and career resources for use of student and faculty

COUNSELING SUPPORT

Limited counseling support is available to help students and their parents/guardians eliminate the barriers that impact their performance in the classroom.

Students can be referred to receive counseling support by any of the following: faculty, staff, family members, peers, and self. Counseling support forms can be picked up in the Main Office and Counseling Department.

Official transcripts for current students: all non-college transcripts that require a school seal are prepared

in the Main Office for \$5 per transcript. Pick up or standard mailing is available at no additional cost. Rush delivery is \$15 per transcript.

CHRISTIAN SERVICE POLICY

Purpose: The Christian Service Program is an essential part of the St. Mary's Academy educational experience. In line with our mission, St. Mary's Academy is committed to developing generous, responsible citizens and leaders. Service with the vulnerable who are the poor, marginalized, and disenfranchised members of the community is an essential part of a rich and integrated educational tradition. Through various service experiences, the virtues of generosity, compassion, and wisdom will be further developed in each student.

The Christian Service Program has been integrated into our curriculum to provide a hands-on experience for students to answer the needs of our community and enable them to live up to the call of Christ to be his witnesses to the world. All service aligns with the mission of the Sisters of St. Joseph of Carondelet, whose Spirit and Charism is centered on *unifying love*. The Sisters of St. Joseph of Carondelet hold as their mission to continue the ministry of Jesus "that all may be one" (John 17:21). The Sisters of St. Joseph of Carondelet minister in a way that:

Enables others to assume a more active responsibility for continuing the mission of Jesus Recognizes and defends the human dignity of all persons

Promotes justice with a particular concern for the poor.

The expectation is for all students to complete a minimum of twenty (20) hours of service each year and submit their Christian service hours by May 1st via MobileServe. It is a requirement of graduation that every senior must submit proof of a minimum of eighty (80) hours of completed volunteer service by the end of the Third Quarter of the year of graduation in order to participate in senior activities (i.e., grad night, prom, participation in Baccalaureate mass, and Graduation ceremony). Students who do not complete the required eighty (80) hours will not receive their diploma until Christian service hours have been completed and approved by the Christian Service Coordinator.

Verification: Christian service hours will ONLY be verified and approved via MobileServe. Christian service hours and verification are due no later than sixty (60) days after the completion of service.

Christian Service During Distance/Hybrid Learning - The following amendments to Christian service have been made in the event of prolonged school closures:

DISCIPLINE

Discipline in the Catholic School is to be considered an aspect of moral guidance and not simply a form of punishment. The purpose of discipline is to promote genuine development: to increase respect for yourself and others, to assist in the growth of deeper motives for self-discipline, and to encourage a school environment conducive to learning for all students.

GENERAL BEHAVIOR

It is expected that all students conduct themselves in a manner consistent with the accepted norms of Christian values on campus and at all school activities. Respect and love of others should be a pervasive theme guiding all student interactions. Students should address faculty, staff, and other students politely, courteously, and respectfully in a spirit of friendliness and in an atmosphere of cooperation essential to an educational community. Repeated negative attitudes and behavior destructive to themselves and the community will not be tolerated and will result in immediate action or remediation.

CLASSROOM BEHAVIOR

All classes will begin with prayer/reflection. Students will be held accountable for respectful silence during prayer and announcements. The usual rules of common politeness are to be observed in dealing with teachers, substitutes, guests, and other students. Student behavior, which disrupts or in any way interferes with the educational process of the instructor or other students, will be referred for disciplinary action including but not limited to suspension/expulsion. Expectations regarding student conduct include, but are not limited to the following:

1. No food or drink in the classroom (except for curricular related events approved by school personnel). No gum chewing.
2. Vandalism and graffiti will not be tolerated, including writing on any school property.
3. The school's policy on academic dishonesty will be consistently enforced at all times.
4. Articles on or near the teacher's desk(s)/workspaces are not to be touched or removed without permission.
5. Students are not to be in classrooms unless supervised by school personnel.

HALLWAY BEHAVIOR

During your time here at St. Mary's Academy, it is important to carry yourself in a respectful and dignified manner towards yourself, others, and school property. Therefore, the rules below need to be followed in the hallways:

1. No open food or drink.
2. No loud talking or screaming.
3. No running.
4. No banging/slamming of lockers.
5. No music/videos that others can hear.

DISCIPLINARY ACTION

The Administration and Dean of Students reserve the right to determine the level of disciplinary action taken by the school in dealing with disciplinary matters. Suspension, expulsion, or withdrawal may be requested of a student where an infraction is considered sufficiently serious.

Any activity on or off campus that violates federal, state, state education code, local regulations, rules of moral conduct, code of ethics, safe environment, or any educational rules including those enumerated or that may harm or cause injury in any way to the good name and reputation of St. Mary's Academy will make students liable to disciplinary action including but not limited to Detention, Saturday Detention, Disciplinary Contract and/or Probation, Suspension and/or Expulsion.

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning, including expulsion.

Student Sequence of Disciplinary Consequences

1. **Detention** - Detentions may be issued by Administrators, faculty, or staff for any misconduct or breaking of school or class rules or regulations. Students who are issued a detention will be required to attend on the same day. A detention is viewed as the continuation of the instructional day and therefore takes precedence over transportation concerns, student jobs, athletics, and all co-curricular activities, etc. It is to be stressed that the student is responsible to inform her parent/guardian of her detention. Detentions will be served the day they are issued after school in the assigned detention classroom from Monday-Friday 2:45pm - 3:15pm, unless otherwise specified by the Dean of Students. Students may accumulate a total of four detentions per academic semester. Failure to report to a detention will result in Saturday Detention.

Levels of Infraction:

1st - 5th offense: Saturday Detention (with parent/guardian notification)

6th offense: Saturday Detention

7th offense: Suspension and Behavioral Probation

2. **Saturday Detention** - Saturday Detentions will be served for two hours on the assigned Saturday. Students must report to the Dean of Students at the Student entrance.
3. **Suspension** - Suspensions are issued by the Dean of Students and/or Administration for major offenses. Students who are suspended are prohibited from: attending class, completing class assignments, participation in co-curricular sports, school activities, athletic contests,

school-related events, and school-related practices during their suspension period. They must not visit the campus until the scheduled conference where the Dean/Administration, student, and parent(s)/guardian(s) meet before the suspension is lifted.

Suspension may be carried out in two (2) ways, depending on the severity of the infraction: (1) the student may not be allowed to come to school for a set period of time, or (2) the student may be allowed to be at school in a supervised place but not attend classes or mix with other students.

4. **Behavioral Probation** – A student may be placed on Behavioral Probation because of unsatisfactory citizenship, violation of school policies or rules, or engaging in any conduct deemed unacceptable by St. Mary’s Academy. Receiving one or more U’s (“Unsatisfactory behavior”) in citizenship may result in automatic placement on Behavioral Probation. Release from Behavioral Probation is at the sole discretion of the Administration and Dean of Students.

Conditions of Behavioral Probation will vary according to circumstances of each particular case and may include:

1. Restriction from participation in any co-curricular activities.
2. Restriction from representing St. Mary’s Academy in any public manner, including participation in activities at other high schools.
3. Participation in outside counseling as a prerequisite for a student to remain at St. Mary’s Academy.
4. Loss of Scholarship and/or Financial Aid as explained in award agreements.
5. Any other consequence or condition deemed by St. Mary’s Academy to be appropriate.

Violation of Behavioral Probation may result in automatic suspension and referral to the Principal. If a student on probation is referred to the Principal, it could constitute grounds for dismissal and a student’s parents/guardians may be asked to withdraw the student. If a student is placed on probation more than once, she may be withdrawn from school.

5. **Withdrawal & Expulsion** - Students who exhaust all disciplinary consequences will be asked to leave or be expelled from school. The Dean of Students, Assistant Principals, and/or Principal also reserve the right to ask students to leave or expel students for any disciplinary reason(s) they deem appropriate regardless of the student's accumulation of disciplinary consequences at any time during the school year.

STUDENT THREATS

All threats, either verbal, written, or electronic, and acts of harassment against school personnel or students are taken very seriously. No threat or harassment will be considered a practical joke regardless of the intent of the person(s) making them. All threats will be subject to appropriate criminal or civil penalties as well as school disciplinary consequences, including expulsion.

HARASSMENT/BULLYING

St. Mary's Academy is committed to providing a learning environment that is free from harassment in any form. Harassment of any student or personnel by any other student or personnel is prohibited, as it interferes with a person's overall well-being and creates an intimidating, hostile, and/or offensive environment.

Harassment - Harassment occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating. Harassment can occur any time during school, on school property, at any school-sponsored event or activity, off-campus, or on social media when the harassment substantially interferes with or disrupts the educational process. Harassment includes, but is not limited to, any or all of the following:

1. *Verbal Harassment*: Derogatory or demeaning comments, jokes or threatening words spoken to another person;
2. *Physical Harassment*: Unwanted physical touching, contact, assault, deliberate impeding or blocking of movements, or any intimidating interference with normal school work, activities or movement;

 6. Making unsolicited sexual advances and propositions.
 7. Using sexually degrading words to describe an individual or an individual's body.
 8. Displaying sexually suggestive objects or pictures.
 9. Telling inappropriate or sexually related jokes.
 10. Making reprisals, threats of reprisals, or implied threats of reprisals following a negative response to sexual advances.

Bullying/Hazing - St. Mary's Academy is committed to providing a learning environment that is free from bullying, including cyber bullying, and hazing. Bullying or hazing of any student (including students at other schools) by any other student or employee is strictly prohibited. Bullying and hazing disrupts both a student's ability to learn and the school's ability to educate its students in a safe environment. The school reserves the right to take necessary action regarding incidents of bullying or hazing that substantially interfere with or disrupt the educational process, regardless of location (on or off campus) or time (during or after school hours).

1. *Bullying* is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and /or threatening of another person. Bullying typically consists of direct behaviors such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or

more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated or excluded. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of intimidation and abuse.

2. *Cyber bullying* is the use of electronic/digital communications or devices such as email, instant messaging, texts, social media, or mobile phone communications that:
 - a. Deliberately threatens, harasses, or intimidates an individual or group of individuals; or
 - b. Places an individual in reasonable fear of harm to the individual or damage to the individual's property; or
 - c. Has the effect of substantially disrupting the orderly operation of the school.
3. *Hazing* is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in, which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

Harassment/Bullying Complaint Procedure: Any student who believes she is being subjected to harassment/bullying should report the harassment to the Dean of Students or Administration. The student will be asked to complete a formal, written complaint.

St. Mary's Academy will treat allegations of harassment/bullying seriously and will investigate such allegations in a prompt and thorough manner. Confidentiality will be maintained as much as possible. If appropriate and/or necessary, the accused individual will be placed on suspension during the investigation.

Once the facts of the case have been gathered, St. Mary's Academy will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary actions up to and including immediate dismissal. Students found to have filed false or frivolous charges of harassment/bullying will also be subject to disciplinary action, up to and including dismissal.

PUBLIC DISPLAYS OF AFFECTION (PDA)

The school community must be inclusive of ALL people. Public displays of affection (hugging, kissing, cuddling, sitting on laps, caressing, etc.) are prohibited. All students are asked to respect and honor each other as sisters in Christ by abstaining from such displays of affection.

STUDENT LOCKERS

At the beginning of the school year, a locker is assigned to each student. Lockers are the property of the school, and their use is a privilege granted to the student by the school as long as the privilege is not abused. Students may not change lockers or use another student's locker without expressed permission of the Dean of Students. Students are advised not to give their locker combination to anyone. Lockers must

always be neat and in a usable condition. Stickers, decals, and open or perishable food items are not permitted on or in the lockers. Students are held responsible for all damages and defacing of their assigned lockers. The school is not responsible for missing or damaged items in lockers. It is the proper function of school authorities to inspect lockers at their own discretion and to prevent their use in illicit or illegal purposes.

CONFISCATION OF STUDENT PROPERTY

Teachers have the right to confiscate and destroy notes and other papers of the student if such papers are interfering with the learning process of the classroom. Teachers may confiscate books and other materials from a student if the student is using them in a way which distracts from the learning process. Student property that is used in violation of the school policies can be confiscated, including but not limited to cell phones, media players, ear phones/buds, caps, book bags or notebooks with gang-like or offensive writing on them, all communication devices, text message units, and clothing items in violation of dress code. Confiscated student property will be returned to students/parents/guardians according to the following policy:

Confiscated Item Policy

First offense – Confiscated item(s) will be given to the Main Office for student pick up at the end of the school day.

Second offense - The parent/guardian must pick up confiscated item(s) from the Main Office.

Third offense - Held confiscated item(s) will be returned at the end of the semester to the student.

DRESS CODE

A dress code is a preparation for many facets of life, including awareness of appropriate dress in various settings, specifically a Christian setting. St. Mary's Academy considers the dress of its students a significant factor in their educational experience. The dress code is based on modesty, decency, cleanliness, and commonly accepted norms of good taste.

The dress code is also intended to help students avoid excessive concern about their appearance and keep their focus on the more important aspects of their education. In the specific circumstances of the times in which we live, the value of a uniform dress and appearance code is also widely recognized by educators in both private and public schools as a means of providing a safer learning environment.

GENERAL GUIDELINES

Students are required to be in proper uniform/dress code at all times on campus and within sight of the school building and may be denied access to campus and/or class because of dress code violations. All clothing will be clean, neat, modest and in good taste. Avoid all extremes. No tight fitting clothing. No cleavage display.

The Dean of Students may request a student to change attire. Notes from parents/guardians will not necessarily excuse violations. Students may be held in the Main Office until parent/guardian and/or student is able to respond to the request to change attire. The Administration reserves the right at all times

to regulate against unbecoming fads or fashions and to determine what styles are exaggerated and in violation.

UNIFORM DRESS CODE*

**Exemptions may be made for medical reasons or religious traditions in consultation with the Dean of Students.*

Replacement ties can also be purchased in the Main Office for \$10.00; ties are not available for renting or borrowing. The following are approved uniform items that students are allowed to wear during the school day:

The school assumes no responsibility or liability for injury, loss of property, or damages as a result.

By not adhering to any of the above regulations before, during, or after events, future attendance at social events may be affected. St. Mary’s Academy and its authorized personnel reserve the right to refuse admission to anyone to its events.

FIELD TRIPS AND ATHLETIC EXCURSIONS

The curriculum may incorporate excursions and field trips. They must be educational in nature and related to the curriculum and content of the course of study.

Each school group establishes definite guidelines and systematic procedures for such trips. There must be adequate supervision on trips, and school rules of conduct must be maintained. Students are responsible for making up any class work missed.

The school provides supervision and all school rules are enforced on such trips. The school uniform must be worn on all field trips unless permission is expressly granted by the Principal. Please note that participation in a field trip is a privilege, not a right. The school may withdraw this privilege at any time.

SENIOR PRIVILEGES

1. Senior Privileges include senior-specific events or perks, like the senior lunch line, St. Mary’s Academy-approved senior free day, prom, grad night, and the senior uniform. Privileges are not entitlements and are earned through leadership and exemplary behavior. As such they can be suspended at any time because of disciplinary infractions committed by the senior class as individuals and/or as a class.
2. A class "ditch" day is not sponsored by the school and may result in the loss of participation in senior events. Senior privileges do not include pranks. There will be consequences for commissioning or participation in a prank.
3. Every senior must submit proof of a minimum of eighty (80) hours of completed volunteer service to the Christian Service Coordinator by the end of the Third Quarter of the year of graduation in order to participate in senior activities (i.e., grad night, prom, participation in Baccalaureate Mass and graduation ceremony).

The school assumes no responsibility or liability for injury, loss of property, or damages as a result.

BACCALAUREATE MASS

Baccalaureate Mass is an important tradition at St. Mary's Academy that allows graduates to reflect on their lives and recognizes the role of the Catholic faith. All students must attend the Baccalaureate Mass in order to participate in the final graduation ceremony. Failure to participate in the Baccalaureate Mass will preclude graduates from participating in the final graduation ceremony.

GRADUATION & BACCALAUREATE MASS ATTIRE

Both the Baccalaureate Mass and Graduation events are formal occasions. Students must adhere to the school policies for hair, accessories/jewelry, and tattoos/piercings in "Dress Code" section in *Non-Uniform Dress Code* of this Handbook. ATHLETIC PROGRAM

The Athletic Department of St. Mary's Academy promotes the highest ideals of sportsmanship and respect for the rights of others, and enlists the students in co-curricular activities for the advancement of school spirit, loyalty, and fair play. Keeping in line with the school's philosophy, the Athletic Department is committed to forming a Christian community that nurtures and challenges each young woman to attain her full potential. All students who meet the academic and disciplinary requirements are eligible to try out for any athletic team offered at St. Mary's Academy.

VARSIY AND JUNIOR VARSITY COMPETITION

St. Mary's Academy is a member of the Camino Del Rey League and participates in interscholastic competition in Cross Country, Volleyball, Basketball, Soccer, Softball, Track & Field, and Cheerleading. Tryouts are held at the beginning of each season.

ELIGIBILITY

To be eligible to participate in any sports team at St. Mary's Academy the student must meet the following requirements:

1. Have all required paperwork on file with the Athletic Director.
2. All students are eligible to tryout for any team as long as the student meets all of the requirements of the school and CIF-SS. A student must maintain a 2.0 GPA. This is in compliance with Rule 205 of the CIF-SS Bluebook. Failure to achieve a 2.0 will cause a student to be placed on probation. Two successive grading periods below a 2.0 GPA will result in academic ineligibility. The Athletic Department determines eligibility on the day that grades are posted and stored in PowerSchool to parents/guardians.
3. May not be on disciplinary or academic probation.
4. Must be under nineteen (19) years of age.

Students must meet all of the above requirements to play on the team. If at any time during the season a student fails to meet all of the above requirements, she loses her eligibility and will no longer be able to participate until she has met all requirements.

REQUIRED ATHLETICS PAPERWORK/FEE

Prior to a student's participation in any sport, the following paperwork is required:

1. PHYSICAL – Prior to the beginning of the season, a student must have a physical form signed by a licensed physician on file with the Athletic Director. A physical is valid for one (1) school year. An athlete WILL NOT be allowed to play without this form being on file.
2. CIF CODE OF ETHICS – An athlete WILL NOT be allowed to play without a Code of Ethics form signed by both the athlete and parent(s)/guardian(s) on file with the Athletic Director. This form is valid for the entire school year.

3. SPORTS FEES – Sports fees will be billed to the student’s account prior to the completion of the season. In the event that a student quits the team the fee will still be required. Additional fees may be required for each sport to cover the cost of spirit pack items and practice gear.

DRESS

Team members must wear complete team uniforms at games. They must follow the coach’s directions for dress time. For early departure away games, as well as events at the local park/field, team members may dress during the lunch hour.

CHEERLEADERS

The cheerleading squad is composed of girls chosen by the coaches after tryouts are held. The cheerleaders must be representative of St. Mary’s Academy’s philosophy and promote school spirit by exhibiting leadership at all varsity games and by participating in cheerleading competitions. All students who meet the academic and disciplinary requirements are eligible to try out for cheerleading.

LETTERWOMEN

To earn a varsity letter the following must be met:

1. play on a varsity team for an entire season.
2. play in at least 80% of all varsity games.
3. participate in 90% of all practices.
4. show sportsmanship and team spirit.
5. be recommended by the coach for that sport.

ATTENDANCE

A student may not attend any co-curricular activity or event after recording an unexcused absence from school on any day or from ANY CLASS period during the day.

Exceptions to this rule are VERIFIED medical/dental/funeral/court appointments. A student is to have a statement from the doctor noting the time and length of the appointment. The Athletic Director and Administration must approve any exceptions.

QUITTING A SPORT

When an athlete quits a team to which she has been selected to play on, she forfeits the following:

1. Trying out or participating in another sport that same season.
2. The use of the weight room or other school athletic facilities (i.e., gym, batting cages, etc.).

Should there be extraordinary circumstances for quitting a team, the above penalties may be waived with final approval of the Athletic Director.

The Athletic Department feels strongly that when a student has tried out and made an athletic team, she has made a serious commitment to the school, team, and coaching staff. Quitting disrupts team unity and deprives another student of participating. Any student who remains on a team after minor disciplinary action and who continues to demonstrate poor team morale can be dismissed by the coach with the approval of the Athletic Director and be subject to the same suspension.

UNIFORMS AND EQUIPMENT

1. Any student who is issued equipment and/or uniforms is fully responsible for the return, in good condition, of the items issued. Parents/guardians will be held financially responsible for any item lost, stolen or damaged.
2. School athletic equipment is used for in school-related athletic events only and is not for private or personal use.

COMPLAINTS AND GRIEVANCES

All complaints and/or grievances by an athlete or her parents/guardians are to be directed first to the coach. If the problem cannot be resolved at this level, it should then be referred to the Athletic Director. If satisfaction is still not attained, the Principal may then be contacted. The final contact should be made with the Principal, only after contact has been made with the coach and Athletic Director.

Addendum for Online Learning

Online Learning Norms & Netiquette

The purpose of this information is to assist you (the student) in understanding proper virtual classroom behavior while the school conducts courses through remote learning. The virtual classroom should be a learning-centered environment in which faculty and students are unhindered by any disruptive behavior. Remember that you are a college preparatory student, and as such, you are expected to act in a mature manner that is respectful to the learning process, your teachers, and your fellow students.

Please note that all handbook rules that pertain to classes on-campus are still expected of you while class is in session virtually.

Preparation

Preparing for the day ahead of time will ensure that you are ready to begin as soon as class starts!

- ✓ Check your email and Google Classrooms at the start of the day and at the end of the day.
- ✓ Be dressed appropriately to be on camera and in school. Avoid wearing robes, pajamas, spaghetti straps, or anything else you would not wear to meet a teacher in person at school.

- ✓ Have your “classroom” set up in a way that promotes your academic engagement. Sit up and at a desk, table, or other designated work area. No laying in bed. Get rid of non-academic distractions (other courses’ work, unnecessary open tabs, social media, snacks, etc.) that will impede your learning.
- ✓ Make sure to login to Google Hangout with your smabelles.org email address account. Do not use a personal Google account.
- ✓ Attendance will be taken within the first ten minutes of class. Be on time to class start times according to the syllabus, Google Classroom, calendar invites, etc.

Participation

Attendance and participation is mandatory!

- ✓ Have your class materials near you.
- ✓ The expectation is for students to have cameras on during classes, tutoring, class meetings, clubs/orgs, etc., unless otherwise directed by SMA faculty/staff members.
- ✓ Be prepared for teachers to call on you by name. That means you do not leave your work area for long periods of time.
- ✓ Mute mics at all times. Only turn on to participate.
- ✓ Turn on camera when participating.
 - How to change your background [HERE](#).
- ✓ The chat box is for **academic discourse** only. This includes on-topic questions and comments *for the teacher* or anything else the teacher tells you to use it for once class starts. Discussions between students in the chat box is just like if you were talking out loud to each other in person while class is going on at school. It’s very distracting and disruptive when there is too much happening in the chat, especially when it’s off topic and out of turn. Do not use emojis, slang, or curse words.
- ✓ Absolutely no photos, screenshots, or video recording may be taken of a SMA faculty/staff member or fellow students during virtual classes or meetings. If the school finds out that they have been taken, disciplinary actions may be taken.
- ✓ Students who have 8 or more absences in a class (regardless of whether excused or unexcused) per semester are at risk of losing course credit for the semester. A mandatory parent/guardian conference will be held upon the 4th absence, if deemed necessary by the school.

Persistence

Do your part to ensure your needs are being met during Online learning!

- ✓ Check your email and Google Classrooms at the start of the day and at the end of the day.
- ✓ Use your Google Calendar or personal planner to note due dates and teachers’ office hours.
- ✓ Reach out to teachers if you need to schedule a one-on-one office hour appointment.
- ✓ Prepare yourself for an office hour appointment. Come ready with questions on topics for review. YOU are the one guiding the office hour appointment.
- ✓ Approach online learning with patience and grace for yourself, your teachers, and your household. We are all getting used to this and doing our best to make this work.

- ✓ Advocate for yourself and your education. Communicate this clearly with those who can support you during online learning.

Communication

Communication should be as proactive and timely (at least 24 hours in advance) as possible regarding all communications!

- ✓ Attendance

In the event that you are going to be absent or tardy for the day or for a specific class, please have the parent/guardian communicate this absence/tardy to Mr. Reyes, who handles the attendance **via email** at jreyes@smabelles.org. Please do not email your individual teachers or counselors.

A strict policy is enforced regarding absences. Absences will be excused when proper documentation for the following reasons only:

- Illness (doctor’s note needed after 3 or more consecutive school days of absence)*
- Medical/Dental Appointments*
- Funerals
- Quarantine
- Court Appearances*
- Approved school-related activities
- Poor internet connection or a power outage

*To be excused, these absences require written documentation from the medical or court facility indicating date and length of time the student was at the facility.

Absences other than the reasons listed in the Student/Family Handbook, even with the permission of parents/guardians, are considered unexcused.

- ✓ Technical Difficulties

If you experience login issues with Powerschool or Gmail, please communicate this issue to Mr. Reyes.

- ✓ Basic email etiquette:

The following communication steps should be used when emailing any SMA faculty or staff member.

Communication Steps	Communication Examples
Send this email from your SMA Belles Gmail	____@smabelles.org
Greet your teacher or classmate by name	<ul style="list-style-type: none"> ✓ “Dear Mr. Tran” ✓ “How are you doing today Kayla?”

Ask for a specific type of help, then provide your availability	✓ “If you have time to talk on Google Chat or Hangout, I’m free every day until 4 pm. If you can think of any other resources that I should try, please let me know.”
Be sure to say “thank you”. If you are sending an email, sign your name!	✓ “Thanks for giving me advice on my sketches, Kayla!” ✓ “Thanks so much Mr. Tran. Sincerely, Kayla S.”

2. 2nd minor offense (i.e. homework/classwork) or 1st major offense (i.e. quiz/test/essay/project): Students will receive a “0” for the assignment, Academic Integrity contract, and a parent/guardian conference will be scheduled to discuss the incident(s).
3. A subsequent offense after an Academic Integrity contract: Students will receive a “0” on the assignment, be placed on disciplinary probation and receive a 1 day suspension. Students will automatically receive an “Unsatisfactory” (U) citizenship grade as reported on their quarter and semester report cards.
