55+ DRIVER DISCOUNT PROGRAM (2024-2025)

This Driver Discount Program is put on by the Precision Driving Center of Minnesota through St. Cloud State University. You can check out their website at www.driverdiscountprogram.com.

Complete this course to get a 10% discount on your auto insurance premiums! Taught as a presentation from a certified instructor, you'll discuss challenges we face as drivers, new road designs, vehicle technology, and updates on current laws. Best of all, there are no written or behind the wheel tests! Certificate will be provided at the end of class. The 8-hour initial course requirement has been removed as of July 1st, 2024. Participants must take the 4-hour course to initially earn the discount and then repeat the 4-hour course every three years to maintain the discount. Pre-registration required.

The following 55+ Driver Discount Program course is currently set up for you at the New York Mills School. Also for your convenience, we always have waiting lists if you missed a course and want to be notified of the next course.

EARLY CHILDHOOD SCREENINGS ~ 'ECS'

As of January 2014, the Early Childhood Screenings will be conducted by the Lakes Country Service Coop. The Community Education office will be doing the scheduling and the screenings will be completed at the New York Mills School. This screening is required by the school for entrance into PreKindergarten and required by Minnesota Statute 121A.17 for entrance into Kindergarten unless an Exemption form is filled out. It is an opportunity for you to review your child's growth and development and to follow up on any health or learning concerns. The Early Childhood Screening is a FREE screening and includes a developmental assessment, vision and hearing test, height and weight measurements, immunization and health history review and a parent visit. It is NOT an examination to determine readiness for school. Its purpose is to identify conditions that might interfere with your child's ability to learn and to assist parents in developing strategies to help their child succeed. Please call Deb in the Community Education office to schedule an appointment at (218) 385-4203. Please leave a message if there is no answer and she will get back to you as soon as an appointment is available.

CULTURAL CENTER

HYGGE MARKET 2025

All are invited to join us at the New York Mills Regional Cultural Center for our first-ever Hygge Market on Saturday, February 22, 2025. This event will focus on handmade goods by local and regional Artists & Makers, with a focus on hygge-themed items. Hygge is defined as “a quality of coziness and comfortable conviviality that engenders a feeling of contentment or well-being (regarded as a defining characteristic of Danish culture).” Hygge is a way of life for Danes that embodies a sense of coziness, simplicity, and being present.

Call for Artists - Are you an artist who creates cozy, comforting, and heartwarming pieces? We want YOU to be a part of our Hygge Market! Hygge (pronounced **hoo-gah**) is a Danish concept that represents coziness, comfort, and contentment. It's about slowing down, enjoying the little things, and embracing moments of peace — whether it's lighting a candle, snuggling under a blanket, or appreciating beautiful art. At the Hygge Market, we are embracing this feeling through art, creativity, and connection.

Date: Saturday, February 22, 2025

Time: 10 am – 3 pm

Location: New York Mills Regional Cultural Center

Are you interested in participating or have any questions? Contact Emily at emily@kulcher.org. Questions? Call the Cultural Center at 218-385-3339.

This activity is made possible in part by the voters of Minnesota through an operating support grant from the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund.

“ADVENTURES IN ART” AND “KIDS CREATE” GALLERY EXHIBIT ART FOR CHILDREN AND BY CHILDREN IN THE CULTURAL CENTER GALLERY

The New York Mills Regional Cultural Center is pleased to announce its new gallery exhibit: “Adventures in Art,” an interactive installation featuring nature-related projects along with “Kids Create,” a show of elementary-age student art, January 29 through February 21, 2025.

Bring your children, grandchildren, or your inner child to the New York Mills Regional Cultural Center to enjoy a unique interactive art experience for kids of all ages, along with their parents, designed to teach, entertain, and expand imagination.

This show combines art and the outdoors which you can enjoy inside the Cultural Center for everyone's comfort! You can go “fishing,” find butterflies, identify leaves, figure out who or what made tracks, and enjoy many outdoor-related art projects. Art projects will be self-directed for parents and their children to enjoy.

There are 5 stations for self-guided activities including leaf texture rubbings; a “fishing pond” to catch, identify, and draw fish; making a butterfly; creating a hanging paper bird; and making animal tracks. There are worksheets to record the animals and items you identify and a scavenger hunt of animals and plants to find. Visitors can also take a break in the tent for that “out in the woods” feeling.

“Kids Create” is an annual exhibit of the talent of elementary-age students in the New York Mills region. 2D and 3D art will be on display.

This gallery exhibit is free to see/experience, and open to the public during regular business hours or other hours by special request. Groups are requested to please call the Cultural Center in advance to ensure the best experience. Additional art lessons led by Cheryl Bannes can be arranged by calling 218-385-3339 or emailing cheryl@kulcher.org.

The New York Mills Regional Cultural Center Gallery is always free to see and open to all, thanks to generous support from our donors. Open Hours are Wednesdays & Thursdays 10am-7pm, Fridays 10am-5pm, and Saturdays 10am-3pm.

Visit kulcher.org or call the Cultural Center at 218-385-3339 with any questions. This activity is made possible in part by the voters of Minnesota through grants from the Lake Region Arts Council and the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund.
