We're Back! The 28<sup>th</sup> Annual Avila Charity Tennis Tournament ("ACTT") will be held **April 1-3, 2022 at Avila Golf & Country Club**. After the 2020 ACTT and 2021 ACTT were canceled due to the COVID pandemic, we are thrilled that the 2022 tournament will happen and will benefit *Academy Prep Center of Tampa*. Their mission is to inspire and empower students qualifying for need-based scholarships to become tomorrow's leaders through a rigorous middle school program coupled with ongoing graduate support.

This tournament, one of the premier tennis events in the area, has raised and donated over one million dollars to local charities that focus on children. With your help we look forward to growing and continuously contributing to our community.

The 2019 ACTT was our record-breaking year presenting Pepin Academies with a check for \$190,000. More than 180 sponsors and guests attended the Friday evening dinner/auction, and over 400 attended the weekend festivities to watch high-level tennis.

This year, the ACTT will host the following divisions: Men's 5.0, 4.5, 4.0, 3.5 Doubles, Women's 4.5, 4.0, 3.5, 3.0 Doubles and a Men's Open Doubles Invitational.

A dinner will be held at Avila Golf & Country Club on Friday night for our French Open sponsors and above. The evening will include a sit-down dinner and open bar as well as a live and silent auction.

**Join us and be part of our 28<sup>th</sup> Annual Avila Charity Tennis Tournament for *Academy Prep Center of Tampa*.** Please consider a sponsorship (see attached levels) and if you know of additional potential sponsors or auction donors, please let us know so we can contact them.

Thank you for your support! For additional information, please call Roger Cypriano at (813) 968-6792 or visit our tournament website at [www.AvilaCharityTennis.com](http://www.AvilaCharityTennis.com).

With gratitude,

Roger Cypriano

Academy Prep Center of Tampa is honored to be named the benefiting charity of the 2022 Avila Charity Tennis Tournament. Academy Prep is a private, not for profit middle school serving low income children in 5<sup>th</sup>-8<sup>th</sup> grade. Our mission is to inspire and empower children qualifying for need based scholarships to become future community leaders through a rigorous middle school program coupled with ongoing graduate support. All of our students attend Academy Prep on full scholarship.

Academy Prep is a unique school. An Academy Prep education is 10.5 hours a day, 6 days a week, and 11 months a year. We have small class sizes, with most academic classes separated by gender, and although most students enter our school below grade level, all graduate at or above grade level and enter some of the most prestigious local high schools and boarding schools in the country. The school provides a demanding academic curriculum and enrichment activities along with emotional support and social guidance. Our daily enrichment program offers over 30 enrichment classes to choose from, including cooking, robotics, sewing, intramural sports, advanced art, acting, choir, yoga, chess and gardening. Students benefit from an additional eight years of Graduate Support Services that support them continually through high school and college.

A school like Academy Prep is only possible with the support of generous donors and volunteers in the community, who know how important an equal opportunity to a great education is to combating generational poverty and helping students succeed. Accomplishments in our 19-year history include:

- 99% of Academy Prep Alumni graduate from high school on time.
- 87% of Academy Prep Alumni have enrolled in colleges and universities with an additional 7% proudly serving in our military.
- 100% of Academy Prep's class of 2019 were at or above grade level in reading and math, with many students at the 11th and 12th reading and math grade level.

It is important to recognize that our school and our students have realized such great achievements because of generous supporters, such as yourself, who firmly believe in the mission of Academy Prep. The support and influence you offer allows us to provide a better education and future to some of the most deserving young students in Tampa.

With gratitude,

L'Tanya C. Evans  
Head of School
