

Our Class Newsletter

★ October 21-25, 2024

★ UPCOMING DATES

- October 23- Flu shots for students who signed up
- October 25- Glow Run (Boosterthon)
- October 28-Nov. 1- Red Ribbon Week
- October 21- Fall party (more info to come soon)
- November 22- field trip

★ REMINDERS

- All transportation notes must be turned in with students' folder or to the office. We can't accept changes on the phone, via Remind, or email.
- Students MUST wear closed-toed shoes for P.E. Coaches will not allowed students on the new playground without closed-toed shoes.
- We do have a friend with a peanut allergy. Please do not send your child to school with anything with peanuts or nuts. Thank you for your help!

★ SUPPORTING YOUR STUDENT AT HOME

Scavenger hunts are always a fun way to review skills previously learned at school! On index cards, write down words or sentences to read, addition or subtraction equations, or simple tasks for your child to do. Then, hide them around your home. When your child finds it, they can write down the answer or do the task and bring it to you to check. Have a small prize for them at the end, and you have the reward of knowing your child is practicing on skills that they need additional practice on!

★ OUR LEARNING

- Reading-** I can use photographs and text features to answer questions. I can answer questions about a story.
- Phonics-** I can read and write words with s-blends. I can read and write words with digraph -ck and double final consonants. I can read and write words with inflectional ending -s and -ing. I can read contractions.
- Writing:** I can write an informative text. I can work with noun-verb agreement. I can identify pronouns.
- Math-** I can write numbers 1-70. I can add subtract within 15, including with word problems.
- Science/Social Studies-** I can discuss my role in my community. I can recycle to help my community.
