

Kings Chapel Elementary School

2024-2025
School Clubs

Participating in extra-curricular opportunities is a great way for students to enhance their overall experience at school. Kings Chapel has many after school clubs available for student participation. Below is a list of clubs at Kings Chapel. While a variety of opportunities exist, many clubs are available only to older students and conflicting meeting dates may make it impossible for students to participate in several clubs at the same time. Pay close attention to meeting dates prior to signing up to avoid conflicts with club meetings.

Beginning on Monday 8/19, students can pick up club information and registration forms on the stage in the lunchroom and should have them returned by Friday 8/23. Club registration forms can be returned to the student's teacher. Clubs are scheduled to begin meeting the week of 9/9. All clubs will dismiss at 4:30.

Contact information is provided for each club sponsor in case you have questions.
