KINGSTREE HIGH SCHOOL FOOTBALL PLAYERS SELECTED FOR THE PALMETTO COMBINE SERIES

Several Kingstree High School student-athlete(s) were selected to participate in the 2023 Palmetto Combine Series - South Combine. Football players from across the state have been nominated to represent their schools as premier athletes and then selected by an anonymous committee. The SCFCA has created the Palmetto Combine Series for the athletes of the state of South Carolina and partnered with *Catapult* and *SimpliFaster* to make all of the data obtained during this event accurate and verified. During this series of competitions, each athlete will be wearing a state-of-the-art Catapult One tracking system. The Catapult One tracking system measures the core metrics that improve performance, reduce the risk of injury, and develop coach-to-player communication.

The Kingstree High School football players selected for the Palmetto Combine Series are: James Brockington, JaShaun Dorsey, Tyleek Dukes, Xavier Dukes, Michael Kelly, Zaveion McDuffie, Khaled Riggins, Malcolm Salters, Jafari Slay, and Mychael Wallace,
