EPIC Substitute Teacher Training

Cost / Time Frame / Class Overview:

- **EPIC Substitute Teacher Training classes costs $150.00 per participant. Non-refundable payment may be made via personal check or credit card. (Details are on the registration form.)**

- **Once you have registered and payment is processed, you will be provided with a specific login and password to allow you to join the class in *Google Classroom*.**

- **You will progress through each lesson at your own pace and submit one assignment per lesson using *Google Classroom*. You will need to have access to the internet and *Google Classroom* to be able to complete your work. We will provide you with step-by-step instructions on how to complete each lesson.**

- **Assignments will include virtual observations with reflection, short answer and written assessments, and multiple-choice quizzes. You will NOT need to record yourself or provide any kind of video correspondence, so a camera is not needed. However, you will need to have speakers to hear video content for some of the lessons. No additional observations or assignments will be required after completion of the online course in order to obtain an EPIC "Certificate of Completion."**

- **Most participants can complete all course requirements in about 2-3 days, but you will be given up to 30 calendar days to complete and submit all assignments and assessments with a score of 80% or better on each. (Participants may resubmit assignments and retake assessments until a passing score is obtained as long as everything is successfully completed before your 30-day window is closed.)**
