READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item 6 Receipts "Received from Loans." It is really money borrowed, and should also be included in "Total Indebtedness" (item 16 above). Do not include bills unpaid at close of year in item 16. Do not foot up the columns alike unless they actually add up alike.

RECEIPTS

READ THIS—Insert nothing here that has not come into the treasurer's hands; give exact amount of each fund separately and put nothing under any head save what the head indicates. Money advanced by any person, or loaned, or an overdraft at the bank, should be placed under head "from loans," 6 receipts. Money remaining in the hands of the township treasurer has not been "received" by the district and no account should be here taken of it; include that in "Amount due the district" (item 17 above.)
