Commencement Ceremony

May 31st– Last Day of School for 9-11 graders

Happy April!!

We are spending April focusing on different career options for our students. Our 9th graders will be spending a day at the STEM summit learning more about different STEM careers available in our area.

On April 17th, our entire school will be participating in our Career Day! Our students will hear from different guest speakers and will have the opportunity to visit a Career Fair in our gym.

In addition, we are gearing up for our biggest celebration of the year– our commencement ceremony. This year the Class of 2024 will graduate from SASHS on May 30th at 7:00 pm at the Luhrs Performing Arts Center. More details will be shared shortly with our senior class and their families!

SASHS PROM “Tangled in the Memories”,

Prom is Saturday, April 27th at Beistle Co from 6-10 pm

Dinner offerings and beverages will be included.

Tickets are \$50 each, and can be purchased during all lunches in the cafeteria lobby April 15th-19th.

Career Tech students can purchase tickets in the morning in the cafeteria lobby before boarding buses on those same dates.

CAOLA students can plan on purchasing tickets that week during lunches, or in the mornings with the career tech students.

All tickets sold after April 19th will have an additional cost of \$20 per ticket.

Prom planners must have numbers of attendants for catering purposes, so make sure to buy tickets within those dates!

****Guest forms are available now and can be submitted for approval ASAP!

Congratulations!

Hotline 24 Hours

Cumberland / Perry Drug & Alcohol - (717) 240 - 6300

Crisis Chambersburg Hospital (717) 264-2555 24 Hours

A Note from our Nurse...

All entering 12th grade students are required to have a Meningococcal vaccine (MCV4, meningococcal conjugate) after the age of 16 years per the Pennsylvania Department of Health and Education. If your child has already received the required vaccine, please send this information to the school nurse. Your health provider may fax this information to the school nurse at 717-530-2835. If you do not have health insurance, the vaccines can be obtained from the Pa. State Health Department at (717) 243-5151.

All 11th grade students are required to have a physical examination per the Pa. Departments of Health. This is a graduation requirement. There are several ways to fulfill the obligation.

- Copy of a paper driver's permit or driver's license card (accepted because a physical was required before taking the permit test)
- Copy of a sport's physical
- Copy from your private physician's office

A copy (or picture from your phone) can be emailed to the nurse at: shelly.kwiatkowski@ship.k12.pa.us or faxed to 717-530-2835, dropped off at the school office, or mailed to SASHS.

CLASS of 2024....

SENIOR TRIP: We will be taking the Senior Class trip this year on Friday, May 17th, 2024. The trip is scheduled to go to Pittsburgh to visit the Pittsburgh Zoo, The Waterfront and take a dinner cruise on the Gateway Clipper. Cost of the Trip will be \$100 . Sign-ups for the trip will be March 25 - April 5th. Students will have received this information via school email and schoolwide announcements

An IMPORTANT letter will be sent to all senior families during the first week of April. This letter will have directions on how to reserve GRADUATION tickets and other mandatory events for the graduate to attend. You will receive a connect ed call when the letters are sent out.

GRADUATION will be on May 30th at the Luhrs Center. Tickets are required for this event.

April 12th!!

Career Corner

March was a busy month with numerous Career Trips. On March 1 several students spent the day at the Aspiring Teachers Summit at Shippensburg University. At this event students heard from a keynote speaker, attended workshops, and toured Grace B. Luhrs Elementary School. March 7 was the DCNR Career Expo where students heard from over 15 presenters showcasing the numerous careers in Agricultural, Conservation and Natural Resources, and Environmental Protection within the Commonwealth. On March 21 students attended a Health and Wellness Expo where students were introduced to career opportunities at UPMC, Wellspan, Cumberland Goodwill EMS, UCP Central PA, and the Arc of Cumberland & Perry Counties. Students also learned about various health care majors at Central Penn College and Penn State University. The Math & Computer Science Day was held at Shippensburg University on March 26. At this event students completed math problems and puzzles alongside current SU Mathematics majors. Students also heard about the growing career of actuarial science.

SASHS congratulates Ekmahnee Kothpratoum who completed the ACE (Architecture, Construction, Engineering) program on March 7. Every Thursday from October thru March Ekmahnee attended lectures at Cumberland Perry Technical School. Each week students heard from a different mentor in architecture, interior design, civil engineering, landscape design, structural engineering, mechanical engineering, electrical engineering, and construction and building trades.

Testing Season is HERE...

As we embark on the fourth marking period, we're gearing up for a series of end-of-year activities, including the crucial Keystone and AP examinations slated for May. For students involved in these assessments, it's essential to follow a specific schedule. For those families that paid for an exam for their AP course, this will be the exam. Take a moment to review the schedule provided below to ensure your child is adequately prepared for their upcoming exams.

Additional information will be sent out next month regarding what students would need for their AP exams as well as some test taking tips for all students taking exams.
