

## **School Council Meeting Notes**

**February 26, 2026**

Mrs. Cooper-Riley called the meeting to order at 4:31 PM. The following members were present: Mrs. Wood, Mrs. Shillcutt, Mrs. Bips, Mrs. Nasworthy, and Ms. Butler. Mrs. Cooper-Riley requested approval of the agenda and previous meeting minutes. Both were approved. Mrs. Shillcutt shared information about AMIRA and how the reading AI program is being used in the school and in the district. Data was shared with the members, and parent reports were shared with the parents that were present. New business was a request for a list of possible topics that could be covered during a school council meeting. If council members have any topics that they would like to be addressed, they will email Mrs. Shillcutt, the principal. If no topics are requested, Mrs. Shillcutt will share information about PBIS. The last School Council meeting left for the 2025-2026 school year will be on 5/14. The meeting was adjourned at 5:18 PM.
