Notes From the **Superintendent**

We have completed the first few weeks of school, and I am pleased to state that we are off to a great start. I want to thank parents for their efforts in preparing their students for the start of school and for attending the Back to School Night on August 11, 2025. We had excellent attendance and students were able to meet their teachers, deliver supplies, and organize their lockers. Parent and student participation in this annual event helps the first days of school go smoothly so thank you for your participation. One of the strengths of our district is parent engagement and support.

In cooperation with the Carroll County Sherriff's Office our district has continued our School Resource Officer Program. We are very pleased to have Officer Dan Nevills working with staff and students again to enhance safety and security within our building. In addition, he will continue building relationships with students, parents, and community to enhance trust between law enforcement and our communities. We are pleased to be able to continue to offer this additional layer of security and Officer Nevills will be present each school day and at various after-school events.

We wish to remind parents that the school buildings are not open before 7:50 A.M, at which time school employees will enable students to enter through the various doors. Students or parents arriving after 8:15 A.M. need to enter through the following buzzer release door: Milledgeville School – North rear main entrance from the parking lot (large orange fascia). All exterior doors are locked from the outside on a permanent basis during the school day to enhance safety and security.

Our school news will be produced in-house by District Secretary Ms. Jody Mertz. If you would like a copy mailed to you please contact the district office at 1-815-225-5839. Otherwise, the monthly newsletter will be emailed to stakeholders and posted on the district's website: www.dist399.net and Facebook page.

Sincerely,
Tim J. Schurman, Superintendent

Morning with your MISSILE!

K-5 Students and Families, get ready for Morning with Your Missile!

~ The event date has been changed from what is on the district calendar. It will now be held on **Friday, September 19, 2025**, in the Milledgeville cafeteria from **7:15 to 8:00 a.m.**

~ This event is only for K-5 students and two guests of their choice. Students and guests will enjoy a Selmi's apple cider donut and a drink. There will be photo opportunities, student artwork on display, and a chance to meet some of the Missile teachers and staff.

~ Invitations have been sent home with students and RSVPs are to be turned in no later than September 8th. It is extremely important for RSVPs to be returned and only those who RSVPed for the event attend to ensure we have enough donuts and drinks.

Pesticide Application Notification

In accordance with the District's integrated pest management program, pesticide will only be used when necessary. If pesticides are needed at either the Chadwick or Milledgeville School, they will be applied the first Thursday of every month between 6 a.m. and 6:30 a.m. Those with questions may contact the superintendent at 225-5839.

School Reach Automated Telephone Contact System

When the administration decides to close school, dismiss early, or wants to provide an important reminder to parents we will execute a School Reach call. When a School Reach call is made a recorded message will be sent to the contact numbers you provide the school district during registration. Please make sure that the contact numbers we have for your family are accurate and up to date. Warning: In the case of school closing you will receive phone call notification very early in the morning i.e. 5:00 A.M. If this is not acceptable notify in writing the office secretary in the building your child attends that you would like to be removed from the School Reach telephone notification program.
