

THIS WEEK @ CA3L

DUAL ENROLLMENT

Week of: 4-24-24

A note from CA3L:

Happy Monday, everyone!

We hope everyone had a wonderful and restful weekend! It is the last week before finals at Troy and ESCC. The semester has really flown by!

VIRTUAL STUDENTS should be checking the virtual student mailbox by the check in folder weekly as well as Remind and PCS email daily. This is your responsibility as virtual students. If you fail to uphold your responsibilities, you will be held accountable either by missing out on opportunities or by losing your virtual status.

Please be mindful to submit any missing assignments or corrected assignments if possible this last week of college class. Please schedule an office visit with your professor if you have a C or lower to ask how to study for the final. **Mechatronics students MUST submit missing zeros for half credit at ESCC Ozark. Do not leave a zero in your gradebook.**

Have a great week!

 Mrs. Jefcoat
& Mrs. Ellis
