

A LOOK BACK

Dual enrollment Juniors celebrated being thankful a little early with a Thanksgiving Brunch this week! We missed the ones that couldn't make it.

9th grade STEM Academy students competed in the Troy University BEST Robotics Competition on Saturday, November 16. This was an 8-week competition where students had to not only build a robot from raw materials, but also market and sell the robot to judges.

1st Place in Critical Robot Design, 2nd Place in Web Page Design, 2nd Place in Marketing Presentation, 3rd Place in Spirit and Sportsmanship

<ul style="list-style-type: none"> • University of Alabama Recruiter 9-11 am

THIS WEEK @ CA3L

DUAL ENROLLMENT

Week of: 11-18-24

A note from CA3L:

Good morning, everyone!

CA3L is excited to host the University of Alabama Recruiter this Friday November 22 at 9:30am. Senior parents are welcome to attend. All CA3L students will attend the presentation.

Please be advised that ACCESS will end during the week of ESCC final exams. If you have an ACCESS course, you should MAKE SURE you are on track to finish before your finals. Do not wait until the last minute to work on ACCESS. If you are behind, you will need to catch up on weekends or even during Thanksgiving.

Please remember to bring cleaning supply donations for the Boys and Girls Club of Troy during our November Supply Drive.

Have a great week!

Mrs. Jefcoat
& Mrs. Ellis
