- A. School Improvement Plans Approval Process
 1. School improvement plans are submitted to the Board for approval. Any District review or revision of the school improvement plan in preparation for presentation to the Board must be done with the collaboration and approval of the school advisory council.
 2. The Board approves or declines to approve each plan. If all plans are approved, the Superintendent and Board Chairman certify to the Commissioner of Education that the plans have been approved for the coming year together with any necessary report that a school has not made adequate progress. The plans themselves are not submitted to the Commissioner.
 3. If a Board declines to approve a plan, in returning the plan to the school advisory council for revision it must state: (a) the elements within the plan is found to be problematic, and (b) recommendations for change which would enable the plan to be approved. The school advisory council is to then take the comments of the Board and consider revising and resubmitting the plan based upon the Board feedback. The Board then approves or disapproves any revision.
 4. If the school advisory council determines that the Board's suggested changes are not consistent with their goals and/or does not desire to modify the plan, then the council and Board are asked to mutually agree to use a dispute resolution process. The Board is

strongly encouraged to involve representatives of all the stakeholders in developing such a dispute resolution rule and to offer the broadest range of options.

5. The dispute resolution process is implemented in an effort to resolve the conflict. If the conflict is not resolved, then formal notice is given by the Board to the Department of Education that additional assistance will be required. The school advisory council may also notify the Department of Education.

B. Conflict/Dispute Resolution Process

Should the Board decide not to approve a plan, in returning the plan to the school advisory council, the Board shall state the elements within the plan found to be problematic and recommend changes. The school advisory council shall consider revising and resubmitting the plan based upon the Board's feedback. The Board shall approve or disapprove the school improvement plan. A plan that still does not receive Board approval shall be reviewed by a mediation committee.

1. The mediation committee shall be composed of the school principal, the advisory council chairperson or designated school advisory council member, Board Chairman or designated Board member, the Superintendent or designee, and a facilitator to be mutually agreed upon by the committee members.
