

Announcement for "Meals for Students in the Summer"

We've saved a place for you. Sit down and eat with us, where Alabama's kids eat free along with teens in our state - all summer while school is out of session. In Ozark, you can go to the Autrey Center at 740 West Reynolds, Ozark, Alabama

Breakfast is served from 9:00-10:00 am. Lunch is served from 12:00-1:00.
Meals will be served Mondays - Fridays (June 2 - July 25)

If you are not in Ozark, you can go to the "Break for a Plate" Location Finder to see where your child or teen can continue to receive two free meals each day during the summer.

We encourage you to take this opportunity to provide your child or teen with free summer meals through the USDA Summer Food Service Program.
