Madison Toomes' big heart and drive to do her best make her fellow Bulldogs proud of her and her recognition as Liberty Elementary School's STAR³ Student for October.

Northeastern Randolph Middle School - Peyton McGraw - 8th Grade

Peyton McGraw is the epitome of what a STAR³ Student should represent. She is highly motivated, both in and out of the classroom. She always is prepared to answer questions, participates in class discussions, and is willing to help any student in need. Peyton specifically enjoys helping the quieter, more reserved students by asking questions on their behalf. Students know they can turn to Peyton, and she is willing to help. Beyond the core classroom, Peyton is the current president of our FFA, and participates on the hunter safety team and both the dairy and poultry judging teams. This past summer, she used her free time to work on her creative writing skills, to be best prepared for the annual Junior BETA competition in January. As a BETA member, she exceeded the hours of expectation for community service last year. She is kind, responsible, respectful, and a great role model for her fellow Patriots. Congratulations to Peyton McGraw, Northeastern Randolph Middle School's STAR³ Student for October.

This young woman cares enough about others to take action through her extracurricular work with HOSA. Randleman High School is proud to recognize Jordan Booker as our STAR³ Student for October.

Randleman Middle School - Teanna Bostick - 8th Grade

Entering a new grade level comes with challenges, but Teanna Bostick is knocking it out of the park (pun intended). She is an integral member of our Lady Tiger softball team and demonstrates that same commitment to teamwork off the field during group based assignments. Collaborator, scholar, and leader are only three of the many character traits she possesses. Teanna's attitude is continually positive and she shows kindness and respect toward peers and teachers alike. The quality of her work both in the classroom and on the field is stellar, and her future appears to be home run worthy. It is with great pride that we select Teanna Bostick as the Randleman Middle School STAR³ Student for October.
