# Persuasive Writing

To be *persuasive* is to be good at convincing people to think a certain way.

Write a persuasive passage in which you try to convince your readers that they should either read or not read *The One and Only Ivan*. Make sure to include reasons for why you think the story is good or bad using examples from the text. For example, if you tell your readers that the story is funny, tell them about something funny that happens in the book.

**With this passage, what do you hope to persuade your readers to**

**do?** ○ **Read this book!** ○ **Don't Read this book!**
