## FOREWORD

---

Jefferson County School District (referred to as “JCS D” or “the District”). It is our belief that the contribution of your skills, knowledge, and positive attitude are essential components to the continued success and growth of the District. You are a valued employee of JCS D; therefore, we encourage you to let your administrator/supervisor know about your accomplishments as well as problems and your ideas on solving them. We believe in you and your contributions and hope you will take pride in being a member of our educational team.

The information provided in the JCS D Employee Handbook has been assembled to guide you through the school year. Use the JCS D handbook as a reference in addition to the student handbook and your respective school handbook. It outlines the District’s expectations, policies, and programs, serving as a resource throughout your employment.

The Jefferson County School District’ Employee Handbook is provided as a guide and is not meant to create, nor should it be construed as creating a contract of employment. You should not interpret this handbook or any other documents (such as benefits, statements, performance evaluations, or any other written or verbal communications) as an employment agreement (either expressed or implied). JCS D Board policy supersedes all documented material published or unpublished.

The JCS D Employee Handbook is not intended to be all-inclusive and it will not address every situation. If you find you are unsure about a specific entry, do not hesitate to ask for information from your administrator or direct supervisor. Discussion of policies and procedures found in this manual is welcomed by the administrative staff at each school and the central office. Jefferson County School District reserves the right to make changes to the policies, procedures and other statements made in the Employee Handbook. Organizational needs, federal and state law are constantly in flux and may require portions of the handbook to be rewritten. While the District will try to give employees advance notice of any change, the District reserves the absolute right to alter these policies at any time, and from time to time without advance notice.

## COMPLIANCE STATEMENT

The Board of Trustees will act as final source of appeal in cases where the superintendent has been unable to satisfy the challenge.

## SECTION I: EMPLOYMENT

### Equal Employment Opportunity

No person shall be denied employment, re-employment, or advancement on the basis of gender, marital status, race, color, creed, national origin, socioeconomic status, religion, genetic information or disability in accordance with federal and state laws and state accreditation standards. Board policies follow state and federal laws and related regulations and procedures for employment, retention and dismissal of all personnel.

All applications for employment shall be given equal consideration and positions shall be awarded on the basis of needs of the district, qualifications of the applicants and recommendations of those applications at the time a vacancy occurs. Age shall be considered only with respect to the minimums or maximums as set by law. The district will not discriminate on the basis of disability in admission or access to, or treatment or employment in, its programs and activities to the extent provided by law.

Employees who wish to file complaints of discrimination related to marital status, race, color, creed, national origin, socioeconomic status, genetic information or religion should refer to the District's Complaint Procedures contained in this employee handbook.

### Recruitment And Selection

Open positions will be posted at the Central office, on the district's web page, and on the Mississippi Department of Education (MDE) Teacher Center's web page. This school district shall employ licensed staff on a professional basis without regard to age, race, color, gender, or national origin. All certified positions in this school system requires personnel to possess a valid license and shall execute a written contract with the local Board of Trustees.

### Application Process

Persons interested in employment with JCSD must complete an application and provide all necessary informational forms to complete the application process.

- Education
- References
- Certifications/Licenses

### Selection Process

Applicants must possess a valid Mississippi Standard or Alternate Educators License with the appropriate area of endorsement(s) for the position. The selection of personnel shall be based upon the qualifications and employment history of the applicant and the performance responsibilities of the position for which he/she is applying.

### Employee Background Check

By state statute, all newly hired licensed and non-licensed employees must have a criminal records check performed by the FBI and the State CIC center. Fingerprints must be taken and submitted as part of the background check. The cost to conduct the background check is \$50.00 per applicant.

Employment verification is also required.

### Criminal Records/Child Abuse Registry Check

The Superintendent shall require that current criminal records background checks and current child abuse registry checks are obtained and such information is kept on file for any new hires applying for employment as either a licensed or non-licensed employee who was not employed by JCSD before July 1, 2000. All applicants shall be fingerprinted for such background checks. The Superintendent shall be responsible for seeing that JCSD complies with the requirements of Mississippi Department of Education, and state and federal laws regarding such background checks.

If for any reason background check information is not provided before an employment contract is signed or at-will employment begins and the background check discloses information making the employee ineligible for employment, the Superintendent may immediately revoke any contract and terminate any employment relationship. If the Superintendent revokes a contract for these reasons, he/she shall inform the Board of Education for its approval of the revocation. It is the policy of JCSD that no waivers will be granted to new hires or to any person who has already been granted an employment contract or who has begun employment before the required background checks disclosures have been provided to JCSD if such information discloses a felony conviction, guilty plea, or plea of nolo contendere to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, burglary, rape, sexual battery, a sex offense listed in MS Code § 45-33-23 (g), child abuse, arson, grand larceny, gratification of lust, or aggravated assault which has not been reversed on appeal or for which a pardon has not been granted.

The Superintendent may, in his/her discretion, grant waivers if he/she finds mitigating circumstances for possession of drugs or for any felony or misdemeanor other than those listed in the paragraph above that are disclosed on such background checks. If the Superintendent decides to grant such a waiver, he/she will disclose the waiver to the BOT before the BOT considers the applicant for employment by JCSD. If the background check information is not provided until after employment has begun, the Superintendent shall inform the BOT of his/her grant of a waiver and present it to the BOT for approval and ratification.

### “At-Will” Employees

I understand and agree that I am an “employee-at-will.” I understand my employment is for an unspecified period of time, and that either the District or I may terminate employment at any time, with or without reason or notice. I understand the policies described in this handbook do not explain every employment situation. These are merely guidelines. Further, I acknowledge the employee handbook is NOT an employment contract, nor is it intended to create any contractual rights, obligations, or guarantees of my employment with the District. In addition, I understand no one has the right to alter the employment-at-will relationship other than the Superintendent.

### Educational And Sabbatical Leave

The Jefferson County School District provides educational leaves of absence without pay to certain eligible employees who wish to take time off from work duties to pursue educational goals or for a job-related purpose. Employees in the following employment classification are eligible to request educational leave as described in this policy:

- Full-Time Employees

Eligible employees who have completed two full continuous years of service may request educational leave. The employee must submit a request explaining the reason for educational or sabbatical leave in writing. **The request is not automatically approved.** Requests must be reviewed and approved by the

Board of Trustees. The request will be evaluated based on a number of factors, including anticipated workload requirements and staffing considerations during the proposed period of absence. If an employee needs additional time to complete educational requirements or other reasons related to the sabbatical leave, a written request must be given to the Board of Trustees for consideration of an extension.

Subject to the terms, conditions, and limitations of the applicable plans, the Jefferson County School District will provide health insurance benefits until the end of the first full month of the approved educational leave. At that time, **the employee will become responsible for the full costs of these benefits if he/she wishes coverage to continue.** When the employee returns from educational leave, the district, according to the applicable plans, will again provide benefits. **Benefits accruals, such as vacation and sick leave will be suspended during the leave and will resume upon return to active employment.**

### Personnel Assignment

The administration may make changes that are in the school district's best interest because of curricular or instructional needs, reduction in force at building or district level, request of the teacher, or other such factors as staff morale, personal problems, or other just reasons. Normal attrition shall be considered prior to any staff transfers. The administration may make staff transfer or reassignment effective during the current or upcoming school year.

Athletic coaches, equipment managers, athletic aides, assistants, and/or others who have athletic responsibilities shall be assigned duties by the athletic director with the approval of the Superintendent. The Board shall employ all such persons on an at-will basis with respect to such athletic duties.

The Superintendent, with the assistance of the athletic director and the approval of the Board, shall determine the duties and number of days per year to be worked by athletic personnel. Such determination shall be based on considerations of individual sports needs and the time necessary to coach the activities or sports assigned.

All coaches shall work together to promote all sports. All coaches not directly responsible for the sport in season shall assist the responsible coach, upon request and within limits established by the Superintendent.

Athletic-related duties are non-instructional and supplementary to the teaching contract. Therefore, athletic-related positions are not subject to the School Employment Procedures Act.

### Transfers

The Superintendent shall be the final authority involving assignment and transfer of teachers within JCSD. Teachers who desire a transfer from their present teaching assignment must make such a request through the transfer request form to their principal. The sending principal, the receiving principal, and the Superintendent must approve transfers. All transfers will be considered on their own merits. The principal has the authority to determine the assignment of any employee within the school. The principal has the authority to recommend to the Superintendent the transfer of any employee.

Once a teacher has accepted his/her school assignment, the teacher is encouraged to remain at that location for three years before being considered for transfer. Please refer to your administrator or the Office of Human Resources regarding deadlines for transfer requests.

**A teacher's contract is with the JCSD BOT. The contract is not for a particular school, grade, or specific subject.**

### Onboarding/Orientation

New employees will be advised by their supervisor when to report to Human Resources for an onboarding/orientation session. At that time benefits will be explained, and assistance will be given with the completion of necessary forms. It shall be the responsibility of the employee's immediate supervisor to give a brief orientation on the policies and procedures referred to in this handbook to persons they employ. Copies of this handbook should be secured from Human Resources for this purpose or the District's website.

### Reemployment

Former employees with good records are eligible for rehire and consideration will be given to rehiring such applicants. A former employee who is rehired begins as any other new employee with no vested seniority or benefit (sick leave, vacation, personal leave) status. A former employee of the JCSD who is reemployed into the same or a similar position, within a year's time, shall be placed on the same salary step he or she was on at the time he/she left the district. The employee must complete a background check before being rehired.

The JCSD is committed to providing a work and school environment which is free from all forms of discrimination and conduct that can be considered harassing, bullying, coercive, or disruptive, including sexual harassment.

Actions, words, jokes, or comments based on an individual's age, sex, race, color, national origin, religion, disability, or any other legally protected characteristic will not be tolerated. It is the intent of JCSD to maintain an environment free from harassment of any kind, including sexual harassment and bullying. Therefore, sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, and bullying of any nature, are prohibited. It shall be a violation of JCSD BOT policy for any employee to use sexual harassment or harassment in any form toward any other employee or student. JCSD will investigate all formal and informal, verbal and written complaints of such harassment. Any employee who is found to have harassed any employee or student will be disciplined. All employees shall be trained annually and are mandatory reporters. Should violations prove to be legitimate, the offending employee shall be subject to disciplinary action, including involuntary termination of employment.

## Sexual Harassment and Prohibitions

Jefferson County School District forbids discrimination against any employee or applicant for employment on the basis of sex. The Board of Education will not tolerate sexual harassment activity by any of its employees. This applies to non-employee volunteers who work subject to the control of school authorities.

This school district affirms employee protection provided under Title VII, and therefore "shall not tolerate verbal or physical conduct by any employee, male or female, which harasses, disrupts, or interferes with another's work performance or which creates an intimidating, offensive, or hostile environment."

It is the intent of the School Board to maintain an environment free from sexual harassment of any kind. Therefore, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature amounting to or constituting harassment are prohibited.

### General Prohibitions

1. Unwelcome Conduct of a Sexual Nature
  - a. Conduct of a sexual nature may include verbal or physical sexual advances, including subtle pressure for sexual activity; touching, pinching, patting, or brushing against; comments regarding physical or personality characteristics of a sexual nature; and sexually-oriented "kidding," "teasing," double-entendres, and jokes.
  - b. Verbal or physical conduct of a sexual nature may constitute sexual harassment when the allegedly harassed employee has indicated, by his or her conduct, that it is unwelcome. An employee who has initially welcomed such by active participation must give specific notice to the alleged harasser that such conduct is no longer welcome in order for any such subsequent conduct to be deemed unwelcome.

### Sexual Harassment

Unwelcomed sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when certain criteria are met.

The criteria are:

- a. Submission to the conduct is made either an explicit or implicit condition of employment;
- b. Submission to or rejection of the conduct is used as a basis for an employment decision affecting the harassed employee; or
- c. The conduct substantially interferes with an employee's work performance or creates an intimidating, hostile, or offensive work environment.

### Specific Prohibitions

#### Administrators and Supervisors

- a. It is sexual harassment for an administrator or supervisor to use his or her authority to solicit sexual favors or attention from subordinates when the subordinate's failure to submit will result in adverse treatment, or when the subordinate's acquiescence will result in preferential treatment.

- b. Administrators and supervisors who either engage in sexual harassment or tolerate such conduct by other employees shall be subject to sanctions, as described below.

### Non-Administrative and Non-Supervisory Employees

- a. It is sexual harassment for a non-administrative and non-supervisory employee to subject another such employee to any unwelcome conduct of a sexual nature. Employees who engage in such conduct shall be subject to sanctions as described below.

### Reporting, Investigation, and Sanctions

1. It is the express policy of the Board of Education to encourage victims of a sexual harassment to come forward with such claims. This may be done through the Employee Grievance Resolution Procedure.
  - a) Employees who feel that administrators or supervisors are conditioning promotions, increases in wages, continuation of employment, or other terms or conditions of employment upon sexual favors, are encouraged to report these conditions to the appropriate administrator. If the employee's direct administrator or supervisor is the offending person, the report shall be made to the next higher level of administration or supervision.
  - b) Employees are also urged to report any unwelcome conduct of a sexual nature by supervisors or fellow employees if such conduct interferes with the individual's work performance or creates a hostile or offensive working environment.
  - c) Confidentiality will be maintained, and no reprisals or retaliation will be allowed to occur as a result of the good faith reporting of charges of sexual harassment.
2. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The Superintendent has the responsibility of investigating and resolving complaints of sexual harassment.

Any employee found to have engaged in sexual harassment shall be subject to sanctions, including, but not limited to warning, suspension, or termination subject to applicable procedural requirements.

### Anti-Retaliation Procedure

The District prohibits retaliation against any individual engaged in a protected activity. Protected activities include making an honestly believed complaint of sexual or other forms of harassment; participating as a witness or otherwise in a harassment investigation; or requesting accommodations based on religion or disability. Employees can raise concerns, make reports, request accommodations, and participate in investigations without fear of reprisal.

Retaliation conduct is seen as an adverse action that could dissuade a reasonable worker from making or supporting a charge of discrimination. This includes actions such as termination, demotion, refusal to promote, threats, unjustified negative references or increased surveillance. Retaliation will not be tolerated and will be cause for disciplinary action.

## Grievance Procedure

### **Level 1:**

All grievances must be submitted on the Grievance Form Level 1. The grievant's statement should include the date, time, place, nature of the alleged act or omission, the names of persons involved and witnesses as well as any documents supporting the grievance, and the District policy, state law, or federal law violated. The Level 1 form must be given to the grievant's principal or supervisor within 5 working days of the alleged act or omission. If the grievance is against the grievant's principal or supervisor, the grievant should give the Level 1 form to the Director of Human Resources (HR Director) within 5 working days of the alleged act or omission.

The principal/supervisor or the HR Director, as the case may be, will investigate and attempt to resolve the grievance informally. Any resolution must be documented on the Level 1 form and returned to the grievant within 5 working days from receipt of the Level 1 form by the principal/supervisor or the HR Director. If the grievant is not satisfied with the resolution at Level 1, the grievant is responsible for submitting to the HR Director, the Level 1 form and the Level 2 form with the intention to appeal the decision of the principal/supervisor or HR Director.

Failure of the grievant to submit, within 5 working days from receipt of the Level 1 form with the recommended resolution, both the Level 1 form and the Level 2 form to the to the HR Director, shall be deemed acceptance by grievant of the decision by the principal, supervisor, or HR Director.

### **Level 2:**

The HR Director will inform the Superintendent of the Level 2 grievance. The Superintendent or his designee will conduct an investigation and afford the grievant an opportunity to tell his or her side of the grievance and to explain why the recommended resolution is not satisfactory.

Within 20 working days of receipt of the Level 2 appeal, the Superintendent or his designee will render a decision on the appeal and notify the grievant by completing the Level 2 form.

### **Level 3:**

If the grievant is not satisfied with the resolution recommended by the Superintendent or his designee, the grievant may file a Level 3 form with the HR Director. The Level 3 form must include copies of both the Level 1 and Level 2 forms with the recommended resolutions.

Failure by the grievant to give the HR Director a Level 3 form within 5 working days of receipt by the grievant of the Level 2 form shall be deemed acceptance by the grievant of the decision at Level 2.

Upon receipt of the Level 3 form (with Level 1 and Level 2 forms attached), the HR Director must forward the Level 3 grievance to the Secretary of the Board of Education (the Board). The Board shall consider the grievance at its next regularly scheduled meeting unless the Level 3 form is received so close in time to the scheduled meeting that the Board, in its discretion, may decide to consider the grievance at a later meeting.

At the Board meeting, the grievant shall be given a certain limited time period to explain why the resolution recommended at Level 2 should not be affirmed by the Board and what action the Board should take with respect to the grievance.

Within 5 working days of considering the grievant's Level 3 appeal, the Board shall render a decision in writing to the grievant.

\*NOTE: Level 1, Level 2, and Level 3 Grievance Forms are accessible online at [www.jcpsd.net](http://www.jcpsd.net) under Employee Resources.

## SECTION III: EMPLOYEE BENEFITS

The Jefferson County School District Board of Trustees is dedicated to providing the children of this community with a world-class education. In attempting to do so, the Board recognizes that highly qualified personnel are essential. For this reason, the Board aspires to establish an environment that will attract and retain the highest quality personnel.

Eligible employees of the Jefferson County School District are provided a wide range of benefits. A number of the programs such as Social Security, Workers' Compensation, state disability, and unemployment insurance cover all eligible employees in the manner prescribed by law. Benefits eligibility is dependent upon a variety of factors, including employee classification. Your principal, supervisor, or the Benefits Specialist can identify the programs for which you are eligible. A new employee has 30 days after the first day of employment to enroll.

The following benefit programs are available to eligible employees:

- Cafeteria Plan (Section 125 Flexible Benefit Plan)
- Public Employees' Retirement System
- Direct Deposit
- Insurance – Dental, Vision, Medical, and Other
- Legal Leave
- Family & Medical Leave
- Military Leave
- Personal Leave
- Educational and Sabbatical Leave
- Sick Leave Benefits
- Vacation Benefits

Some benefit programs require contributions from employees, but others are fully paid by the district. The benefit package for full-time employees represents an additional cost to the Jefferson County School District of approximately twenty-seven percent of wages.

### Attendance

Employees are expected to be prompt and consistent in attendance. Personal appointments should be scheduled after normal workday hours, whenever possible. Schedules differ within the District according to job position, classification, and various business needs. Your administrator/supervisor will discuss your regular working hours with you prior to your first day of employment.

- Teachers, and all other staff members, are to report as scheduled by the principal and clock in immediately.
- If you are going to be absent due to illness, you must notify the principal or designee as soon as possible.
- If you are late for any reason, contact the principal's office so arrangements can be made to cover your job until you arrive.
- Employees who clock in after the scheduled time or have problems relative to timely arrival for scheduled duties shall, on that day, provide the office with a written, dated explanation of reason for failure to arrive on time.
- No employee is to leave campus during duty hours without permission of the principal.
- **All employees are expected to be present during statewide testing.**

For the purpose of determining tardiness, an employee is tardy if he/she reports to work any time after the designated start of the scheduled workday. In general, road construction, traffic congestions, personal issues, and “normal” weather conditions are not acceptable reasons for tardiness.

An employee’s attendance record may be considered unacceptable under the following circumstances:

- a pattern of absence(s), tardiness or early departures which adversely impacts District operations and/or an employee’s performance, as determined by an employee’s immediate supervisor;
- an employee has a history of not following established school or departmental procedures for reporting absence(s);
- an employee has exhausted his/her paid time off balance and continues to be absent without authorized approval;
- an employee is using sick leave for purposes not allowed.

Unacceptable attendance records may result in disciplinary actions or possible termination. Any employee who fails to report to work without notice for two consecutive days will be considered to have voluntarily terminated employment, effective at 5:00 p.m. on the second day of unreported absence.

Job positions will not be held for employees who have unpaid, unprotected leave of absence. These employees will be considered for reemployment and may reapply through the application process once they are able to return to the District. See your school’s employee handbook (if applicable) for other instructions on attendance and duty.

Should an employee terminate employment prior to actually earning the days advanced, a payroll adjustment shall be made to recover the full cost of excess leave days previously used. Hourly school food service employees with at least one full year of continuous employment with Jefferson County School District will receive seven (7) days sick leave at the beginning of the school year.

Employees with less than one year of employment will receive 1.5 days per month for sick leave, not to exceed seven days. Employees who are unable to report to work due to illness or injury should notify their supervisor before the scheduled start of their workday if possible. The supervisor should also be contacted on each additional day of absence. Should an employee's absence extend for > three (3) or more consecutive workdays, the employee must submit on or before the fifth day, a statement from a licensed physician or dentist concerning the illness. The original letter from the doctor must be filed with the JCSD Office of Human Resources. If the need for absence is foreseeable, an employee must provide notice to the Office of Human Resources within three working days of learning of the need of the leave, except in extraordinary circumstances. The district reserves the right for the supervisor to request a doctor's statement of verification of illness regardless of the length of absence including one day.

Sick leave benefits will be calculated based on the employee's base pay rate at the time of absence. Any unused portion of annual sick leave will be carried over to the next year and credited to the employee. Unused sick leave benefits will be allowed to accumulate indefinitely. Sick leave benefits are intended solely to provide income protection in the event of illness or injury and may not be used for any other absence.

### Vacation Benefits

Vacation time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits. Eligible full-time and part-time employees who work twelve months are given ten (10) days of vacation leave per year and may accumulate up to thirty (30) days. A vacation day will be based upon the number of hours the employee is normally scheduled to work. Any days beyond the thirty (30) will be converted to sick leave on July the first of each year.

### Workers' Compensation

The District's goal is to provide a safe work environment. Each employee shall comply with all occupational safety, health policies and standards. Should an accident occur, the employee must immediately report any injury or illness, no matter how minor it may seem, to their supervisor. The supervisor must report the incident to the Workers' Compensation Coordinator. Failure to do so may jeopardize eligibility for workers' compensation.

All employees are covered for medical expenses and loss of income due to accidental injury on the job through Workers' Compensation. Employees are covered against certain loss of earnings due to injuries on the job by workers' compensation insurance policy furnished by the District. No compensation will be allowed for an injury, illness or death due to willful misconduct, intentional self-inflicted injury, intoxication, or willful failure or refusal to use safety devices or lack of compliance with prescribed safety procedures. The payment of medical bills and compensation payments will be in accordance with all applicable workers' compensation laws.

Should an employee suffer an occupational injury or illness, the following steps should be taken:

- Any necessary first-aid treatment should be administered.
- When physically able, the employee should immediately report the injury or illness to his or her supervisor.
- Both the employee and supervisor must complete a Report of Accident/Injury form within 24 hours of the injury. These forms are available from the employee's supervisor and online at the District website. Both forms must be signed and dated by the supervisor and forwarded to the Human Resources as soon as possible.
- Anyone who refuses to complete the First Report of Injury paperwork will be viewed as being insubordinate and may be subject to disciplinary action up to and including termination.

### Retirement

Any employee who plans to retire should contact the Business Office to inform them of their intent to retire. A retirement letter with an original signature must be submitted to the Office of Human Resources for School Board approval. Employees will need to request a PERS retirement packet. PERS suggests a 90-day advanced notice for the pre-application to be processed. This should be a 90 day period prior to the employee's last working day. However, PERS will provide an audit of an employee's service upon written request, 18-24 months prior to the intended retirement date. Employees desiring specific

information concerning their retirement should contact Human Resources 601.786.3721. or the Mississippi Public Employees' Retirement System (601.359.3589) or (800.444.7377) or visit the website at [www.pers.state.ms.us](http://www.pers.state.ms.us).

The district participates in the state health insurance plan for school employees. Health insurance is provided for all full-time employees of the district. A full-time employee is defined as one who works 35 hours per week or more.

Eligible employees may participate in the health insurance plan subject to all terms and conditions of the agreement between the Jefferson County School District and the insurance carrier. Several plans of the Blue Cross/Blue Shield health insurance are available. Information on each plan can be obtained from the Benefits and Compensations Specialist. Dental and vision insurance are available for employees. The monthly premiums will be deducted from the employee's salary. Information and applications can be obtained from the Benefits and Compensations Specialist.

A change in employment classification that would result in loss of eligibility to participate in the health insurance plan may qualify an employee for benefits continuation under the Consolidated Omnibus Budget Reconciliation Act (COBRA). Refer to the Benefits Continuation (COBRA) policy for more information. Details of the health insurance plan are described in the Summary Plan Description (SPD). A Summary Plan Description and information on cost of coverage will be provided in advance of enrollment to eligible employees. Contact the Human Resources Office for more information about health insurance benefits.

Information and deposit forms can be obtained from Human Resources at the Central Office and on the website under HR Forms. ### Benefits Continuation (Cobra)

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Jefferson County School District’s health plan when a “qualifying event” would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee’s hours or a leave of absence; an employee’s divorce or legal separation; and a dependent child no longer meeting eligibility requirements. Under COBRA, the employee or beneficiary pays the full cost of coverage at the Jefferson County School District’s group rates plus an administration fee. Blue Cross Blue Shield provides each eligible employee with a written notice describing rights granted under COBRA when an employee becomes eligible for coverage under the Jefferson County School District’s health insurance plan. The notice contains important information about the employee’s rights and obligations.

- Do not obstruct doorways, hallways, or stairways in any manner.

## COVID-19 Guidelines for Schools and Workplace

JCSD Response Training for COVID-19 CDC/OSHA Guidelines for Schools and Workplace

### **Module 1: Purpose / Goal**

This is a response level training designed to provide clear and actionable guidance for safe operations through the prevention, early detection, and control of COVID-19 in our schools and other educational facilities. Maintaining safe school operations or reopening schools after a closure requires many considerations but, if done well, it can promote a safe working environment.

Learning objectives: After attending participants will be able to:

- Explain basic facts about COVID-19.
- Assess the risk of workplace exposure to COVID-19.
- Define key steps in worker protection and infection control.
- Identify methods to prevent and respond to COVID-19 exposure in the workplace.

### **Module 2: How COVID-19 Spreads**

- ● There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19).
- ● The best way to prevent illness is to avoid being exposed to this virus.
- ● The virus is thought to spread mainly from person-to-person.
- Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs, sneezes or talks.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- Some recent studies have suggested that COVID-19 may be spread by people who are not showing symptoms.

### **Module 3: Symptoms of Coronavirus**

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus.

People with these symptoms may have COVID-19:

- ● Cough
- ● Shortness of breath or difficulty breathing
- ● Fever
- ● Chills
- ● Muscle pain
- ● Sore throat
- ● New loss of taste or smell
- Gastrointestinal symptoms like nausea, vomiting, or diarrhea.

This list is not all possible symptoms. Please call your medical provider for any other symptoms that are concerning you.

### **Module 4: Before Returning to Workplace**

- Every employee must self-check their temperature daily at home before reporting to work. If an employee's temperature is at or above 100.4, they should not report to work.
- If an employee is experiencing and/or exhibits symptoms of COVID-19, they are not to report to work. They should contact their building level administrator and their medical provider for directions.
- If an employee does not report to work for multiple days based on the previous stated reasons, their building level administrator should request that they be tested for COVID-19.
- If an employee misses three consecutive days of work, but fails to take a COVID-19 test, the building level administrator should request that FMLA information be submitted to the employer.

#### **Module 5: CDC Methods to Prevent COVID-19 in the Workplace**

- Avoid Close Contact
- Remember that some people without symptoms may be able to spread the virus.
- Stop handshaking – use other non-contact methods of greeting.
- Stay at least 6 feet (about 2 arms' length) from other people.
- Do not gather in groups.
- Stay out of crowded places and avoid mass gatherings.
- Keeping distance from others is especially important for people who are at higher risk of getting very sick.

#### **Wash Your Hands Often**

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

- Remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

No employees or officers or agents of the District may solicit or accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to sub-agreements.

Timelines, set by the principal, must be followed (a minimum of 15 days prior to the trip). The number of trips will be limited due to the complexity of arranging and the legal liability involved.

Planning the field trip and arranging the details are the teacher's responsibility. All field trips must be approved by the Principal and must be submitted for a bus permit two weeks prior to the trip. This includes any and all events pertaining to athletics or academic events. Consult your principal and follow the guidelines established at your individual school. Field trips should not occur during statewide testing.

In the event of serious illness or injury and a parent/guardian cannot be contacted, school authorities shall seek immediate professional medical care. Such care shall be at the expense of

the parent/guardian.

If a student becomes ill while in class, send the student to the office with a pass. Have another student accompany him/her if his/her condition so indicates. Even if you believe a student is feigning illness, it is still better practice to treat him/her as though he/she is sick. The office will assume responsibility for further action.

### Medication

The school nurse, in accordance with standing orders written by the Jefferson County School District and with written authorization by the parent/guardian, may give a limited number of over-the-counter medications. If the school nurse is not available, the parent/guardian must bring the medication to school and administer it. Students require an Authorization for Administration of Over-the-Counter Medications Form completed and signed by the parent/guardian to receive over-the-counter medications at school. This authorization is completed online with student registration and is valid for one year. School nurses will not be able to administer any other over-the-counter medications unless the following is completed:

The school reserves the right to refuse administration of any medication when circumstances warrant such action. This may include adverse reaction, incomplete instructions for administration, non-compliance by the parent or student with school policy, or other extenuating circumstances. The parent/guardian will be notified of these situations.

### Nepotism

Employment of relatives in the same area of an organization can cause serious conflicts and problems with favoritism and morale. In these circumstances, all parties, including supervisors, leave themselves open to charges of inequitable consideration in decisions concerning work assignments, transfer opportunities, demotions, disciplinary actions and discharge. In addition to claims of preferential treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships. While the District has no prohibition against hiring relatives, the following general restriction has been established to help assure fair treatment of all employees.

In the placement of personnel, immediate family members cannot be placed on the same school campus that would result in one family member supervising and/or recommending another family member.

If the relative relationship is established after employment, the individuals concerned will decide who is to be transferred or discharged. If that decision is not made within 30 days, the Superintendent will decide.

In other cases, where a conflict of interest or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

The Jefferson County School Board reserves the right to make exceptions to this policy if it is in the best

interest of the District.

### Outside Employment

Employees choosing to work outside JCSD may do so as long as it does not create a conflict of interest or interfere with their work schedule or job performance. Outside employment that affects an employee's attendance, work performance, productivity, or conduct, either directly or indirectly, or that creates a conflict of interest of any kind, is strictly prohibited.

### Relationships

**Teacher-Principal:** Exchanges of ideas in any area as curriculum, discipline, instruction, facilities, services, etc. are encouraged and appreciated. Democratic practices are the goal. The principal, through class visitation, assists the teacher in every possible way to ensure the most effective learning for each student. The teacher and principal continuously keep each other informed. In dealing with the office of the Superintendent, the proper channel is through the principal. This does not include personal calls you may wish to make to an office worker concerning your own personal data and actions related to it.

**Teacher-Student:** Each student's request or problem is important and should be treated with respect. The principal is the final authority in matters pertaining to students. For this reason, teachers are responsible for preliminary work in the realm of problem solving before the principal can act.

**Teacher-Parent/Guardian:** Teachers have the responsibility and authority to discuss an individual student's problems directly with the student's parent(s)/guardian. This may be done directly, keeping the principal informed beforehand as to the problem, and afterward, as to the result. To know the parent/guardian is to know the child better. Consult the principal when you are not sure. Teachers shall not discuss the student's performance with anyone other than the student, his/her parents/guardian or with legitimate authorized personnel. Report all evidence of child abuse to proper authorities and to the principal.

**Teacher-Teacher:** Teachers are encouraged and urged to cooperate directly on matters of mutual constructive nature. Keep the principal informed. Interactions and relationships should be maintained on a professional level and manner.

**Teacher-Administrative Staff:** Deal directly with any member of the school's administrative staff. Bring problem areas in this regard to the principal's attention. The administrative staff coordinates, supports and supervises the entire operation of the school.

**Administrative Staff – Superintendent:** Immediately report any concerns, evidence of abuse, suspected abuse, or any inappropriate activity to an Assistant Superintendent or the Superintendent. Follow-up with written confirmation to an Assistant Superintendent or the Superintendent.

However, any employee of the District who participates in social networking websites such as Snapchat, Instagram, Twitter, Facebook, LinkedIn and YouTube shall not post any data, information, documents, photographs, or any other items that are inappropriate and that interfere with the work of the school district, may disrupt the school environment or the educational process, impair the employee's ability to perform his/her duties with the District, is used to harass coworkers or other members of the school community, creates a hostile or intimidating work environment, breaches the employee's confidentiality obligations, or harms the goodwill and reputation of the school district. The Superintendent or his designee will periodically conduct Internet searches to determine whether information and items posted on a website are inappropriate.

No employee of the District who participates in social networking websites may use the websites to fraternize or socialize with students; or to post inappropriate comments about students. No employee of the District may use text messaging, e-mail or other social media to socialize with or fraternize with students. Employees should use only District approved websites to communicate with students and then, only about school matters. ### Copyright Material Use

It is the intent of the Jefferson County Public School District's Board of Education to adhere to the provisions of current copyright laws and congressional guidelines. Infringement of copyright is both illegal and unethical and, therefore, contrary to the school district's policy. It is also the policy of the Jefferson County Public School District to adhere to the provisions of the copyright laws in the areas of microcomputer software. The principal at each school is responsible for establishing practices that will enforce district copyright policy at the school level.

### Student Teachers

The JCSD BOT, recognizing both its responsibility to improve the quality of teacher training and the contribution that student teachers can make to the schools, encourages the administration to cooperate with teacher-training institutions in the placement of student teachers in JCSD's schools in all reasonable ways. The importance of teacher-training to the future of education, and the need to assure a high quality of performance in our schools, demand that student teachers be placed only with the best teachers. Because teachers continue their primary responsibility, (the education of their students), their commitment is doubled. These teachers must have demonstrated a capacity and willingness to meet these additional demands. The teacher, in cooperation with the principal and the representative of the preparation institution, shall assign the student teacher or intern responsibilities and duties that will provide adequate preparation for teaching. MS Code § 37-132-3.

The classroom teacher is responsible for the implementation of the above timetable which shall be sufficiently flexible to meet the needs of the student teacher and pupils.

### Suicide Prevention Training

The BOT of the JCSD recognizes that suicide is a major cause of death among youth and should be taken seriously. It is the policy of JCSD that training on suicide prevention education will be required for all school district employees and submission of a certificate of completion every two years.

### Teacher Appraisal

JCSD utilizes both formative and summative evaluation of its licensed employees. Formative evaluations may be viewed as growth-oriented supervision and is designed to help teachers and other licensed personnel improve their instructional skills. Its purpose is primarily developmental. Summative evaluations, on the other hand, assesses competency and are used for accountability purposes.

Using the JCSD Teacher Evaluation Instrument, teachers will be formally evaluated at least once a year and informally evaluated at least twice a year. Evaluations will be based on observation both inside and outside the classroom.

Teacher employment decisions will be made as outlined in the Education Employment Procedure Law. Teachers who have not accrued two continuous years of employment in a Mississippi Public School District and/or teacher in their first year of employment with JCSD are not entitled to the protections of this law.

In order to provide additional feedback to teachers, the state of Mississippi has implemented use of the Teacher Growth Rubric. This rubric contains 4 domains including: Lesson Design, Student Understanding, Culture and Learning Environment, and Professional Responsibilities. JCSD utilizes this rubric for teacher and staff appraisal.

Any employee who wishes to review their personnel file must provide written notice to the Human Resources Department and an appointment time will be set.

## Teacher Support Teams

JCSD has Teacher Support Teams in all elementary, middle, and high schools to assist teachers in determining instructional interventions for students with learning problems, which interfere with their participation or performance in the classroom and the school environment. ## Internet Acceptable Usage

### Scope

The following procedures apply to all staff and students and cover all JCSD computer equipment, including any desktop or laptop computers provided to staff, the computer network, and any computer software licensed to JCSD.

### Appropriate Use

JCSD expects everyone to exercise good judgment and use the technology in a professional manner. Your use of the equipment is expected to be related to the district's goal of educating students and/or conducting school business. JCSD recognizes, however, that some personal use is inevitable and that incidental and occasional personal use that is infrequent or brief in duration is permitted, so long as it occurs on personal time, does not interfere with district business, and is not otherwise prohibited by district policy or procedures.

### Use of District Software

District software is licensed to JCSD by many vendors and may have specific license restrictions regarding copying or using a particular program. Users of district software must obtain permission from JCSD Technology Department prior to copying or loading district software onto any computer, whether the computer is privately-owned or is a district computer.

### Use of Non-District Software

Prior to loading non-district software onto district computers (including laptops and desktops), a user must receive permission from the JCSD Technology Department. All software must be legally licensed by the user prior to loading onto district equipment. The unauthorized use of and/or copying of software is illegal.

2. Users shall not access, transmit or retransmit copyrighted materials (including plagiarism), threatening, harassing, or obscene material, pornographic material, material protected by trade secret, and/or any other material that is inappropriate to minors.

3. Users shall not access, transmit, or retransmit any material that promotes violence or the destruction of persons or property by devices including, but not limited to, the use of firearms, explosives, fireworks, smoke bombs, incendiary devices, or other similar materials.
4. Users shall not use the network for any illegal activity including, but not limited to, unauthorized access, including hacking.
5. Users shall not access, transmit, or retransmit information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks.
6. Users shall not access, transmit, or retransmit information that harasses another person or causes distress to another person. This is to include cyberbullying.

### **System Resource Limits**

1. Users shall only use the JCSD system for educational and career-development activities and limited, high-quality, self-discovery activities as approved by JCSD administration for a limited amount of time per week.
2. Users agree not to download large files unless it is absolutely necessary. If absolutely necessary to download large files, the user agrees to download the files at the time when the system is not being heavily used.
3. Users agree not to post chain letters or engage in “spamming” (that is, sending an annoying or unnecessary message to a large number of people).
4. Users agree to notify their teacher or other school administrator immediately should they access inappropriate information. This will assist in protecting users against a claim of intentional violation of this policy.

### **User Rights**

1. The Internet is considered a limited forum, similar to a school newspaper, and, therefore, JCSD may restrict user rights to free speech for valid educational reasons. Users shall have the responsibility to use computer resources for academic purposes only.
2. Users should not expect files stored on school-based computers to remain private. Authorized staff may periodically inspect folders and logs of network usage. This information may be retained and reviewed. Routine review and maintenance of the system may indicate that the user has violated this policy, district policy(ies), municipal law, state law, or federal law.
3. JCSD will fully cooperate with local, state, or federal officials in any investigation related to illegal activities conducted through the user’s Internet account.

### **Network Etiquette**

2. Use appropriate language. Do not swear, use vulgarities, or any other inappropriate language.
3. Do not use the network in such a way that you would disrupt the use of the network by other users (e.g., downloading huge files during prime time, sending mass email messages, annoying other users using the Instant message function).
4. All communications and information accessible via the network should not be assumed to be private property.

## **Reliability**

1. JCSD makes no warranties of any kind, whether expressed or implied, for the service it is providing.
2. JCSD will not be responsible for any damages suffered by the user, including loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions.
3. Use of any information obtained via the Internet is at the risk of the user.
4. JCSD denies responsibility for the accuracy or quality of information obtained through Internet services.
5. JCSD is not responsible for student access to what may be deemed as inappropriate material available on the Internet.

Individual schools within the district may create additional guidelines and procedures consistent with this policy. Such guidelines and procedures will be appropriate for the electronic information resources being accessed by the users at the school.

## **Privacy**

District computers, the Internet, and use of email are not inherently secure or private. For example, the content of an email message, including attachments, is most analogous to a letter or official memo rather than a telephone call, since a record of the contents of the email may be preserved by the sender, recipient, any parties to whom the email may be forwarded, or by the email system itself. It is important to remember that once an email message is sent, the sender has no control over where it may be forwarded and deleting a message from the user's computer system does not necessarily delete it from the district computer system. In some cases, emails have also been treated as public records in response to a public records disclosure request.

Likewise, files, such as Internet "cookies" may be created and stored on a computer without the user's knowledge. Users are urged to be caretakers of their own privacy and not to store sensitive or personal information on JCSD computers. The district may need to access, monitor, or review electronic data stored on district computers, including email and Internet usage records.

While the district respects the privacy of its staff, the district also reserves the right to monitor and review electronic information in order to analyze the use of systems or compliance with policies, conduct audits, review performance or conduct, obtain information, or for any other reason.

JCSD reserves the right to disclose any electronic message or file to law enforcement officials or any other entity the district deems necessary, for example, in response to a document production request made in a lawsuit involving the district or by a third party against the user or pursuant to a public records disclosure request.

## **Consequences for Failure to Follow Terms and Conditions of Internet Use Policy**

There will be consequences for any user who fails to follow JCSD guidelines and policies.

The consequences may include paying for damages, denial of access to technology, detention, suspension, expulsion, termination, or other remedies applicable under the school disciplinary policy and state or federal law.

At the discretion of JCSD, law enforcement authorities may be involved, and any violations of state and/or federal law may result in criminal or civil prosecution. (For additional information, refer to JCSD Board Policy).
