

2024-2025 NTI Day #9

10th Grade English

Teacher: Mrs. Branscom

Assignment

Answer the following questions in a two-paragraph format.

Discuss the advice that the two texts give about how to lead a happier life. How do both texts use scientific methods to support their claims?

Do you think there is one right solution for how people can improve their overall happiness? Why or why not? Explain your answer using evidence from both texts.
