A Note From The Teacher

Dear 6th Grade Families,
 January seemed to fly by. Now that we are getting closer to March, we want you to keep in mind the upcoming field trip. Please be on the lookout for the permission slips soon to be sent out. With us being so close to the 4th 9 weeks, please encourage your child to keep working hard and keep those grades up. We want to finish the year strong with great effort being put forth in the classroom.
