

Homework/Make up Work

Homework assignments are an integral part of student learning. Assignments shall be appropriate in amount and degree of difficulty for student ages, grade levels, and abilities. Assignments requiring research outside of the classroom and written reports are encouraged.

Individual Help

Within limits prescribed by staffing availability and negotiated agreements, the Superintendent shall develop and implement extra-help instruction for students in need of such instruction in addition to regular classroom instruction. Extra-help sessions shall not interfere with regular classroom schedules, nor impose undue hardship on students, and shall not be considered extra-credit or enrichment classes.
