

Gifted and Talented Newsletter

2022-2023

Quarter 3

Grades K-3

Students in grades K-3 are currently learning about Egyptian mythology.

Next stop, China!

Grades 4-7

Students in grade 4-7 continue to work on their History Day research projects. Those students who chose to compete will be headed to the district competition next week. Good luck!

All students will complete their projects for a parent showcase to be held later this spring.

Battle of the Books

The middle school Battle of the Books team competed in the Final Tournament this past weekend. Congratulations to all team members for a fun and successful season.

The Elementary (3rd-5th grade) team will begin reviewing the books they have read and working on practice questions.

SummerQuest!

SummerQuest! is a Summer Regional Governor's School program for middle school students. Rising 6th, 7th, and 8th GT grade students are invited to apply for this two week program. Applications will be available March 15th.

MVGS

MVGS applications are due to Ms. Seeley or Mrs. Pond by this Wednesday, March 1.

There will be a field trip on March 29 for 8th grade students to learn about the MVGS program.

Scholastic Bowl

Congratulations to the RCBS Scholastic Bowl team for taking 3rd place in the state this year! While our official season is over, our work is not.

All interested high school students are invited to join the team for optional off-season practices for the remainder of the year.

Summer Programs

Now is the time to begin looking for programs for this coming summer. Please refer to the [Summer Opportunities](#) tab on the RCPS Gifted Website for a growing list of programs.

Don't see a program that fits your needs? Contact Ms. Seeley for help finding and applying to summer programs.
