# News!

Many thanks to Trinity Barrus, Jo Hopf, Branden Van Keuren, and Maisie Barrus for their work with the student council this weekend. The crew, along with advisor Joel Buchmann, painted the storage container at the football field. They spent two weekend mornings getting the container ready for this weekend's game. We appreciate their hard work and efforts!

The high school will vote for homecoming candidates on Thursday. Seniors Trinity Barrus and Branden Van Keuren, juniors Sam Roberts and Domonick Crow, sophomores Tayla Randall and Chamron Southers, and freshmen Tara Taber and Hadley Johnson are the 2023 homecoming court, and the king and queen will be crowned at half-time of Saturday's varsity game.

Seven seniors and their parents will be announced prior to Saturday's football game. Please join us in honoring our Rebels before they take on the Fromberg Falcons.

# As You Like It

Hysham's junior high and high school will get a little taste of the Bard in the fall, funding permitting, as we have gotten on the Shakespeare in the Schools performance list! We are also hoping to have Shakespeare in the Schools for the elementary in the spring. The events will feature a play performance followed by two workshops for the students.

Our elementary students will experience a production this spring.

If you or your organization would like to help sponsor this event, please let Ms. Skillen know! We appreciate the many donors who have contributed so far!
