### All Families are Required to Sign the Assumption of Risk and Waiver of Liability Relating to COVID-19 By Wed., Sept. 1

*(Thank you to those who have already signed the waiver; if you have done it, there's no need to sign again.)*

- ✦ [CLICK HERE](#) to log in to the Parent Portal; select **Web Forms** on left side of screen
- ✦ Review and Sign the **Waiver of Liability Relating to COVID-19**

### All Classes From PK3 through Grade 8 Begin Promptly at 8:00 am. Be sure to arrive at school by 7:50 so your child is ready to start on time! Keep your child in school until the 2:55 dismissal begins.

- ✦ Early pickups at the end of the school day result in valuable lost learning time for your child—and cause disruption to the teacher and the learning of all other students in the classroom.
- ✦ If you come early and have not called in advance to let us know of a scheduled doctor's appointment, you will be asked to return to your car to wait.
- ✦ Trying to avoid the carline is not an acceptable reason for picking up early.

### Doctor's Appointments

- ✦ Call school in advance to tell us about early pickups for doctor's appointments. Provide the school office with a doctor's note validating the appointment.
- ✦ Early pick up for any other reason than a doctor's appointment requires meeting with the principal. It is important that students attend a full day of school from 8:00 a.m. to 2:55 p.m.

### Meetings With School Personnel By Advance Appointment Only

- ✦ Parents who want to speak with any school personnel (including administrators, teachers and office staff) are asked to email or call to in advance to schedule an appointment. Meetings will be held **by appointment only**. No exceptions.
- ✦ Masks and social distancing are required at all times.

**Your partnership is key and will help us stop widespread community quarantining.**

If you or your child should develop symptoms and test positive for COVID-19 or come in close contact with someone who tested positive, please notify Sister Cynthia immediately by calling her at 904-705-3827. During school hours and on the weekends, a direct call to this number helps ensure your privacy. *For purposes of COVID-19, a close contact is anyone who was within 6 feet of an infected person for a cumulative time of 15 minutes or more.*

## No Food from Outside Vendors in Cafeteria

Our participation in the National School Lunch and Breakfast program reflects our effort to provide healthy food choices and good nutrition. **Parents are asked not to bring competitive food such as fast food (including drinks) or food prepared by outside vendors into the school cafeteria for breakfast or lunch.** Breakfast and lunch are free for all students. Breakfast serving stops at 7:45. Children may bring a packed breakfast or lunch from home.

## Student Birthdays

Families are asked to not bring balloons and gifts to school to be delivered to students during the school day. Such deliveries are disruptive to the classroom and are more appropriate to be given at home. Cupcakes and other sweets do not fit the guidelines of our School Wellness Policy and cannot be given out at school.
