The Albuquerque Talent Development Academy announced today it will operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the SY 2026-2027 school year. Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
