On the question: Mr. Supey asked Mr. Kopko if the second sheet of the police report is added to agenda. Ms. Holmes responded that the second sheet is given by Officer Alberigi for board only. Attorney Ferentino responded it could be added to agenda but doesn’t need any action.

Open Discussion from Board:

Phil Campenni stated that last month he could not make the meeting. A combined meeting was held the last three months and he stated he prefers to have a separate work session. He also added that the work session and regular meetings are set at the reorganization meeting. Mr. Campenni also asked who authorized to have a wall put up in the library for a police office. Mr. Campenni felt the security office should be at the front door. Dr. Pollard responded that several locations were looked at. Dr. Pollard asked Mrs. Woodruff, Drama Parent, what would they do if six or eight feet were lost in the lobby for the play? Mrs. Woodruff responded she didn’t know what they would do. Ms. Best stated that this was discussed at an executive session in which Mr. Campenni responded that he wasn’t at the executive meeting. Ms. Best stated all eight board members said to have the security office in the library. Dr. Pollard stated this was discussed at a facilities meeting. Calendar changes were reasons of not being able to have executive sessions (work sessions) according to Ms. Best. Mr. Supey stated that the work sessions are not only for the board but for the public so they can weigh in on agenda items.

Audience topics discussed:

- Darren Woodruff, Harding – Telecom Bills.
- Daneen Kearns, West Pittston, Kindergarten Teacher – Police department’s new renovations.
- John Bonin, Harding, Lacrosse Parents – Allotted money for athletic sports from tax increases.
