Notes From the Superintendent

We have completed the first few weeks of school, and I am pleased to state that we are off to a great start. I want to thank parents for their efforts in preparing their students for the start of school and for attending the Back to School Night on August 12, 2024. We had excellent attendance and students were able to meet their teachers, deliver supplies, and organize their lockers. Parent and student participation in this annual event helps the first days of school go smoothly so thank you for your participation. One of the strengths of our district is parent engagement and support.

In cooperation with the Carroll County Sheriff's Office our district has continued our School Resource Officer Program. We are very pleased to have Officer Dan Nevills working with staff and students again to enhance safety and security within our building. In addition, he will continue building relationships with students, parents, and community to enhance trust between law enforcement and our communities. We are pleased to be able to continue to offer this additional layer of security and Officer Nevills will be present each school day and at various after-school events.

We wish to remind parents that the school buildings are not open before 7:50 A.M., at which time school employees will enable students to enter through the various doors. Students or parents arriving after 8:15 A.M. need to enter through the following buzzer release door: Milledgeville School – North rear main entrance from the parking lot (large orange facade). All exterior doors are locked from the outside on a permanent basis during the school day to enhance safety and security.

Our school news will be produced in-house by District Secretary Mrs. Jody Mertz. If you would like a copy mailed to you please contact the district office at 815-225-5839. Otherwise, the monthly newsletter will be emailed to stakeholders, posted on the district's Facebook page, and posted on the district's website: www.dist399.net.

Sincerely,
Tim J. Schurman, Superintendent

Counselor's Corner

Seniors, please start looking at college applications if you are planning on attending a 4-year school. Early admission deadline is usually November 1st, so you will want to get started on any essays that are required to apply.

A financial aid meeting will be held on November 6 at 6:00 p.m. in the library. I will send out more information as it gets closer.
